

Nebraska WOMEN TO SAVE LIVES OF BABIES

Mrs. Pennybacker Tells Nebraska Federation of Women's Clubs Needs of Young Children.

CLUBS TO ASSIST IMMIGRANTS

NORFOLK, Neb., Sept. 29.—(Special Telegram.)—Moving picture men who are in Norfolk to snap the features of the Norfolk fall festival, which opens here Thursday morning, centered their entire attention Wednesday on the delegates to the annual convention of the Nebraska Federation of Women's clubs. The 39 delegates, national and state officers, were put on the film.

The second day of the convention was given over to the delivering of addresses by prominent women. The nominating committee was expected to hand in a list of candidates during the night, but there was no outward fight except for the vice presidency. Mrs. J. N. Paul of St. Paul continues to be a favorite for the presidency. Election takes place Thursday afternoon.

Leading Women Talk.
Mrs. Percy V. Pennybacker of Austin, Tex., national president of the organization, was the principal speaker Wednesday afternoon. Mrs. Frederick H. Cole of Omaha delivered the principal address on "Women's Opportunity."

Other speakers were Mrs. N. H. Nelson, Omaha; Mrs. H. H. Wheeler, Lincoln; Mrs. Thomas G. Winter, Minneapolis; Prof. C. W. Pugsley, Lincoln. Dr. Rachel Yarros of Hull House, Chicago, will speak Thursday. Mrs. K. R. J. Edholm of Omaha is also on the program.

All women's clubs of the United States will be asked to devote one week, commencing March 4 next, to devise ways and means to prevent the fatality of babies in the United States, according to a statement during her address by National President Pennybacker.

Among Babies.
Mr. Pennybacker declared that thousands of babies are dying each year because of ignorance and lack of care. She outlined plans for making better citizens out of immigrants, a problem which the women's clubs will take up later. This immigration plan, she said, will include co-operation of women's clubs and the immigration officials.

The women's club in the city to which the immigrants are headed should be notified by wire and should be on hand to welcome the new citizens to the country. The greatest immigration question, she said, is that the immigrants are thrown among the hardest class of citizens after they leave the protection of the government in New York.

In another address the national president talked on rural schools, declaring that radical reforms were needed. She claimed that efficient teachers will not teach in rural schools because the conditions surrounding the work are wrong. The country women, she said, can correct these wrongs.

Cleanup Campaign Urged by Governor In Proclamation

(From a Staff Correspondent.)
LINCOLN, Sept. 29.—(Special.)—Governor Morehead today issued a proclamation asking Nebraskans to join in a cleanup campaign on October 9 to forward fire-prevention work. The proclamation follows:

"The Safety First Federation of America has designated Saturday, October 9, as the day to impress upon the minds of all of the people the need of co-operation to prevent the loss of life and property by fire. The toll exacted by the fires in the country is enormous, being in round numbers \$250,000,000 in the year of 1914. Much of this loss is caused by carelessness on the part of the people, their failure to observe ordinary care and caution in handling and disposing of inflammable and combustible substances. In order that this waste be reduced to the minimum, I, as governor, recommend that on October 9 all public buildings, factories and homes be thoroughly cleaned of rubbish accumulations."

"That all heating, lighting and fire extinguishing apparatus be examined, and if found defective, promptly repaired."

"That fire drills be held in all schools, factories and other places where fire escapes are established."

"That lectures be given in all public schools on Friday, October 9, by representatives of the fire departments on the common hazard of fire and where such officials are not available that teachers be urged to give such instructions as they may have at their command on the subject."

"The latest estimate of the loss by fire in the United States and Canada for 1914 was \$256,591,350. Reasonable caution and the adoption of protective measures would have greatly reduced this enormous total."

"JOHN H. MOREHEAD,
Governor."

Fire Chief Clement Shoulders the Blame In Motor Purchase

(From a Staff Correspondent.)
LINCOLN, Sept. 29.—(Special.)—Fire Chief Henry Clements of the Lincoln fire department today shouldered all blame, should any attach, over the purchase of an alleged worthless automobile truck by the public safety department. The council yesterday in extraordinary session heard charges preferred by Judge W. H. England that the city had paid \$300 for an automobile not worth to exceed \$300 at the most liberal estimate. The purchase was made from H. Kempin, a member of the fire department, but through a third party.

Chief Clements admitted he had approved the purchase and said he had urged it as a means of saving the city. He admitted he had received \$25 from Kempin, but said it was in payment of a debt which Kempin had been owing him for two years, when the chief loaned Kempin money to build a home.

Nebraska SENATE JOURNAL IS READY

One Thousand Copies of Book Have Been Turned Over to Printing Board.

HALL BALKS OVER WARRANT

(From a Staff Correspondent.)
LINCOLN, Sept. 29.—(Special Telegram.)—State Printing Commissioner E. A. Walrath has finished 1,000 copies of the senate journal for the 1915 legislative session at a cost to the state of \$1,133. The actual printing was done by Millburn & Scott of Beatrice.

Hall Declines to Act.
State Treasurer Hall has refused to issue a warrant for a claim in favor of W. F. Crossley, who is the contractor in charge of the new Kearney State normal building, for \$12,500, because his vouchers were not filled out in due form. It will be brought up before the board at its next meeting in Kearney, October 13. Crossley's full contract amounts to \$57,500. The disallowed claim did not have the signature of the president and secretary of the Board of Control in the proper place.

Union Pacific Appeals.
The Union Pacific railroad has appealed to the supreme court from a judgment against it in the Lancaster county district court for \$1,000 in favor of Charles W. Wakefield. Wakefield claims his team and wagon were injured in Lincoln when struck by a Union Pacific motor car.

Complaint of Board.
Complaint has been made to the State Insurance board that the United States Fidelity and Guaranty company of Baltimore is refusing to make payments due under the workmen's compensation act to a laborer who was injured on the new Miller & Paine building ten weeks ago. The board will investigate.

Will Move Poles.
The State Board of Control has agreed with the city of Lincoln and the county commissioners to move back some poles used to carry current from the state penitentiary to the state house, the orthopedic hospital and to the governor's mansion. The poles had been set too far out in the street.

Refused to Register Bonds.
The state auditor has refused to register \$12,000 of lighting bonds for the town of Seward on the ground that a town of this class is not allowed by law to incur light bonds of more than 10 per cent of the assessed valuation of its public utility property. The assessed valuation of the company is \$7,583, 10 per cent of which is \$758.30, while the town has sent in \$12,000 worth of bonds.

Notes from Beatrice.
BEATRICE, Neb., Sept. 29.—(Special.)—A. Spencer, a pioneer of this city, died at 9:30 o'clock Tuesday night at the home of his daughter, Mrs. O. W. Beckwith, aged 84 years. He is survived by five children. The body was taken to Dixon, Ill., today for interment.

Company C has arranged to hold competitive drill on Tuesday, October 12, at which time prizes will be given by the local merchants to the best drilled private and the best drilled squad. The judges will be Lieutenant Colonel A. H. Hollingworth, Captain C. L. Brewster and Captain W. J. Hemphill.

The smallpox quarantine on two homes in Beatrice was raised Tuesday. This leaves only two cases in the city and the authorities hope to have the disease entirely stamped out in a few weeks.

Jesse P. Irvin and Miss Reier, both of this city, were married Monday evening at the Christian parsonage, Rev. C. F. Stevens officiating.

Nebraska MAYOR BRYAN IS DRYS' CHAIRMAN

State Convention at Lincoln Elects Brother of Ex-Secretary to This Position.

DOUGLAS MEMBERS INSURGENT

(From a Staff Correspondent.)
LINCOLN, Sept. 29.—(Special.)—Charles W. Bryan was today named permanent chairman of the convention of the "Nebraska Dry" federation meeting on in Lincoln to map out a program to make Nebraska dry by a constitutional amendment in 1916. A thousand delegates, some from every county in the state were present.

The three permanent secretaries were Harry E. Sackett of Beatrice and Dr. H. E. Douglas and Mrs. Frank N. Butts, both of Omaha. The meeting was called to order by Judge S. P. Davidson of Tecumseh, temporary chairman, Dr. J. D. M. Buckner of Aurora, Neb., introduced Judge Davidson.

The fight of the convention will be in regard to the form of the amendment that will be adopted to best prevent evasion of it when it becomes a part of the amendment.

The Douglas county delegation is insurgent, demanding a different form from that adopted by the committee of 100 at a meeting in Omaha a few weeks ago. They insist that the clause "for hatter or gift under any pretext" be withdrawn on the ground that it would prevent the use of liquor in the home and would lose the prohibition cause a host of signers they would otherwise get. They also in-

BACKACHE KILLS!

Don't make the fatal mistake of neglecting what may seem to be a "stimp" little backache. There isn't any such thing. It may be the first warning that your kidneys are not working properly, and throwing off the poisons as they should. If this is the case, act after the cause of that backache and do it quickly, or you may find yourself in the grip of an insupportable disease.

GOLD MEDAL Heurten Oil Capsules will give almost immediate relief from kidney and bladder troubles, which may be the unsuspected cause of general ill health. GOLD MEDAL Heurten Oil Capsules are imported direct from the laboratories in Holland. They are prepared in correct quantity and convenient form to take, and are positively guaranteed to give prompt relief, or your money will be refunded. Get them at any drug store, but be sure to insist on the GOLD MEDAL brand, and take no other. Prices, 25c, 50c and \$1.00.
