CREIGHTON TOO MUCH FOR PLUCKY PERU

Warriors from Hill Descend on Teachers, Overcoming Them by Fifty-Seven to Nothing.

ALL VARIETIES OF GAME USED

Fifty-seven to nothing tells the tale of Creighton's victory over Peru Normal yesterday afternoon. The Peru team, while outweighed by their opponents at least fifteen pounds a man, put up a fierce, scrappy game, and more than once sent a score into the Creighton eleven when a successful trick play threatened to place the ball over the local goal. Creighton's line, however, easily prevented any scoring at critical times. The visitors suffered particularly from injuries, four regulars being laid out early in the contest from impacts with Miller's beefy and aggressive warriors.

Platz sends goal from field. Platz started Creighton's scoring early in the game when he sent a drop kick over the bars from the twenty-five-yard line. The auspicious beginning was not continued long, however, as only one further score was made in the first quarter, when Wise snatched up a fumble and dashed forty yards for a touchdown. Platz kicked goal, making the score 10 to 0. Gray, Creighton's two-pound guard, became overly energetic at this stage and was removed from the game for slugging, much to the relief of his opposing player.

In the second period Peru punted. Shannon, Shannon and Platz rested off ten yards each on straight foot ball, whereupon Platz carried the oval over for the only score of the quarter. The kick for goal was missed.

After the following kickoff, Peru punted, the ball not going beyond the visitors' twenty-yard line. Creighton tried a forward pass, which was cleverly intercepted by Boyd, who then raced toward the Creighton goal, but was downed by Wise after a pretty fifty-yard run. Peru then worked the pluckin almost to the local goal by clever forward passes and a trick double pass, first laterally and then forward to a waiting man. Here Creighton held and Wise punted. During this period the ball was mostly in Creighton's territory, time being called with the teams near the center of the field.

Creighton Makes Headway.

The third quarter was all Creighton's, twenty-seven points being amassed. Peru kicked off to Hennessy, and Creighton proceeded to march down the field irresistibly. Platz made twenty yards in a starter, Wise added fifteen, starting off half a dozen tacklers, and Shannon and Ditz increased the gains. On an end run Platz then carried the leather over and kicked goal. Score, 35 to 0. Wise kicked off to Peru, and the visitors made their yards. Later, however, spoiled further progress, and by two beautiful successive tackles threw the Normalites back fifteen yards. Peru was forced to punt, and Creighton again advanced down the campus. Nigro taking the ball over for a touchdown. Platz brought the score up to thirty by kicking goal.

Subs Put in Line.

Mills now put in a number of substitutes, who continued the good work for the Blue and White. Kieper tackled the Peru runner on his own goal line on the next kickoff, and on the following punt, Hasset dodged through the entire Peru team for another touchdown. Wise missed goal. Score, 58 to 0.

Creighton again kicked off and on the first play Cunningham broke through Peru's defense, snatched the ball, and added another six points to Creighton's tally with a touchdown after a thirty-yard run. Wise kicked goal, the period ending with the score 85 to 0.

DECISIVE DEFEAT FOR U. OF O

Grand Island College Trims Visiting Players by Score of Seventy-Three to Nothing.

SCORING MACHINE STARTS SOON

GRAND ISLAND, Neb., Oct. 15.—(Special Telegram.)—In a drizzling rain the University of Omaha met the decisive defeat of 73 to 0 at the hands of the Grand Island college today. At no stage did the university men have a chance to score and they succeeded in making the required ten yards only twice. It was the first game of the season for the Grand Island squad and the team showed up strong. The locals were not only much heavier, but also excelled in other lines.

In the first half Grand Island piled up a score of 35 and Coach Morrow put in some second team men in the second half. Ten-minute quarters were played. The constant rain made the ball very slippery, though a grass ground relieved the matter somewhat. Grand Island was penalized frequently by Referee Tully, formerly of Doane for pushing and holding. The locals' backfield machine showed up particularly well and runs of from twenty-five to fifty yards were frequent. Owing to the slippery condition of the ball the forward pass was ineffective and was used little.

What's the Matter With Yale?

Yale is having its troubles on the foot ball field even at this early stage of the season. The 10 to 0 defeat by Virginia is ranking in the breasts of the Ell adherents. For several seasons Yale has had an in-and-out team, which would show flashes of form on one Saturday, only to play the most amateurish sort of game the following week.

DOANE TIGERS WHIP HALLIGAN'S BOYS

Negotiate Twelve-to-Nothing Score on Cotner Team in Hard Game.

JOHNSON OF DOANE FEATURES

CRETE, Neb., Oct. 15.—(Special Telegram.)—Coach Schuster's Tigers defeated Vic Hilligan's Bulldogs here today on a muddy field in a drenching rain to the tune of 12 to 0.

Doane outplayed its opponents in all departments of the game from the sounding of the first whistle and had it not been for the condition of the field, which made open playing impossible, should have overwhelmingly defeated the former Nebraska star's protégés. Time and again a Doane man would get into the clear, only to slip and fall, on account of the insecure footing.

The two teams came out for the second half with a new pep instilled into them. On a play on which Doane should have been awarded a safety, the officials declared it a touchback and Cotner took the ball on his twenty-yard line. With the ball in the middle of the field it was Doane's possession. Brumbaugh, the Cotner captain, was sent out for roughness, and although Doane should have profited to the extent of half way to the goal line, no penalty was assessed. The Tigers were not to be denied and on a crisp cross, Kindig went thirty-five yards.

ATHLETIC CARNIVAL TO TAKE PLACE OF THE FALL STREET FAIR

An industrial exhibit of Omaha for the Auditorium, open to the public during Ak-Sar-Ben festivities, is a suggestion of the Omaha Manufacturers' association which will make to the board of governors of Ak-Sar-Ben. This was roughly outlined at a meeting of the association at noon at the Commercial club rooms.

Further the association will suggest that to take the place of the street fair, an athletic carnival be held, with athletes from all over the state and several adjoining states be brought here in competitive work on a carnival grounds where an admission fee would be charged and prizes would be offered. This feature, they believe, would bring large crowds and help to make up a parade fund as the carnival does now.
