

Nebraska PREPARE TO START ON NEW BUILDING

Ground at the State University Being Cleared for Erection of Chemistry Hall.

PLANS FOR TENNIS COURTS

LINCOLN, Neb., Oct. 23.—(Special.)—Workmen have begun to clear away the frame dwellings on the block of ground just east of the athletic field and north of Nebraska Hall, preparing for the erection of the new chemistry building. It is proposed to clear this ground at once so that the successful contractor for the building can commence excavating before the end of November. Completed plans and specifications of the structure will soon be ready, and advertisement will be made for bids before the end of the month.

While all of this block will not be needed for the chemistry building, the land will be cleared and ten more tennis courts built. This will meet an insistent demand from the students that the athletic board provide better facilities for tennis, a demand that took the form of a petition that was signed by 1,000 students and presented to the regents last June. The popularity of tennis as a sport for both men and women has been increasing at the university recently and was given impetus when Nebraska was placed second in the Missouri Valley Intercollegiate tennis meet last spring.

Will Condemn Land.
The citizens' committee in charge of preparing the ground for the new building took steps to have a board of appraisers appointed by the governor to fix the value of four lots in this block, where the citizens' committee and the owners could not agree as to the right price. At the same time the committee started proceedings to secure the lot belonging to Jacob Mohler, which must be purchased before the Bessey building can be erected.

Mr. Mohler refused to accept the valuation placed on his land by the appraisers and it is now proposed to condemn this land.

Bessey Memorial Fund.
The Bessey memorial fund, the income from which will be used to provide annually two scholarships in botany, or which will be available for the use of Mrs. Bessey during her lifetime if she wishes, has passed the \$1,000 mark. Secretary Guy Reed depositing enough with State Treasurer Hall last week to make the fund \$1,000. While this is but a small portion of the total sum of \$15,000 which is hoped will be raised, the officers of the memorial association are confident that the alumni of the university will ultimately raise an amount that will be a fitting permanent memorial to Nebraska's educator.

Edward C. Elliott, a graduate of the University of Wisconsin, has been elected chancellor of the University of Montana. Dr. Elliott will take up his new work February 1, 1916.
George J. Lyon, '09, who studied civil engineering at Nebraska university and later took a degree at Columbia, is the author of a paper on "Equipment for Current Meter Gaging Stations," published as water supply paper No. 871 by the United States Geological Survey. In addition to his work as a practicing engineer, Prof. Lyon is assistant professor of civil engineering at Union university. Before that he was professor of civil engineering at Colorado college.

Girls at Luncheon.
Several hundred university girls, and a score of alumnae enjoyed the first girls' foot ball luncheon just before the Notre Dame game Saturday. The luncheon was given under the auspices of the girls' club, which secured a special section in the grandstand for the women students, and decorated it with scarlet and cream bunting. After the luncheon, and a rehearsal of the Nebraska songs and yells, the girls marched in a body to the field, and took their places in the grandstand. Outdoor hockey has been enthusiastically adopted as the favorite sport of the co-eds, who used the athletic field while the foot ball team was having secret practice at the base ball park. The girls rarely have an opportunity for using the field for outdoor sports, as it is used practically the year round for foot ball, both in the spring and fall. It is hoped that space for an athletic field where the girls can enjoy outdoor sports will be provided on the extended campus, when the ground is finally cleared.

Congressman C. F. Reavis will address the students at convocation hour Tuesday morning. His subject has not been announced.
One effect of the European war has been to decrease the number of complaints on account of compulsory drill, and to cause the cadets to show more enthusiasm for their drill in military science, according to Chancellor Avery. The chancellor says that since he became head of the university he has never had to listen to so few complaints on account of the drill, as this year.

Old-Time Resident of Auburn Gets Surprise

AUBURN, Neb., Oct. 23.—(Special.)—H. J. Harms was given a surprise yesterday on his seventy-seventh birthday anniversary. Mr. Harms has resided here about fifteen years, and came here from Atchison county, Missouri, where he was for years one of the county judges. He is the father of a large family, most of whom reside in Atchison county near his old home. The guests were Richard Harms of Phelps, Mo., H. H. Harms and family of Fairfax, Mo., Mike Harms and family of Phelps, Mo., Harms-Clark of Langdon, Mo., Harmon Cooper and wife of Rockport, Mo., and Mrs. John Kuper of Langdon, Mo., and Mrs. Lorraine of Langdon, Mo. Those of his locality present were Johnson Radmacher and wife, Herman Yelken and family, Thomas Gerdes and family, Henry J. Behrends and family and T. A. Bailey. All came in autos with well filled lunch baskets.

State Superintendent A. O. Thomas visited the public school yesterday in company with County Superintendent Ekdorff.
Miss Hattie Codrington of this place was married this week at the home of her brother, J. Dudley Codrington, at Falls City to James Findley of Rufus, Okl. Other weddings of the week are: Della Weirs to John H. Meyers at the Stone church, twelve miles southwest, Rev. Dirks officiating; Mary Redner to Vincent Heng, Rev. Feeney of St. Joseph's church performing the ceremony, and Myrtle Overman of Peru to Guy Rhodes of Nemaha.

"SCOTTY" ALLEN AND SOME OF HIS DOGS—"Scotty" Allen, the famous dog driver in Alaska and winner of the great Alaskan sweepstakes, at the annual dog race in the northern country, is on his way to France with a number of his dogs to supply transportation for French reconnoitering parties during the winter. The pictures of Allen and his dogs were made as they came ashore at Seattle, Wash.

SCOTTY ALLEN AND SOME OF THE DOGS.

SAMPLES OF WELL WATER ARE BAD

State Bacteriologist Reports that Fuller Municipal Plant is Contaminated.

SOME OTHER WELLS ARE O. K.

(From a Staff Correspondent.)
LINCOLN, Oct. 23.—(Special.)—The Fuller municipal well at Pawnee City is contaminated with sewage, according to tests made by State Bacteriologist Wild. Water from McCook was found pure. At Reynolds water for the public schools was found very bad. A well from the Ed Warren place at the same village was found still worse, with a mixture of sewage and salt. Water from a private well belonging to P. O. Mickelson of Friend was laden with disease germs. A sample sent in by E. L. Watson of Inman was pure.

Majors May Inspect.
Instead of personally inspecting thirty companies of Nebraska National Guard Adjutant General Phil Hall has decided to let the work be done by the regimental majors. The inspections will begin about December 1.

Stockmen View Farm.
A hundred and fifty South Omaha stock yard men and their wives were guests today of the Nebraska School of Agriculture and were entertained at a banquet at noon at which Chancellor Avery, Dean E. A. Bennett and several university regents spoke. The party attended the Nebraska-Notre Dame game after a trip over the farm this morning. The excursion is an annual affair.

Dr. Kigin to Wed.
Dr. L. C. Kigin of Lafayette, Ind., for two years state veterinarian, who went to Purdue university a few months ago to join the veterinary department of that college, is soon to wed Miss Mary Holloway of Lincoln.

New Lawyers at Bar.
The supreme court has admitted Frank O. Divisek, Wallace H. Wernil and Merrill C. Rohrbaugh to practice in the courts of Nebraska.

Libel Case Decided.
Frank Ondra of Adams county, who, according to his divorced wife, would wear a suit of underwear until it was worn out, and could seldom be persuaded to wash, will have to pay \$7,000 alimony instead of \$2,500 as directed by the district court, according to a decision handed down by the supreme court commission of Nebraska today.

The court found that Ondra was worth \$7,000, all but \$3,000 of which was accumulated by the help of his wife.
Ondra Must Pay.
The decision from Douglas county that John A. Lee was not entitled to damages from the Omaha Daily News for an alleged libelous article, was affirmed by the supreme court.

Contract is Let for Electric Line

TABLE ROCK, Neb., Oct. 23.—(Special.)—Contract for the material and erection of the electric transmission line between Pawnee City and Dubois has been let by the village board of Dubois to the Koresmeyer company of Lincoln and work will begin as soon as the material can be gotten on the ground.
The restaurant of Wash Stewart at Dubois, south of here, was destroyed by fire yesterday.
A quiet wedding was solemnized Thursday at the residence of Mr. and Mrs. R. J. Wagner, five miles southwest of here, when their daughter, Bertha Matilda Wagner, was united in marriage to William J. Wirth of Dunbar, Rev. G. W. Campbell, pastor of the Christian church at Pawnee City, officiating. They will be at home to their friends at Dunbar after November 1.

JOHNSON MUST ANSWER FOR USING BAD CHECK

BEATRICE, Neb., Oct. 23.—(Special Telegram.)—Sheriff Acton left today for Fremont, Neb., with a warrant for the arrest of Ben Johnson, until recently manager of the Gilbert theater here, who is wanted for the charge of delivering a worthless check amounting to \$9 to E. M. Marvin, editor of the Daily Sun of this city. The complaint charges that Johnson had no funds in the bank to cover the check.
We furnish repairs for all makes of stoves. P. C. VeVoll Hardware Co., 101 West Broadway.

Alliance Merchants All Lined Up for the Market Week

ALLIANCE, Neb., Oct. 23.—(Special.)—The retailers of Alliance have inaugurated Market Week, the object being to provide a week of free entertainment for their customers in the city and country. They have figured that the farmers will be nearly through with their harvesting and will be looking for fall goods and the plan of a Market Week was decided on at a meeting held recently. The program follows:

Monday, October 25—Exhibition by the fire department, 8:30 p. m., dance at opera house for the people of Alliance, fiddlers' contest.

Tuesday, October 26—2 p. m., barbecue. 8 p. m., band concert.

Wednesday, October 27—1 p. m., horse novelty race. 3 p. m., poultry show.

Thursday, October 28—10:30 a. m., horse show. 4 p. m., parade. 8:30 p. m., dance at opera house for visitors, farmers, ranchmen and business men of Alliance.

Friday, October 29—8 a. m., Better Baby contest. 1 p. m., battle royal. 8 p. m., mock trial.

Saturday, October 30—Dollar day. 10 a. m., animal and Filipino parade. 1 p. m., boys' and girls' races. 3 p. m., matinee at Empress.

A large number of men have entered for the fiddlers' contest. The Ford novelty race for Wednesday is something new and a large number of entries for the poultry show Wednesday have been made.

G. L. Carlson of Norfolk has charge of the horse show and the parade in the afternoon is going to be the biggest event seen in Alliance.

The Better Baby contest Friday is to be conducted under the rules of the Women's Home Companion and three silver cups will be given as prizes. The battle royal is going to be a warm one. The free dance, Monday evening and Thursday evening for the country people, has already attracted a great deal of attention. The animal and Filipino parade Saturday will be a big day.

Fremonters Agitate Hotel Proposition

FREMONT, Neb., Oct. 23.—(Special.)—At a special meeting of the Commercial club Thursday evening, it was voted that the members were in favor of a new hotel for Fremont. Three propositions were submitted, but none of them was accepted by the business men. A committee was named to make further investigation of the hotel question.

TEN WEEKS IN BED—EMINENT PHYSICIANS FAILED—WONDERFUL RECOVERY.

I wish to inform you of the great benefit I have derived from the use of Swamp-Root. I had been a sufferer for more than twenty years from kidney and liver trouble and was almost constantly treated by the most eminent physicians who could only give me temporary relief. I had been in bed ten weeks when I began the use of Swamp-Root. Inside of twenty-four hours I could see that I had been greatly benefited. I continued to use Swamp-Root until I had used several bottles when I really felt that my old trouble was completely cured and I am positive that any person suffering with kidney or liver trouble can be cured by the use of this preparation.
I am now in the best of health, better than I have been for ten years or more. I do not know how to express myself as strongly as I desire, in favor of Dr. Kilmer's Swamp-Root, as I am sure that it saved my life and that my good health is due entirely to this great remedy. I heartily recommend it to every sufferer and am confident they can be benefited as I have been. It is a pleasure for me, gentlemen, to hand you this recommendation.
MRS. H. J. PRICE,
1400 Center St., Portsmouth, Ohio.
Personally appeared before me this 13th of September, 1909, Mrs. H. J. Price, who subscribed the above statement and made oath that the same is true in substance and in fact.

R. A. CALVERT,
Notary Public.
Letter to Dr. Kilmer & Co., Binghamton, N. Y.
Prove What Swamp-Root Will Do For You. Send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample size bottle. It will convince anyone. You will also receive a booklet of valuable information, telling about the kidneys and bladder. When writing, be sure and mention the Omaha Sunday Bee. Regular fifty-cent and one-dollar size bottles for sale at all drug stores.—Advertisement.

Governor Urges Fire Prevention Day Be Observed in State

(From a Staff Correspondent.)
LINCOLN, Oct. 23.—(Special.)—A proclamation issued by Governor Morehead for the observance of Fire Prevention day, November 5, has been issued in conjunction with a bulletin from the office of Fire Commissioner Ridgell, asking schools and civic organizations to make a clean-up day of the occasion. Commissioner Ridgell advocates fire drills in school, and programs of such a nature that the children would be impressed with the propaganda of fire prevention.

Pushing Work on The State Normal

KEARNEY, Neb., Oct. 23.—(Special.)—Two shifts of men are working on the new normal school auditorium, air lights being used by the night force. The concrete work is giving the contractor a little anxiety because of the approach of cold weather and the double shifts are being worked in consequence.
