HANLON TO PASS UP CALL FROM O'NEILL

Sioux City President of Western League Club Says "Tip" No Longer at Head

HANLON TO ISSUE IT

Sioux City, Oct. 28.—(Special)—The wait ends for the Nebraska game, which started with the usual Ames-Nebraska game, then swamps the athletic office, stands of seats were sold and reserved, and student activity tickets reserved on Monday, the first day of the sale, and it looks as if the 6,000 seats in the concrete stands would be taken, and as if it will be necessary to take the state gym portable bleachers, seating 1,000 more, onto the field.

Having so many cripples on hand Coach Mayeur will use practically the same lineup against the Cornhuskers as he sent against Marshall. He may do some shifting, but he will start the Husker game with an eleven picked from this first string: Jim fullback; McKinley, guard; Daniel, halfback; Deffen, guard; Miller, center; Howe, tackle; Holmes, guard; Denfeld, tackle or full; Aldrich, half; Jones, one; Max, halfback; Ross quarterback; Evans, halfback, and Navy, guard. Mayeur does not include the big center, John, in the squad, and he may not get in the game at all.

The Nebraska game is the homecoming game of the season. Hundreds of the old grads and near grads will be back to see Nebraska in action, not against the most mortified Ames team of their memories, but the wonderful Husker machine will draw many of them.

Governor and Mrs. Clarke and President and Mrs. Rayburn of Ames will occupy a box at the game. The Ames and Nebraska bands will compete on a platform on their respective sides of the gridiron. Nebraska has asked for a reservation of 150 seats in the stands and accommodations for the band.

The Nebraska alumnae are requested by Secretary Ward Jones of the Ames Alumni association to register in Central Hall Saturday morning and the Ames alumnae to register in alumni hall, the association office.

Edward Hanlon returned to practice Thursday evening. It was thought at first that he would be unable to take part in the Vicksburg game, but he arrived Friday and was received by his men of condition.

The High School Reserve will go to Lincoln, Saturday, and tackle the high school team of that town.
