

CARRANZA FORCES NEAR AGUA PRIETA

Villa's Army is Hemmed In Near Border and He Must Offer Battle Soon.

U. S. TROOPS GUARD BORDER

DOUGLAS, Ariz., Oct. 29.—Additional artillery was received here today for the defense of Agua Prieta. Sonora, just across the border, against an expected attack by Villa forces and word was received that 5,000 Carranza troops were coming to strengthen the garrison commanded by General P. Elias Calles.

Twenty-five hundred men, with their arms in hand in a sealed car, will arrive here from Piedras Negras tonight or tomorrow, it was stated by Rodolfo Garduna, Mexican consul here. A similar force will follow Sunday or Monday.

Sixteen seven-five-millimeter or three-inch guns and twenty-two machine guns arrived here today in bond for General Calles, Consul Garduna said.

Villa Forces Expected Soon.

The Villa forces have not been sighted yet, but an attack is expected at any hour. Villa's situation, it was stated, will permit no alternative, but to fight in a country practically without water, with scant provisions and no excess ammunition. His forces are between the border and the Carranza troops under General Diegues, which are reported moving northeastward from the Guaymas district in southern Sonora. In Diegues' path, however, is Urbalejo with 800 Yaqui Indians holding Anavacochi pass, fifteen miles west of here.

It is believed in some quarters that Villa's original intention was to attack Douglas itself in order to precipitate intervention, but with approximately 6,000 American soldiers on guard with sixteen three-inch guns, this contingency is regarded now as a thing of the past.

Seven American employees of the El Tigre Mining company, who left El Tigre, southeast of here, Monday, have not been heard from. Friends of the men express themselves as worried, but it is expected the men are being held by Villa troops around Fronteras to prevent information of Villa's movements reaching the border. A detachment of fifteen Mexican soldiers, supposed to be Villa forage party, drove off several head of cattle and horses from the Slaughter ranch on the border twenty miles east of here last night.

Brigadier General Thomas E. Deavie, of the Sixth Infantry Brigade, assumed command of the United States troops here. It is said that Major General Frederick Funston will arrive soon to take command.

Carranza Forces Delayed.

EAGLE PASS, Tex., Oct. 29.—It is expected that the 5,000 Carranza troops to be sent from Eagle Pass, Tex., to Douglas, Ariz., to reinforce the Carranza garrison at Agua Prieta, across the international line will leave on special trains over the Southern Pacific this afternoon.

Cannon, arms, ammunition and supplies have been loaded on the American side. Railroad officials have been at work day and night, assisting in the entraining Mexican military authorities had expected to have their own train crews operate their own trains through the United States; but railroad officials announced this could not be done. The delay is dispatching the troops is attributed partially to this.

Villa Leader Will Not Save Americans

DOUGLAS, Ariz., Oct. 29.—Two developments in the Mexican situation stirred civil and military authorities along the border today.

Carlos Randall, Villa governor of Sonora, was reported upon reliable authority to have issued a proclamation from Cananea to the effect that since the United States had seen fit to recognize Carranza, Villa authorities were not responsible for the lives of Americans in Sonora.

Urbalejo, the Yaqui Indian chief, demanded \$25,000 from Ipece Randolph, president of the Southern Pacific railway of Mexico, under pain of destruction of the railroad's property if not paid.

The time limited expired last night at 6 o'clock, but so far as known no property has been destroyed yet.

Americans in Cananea and eighteen in El Tigre, some of whom already are in the hands of Villa troops, are believed to be facing a critical situation as the result of the Randall proclamation.

Urbalejo's demand caused some apprehension at Naco, Ariz., west of here, opposite the Mexican town of Naco, Sonora, now in Urbalejo's hands. Seventeen carloads of oil are standing in the railroad yards on the Mexican side. If fire were set to these the burning oil, because of the nature of the ground slope there, would flow into the American town. Tension among American troops at Naco has been relieved by Urbalejo's failure to execute his threat.

TRACTOR EXHIBITION AT PAGE INSTITUTE

SHENANDOAH, Ia., Oct. 29.—(Special.)—Six big tractors plowing five acres per hour in a sixty-five-acre field on the farm of Lewis Annan, with hundreds of farmers in automobiles looking on, and not a horse in sight, was a remarkable spectacle yesterday afternoon at the Page County institute. One tractor with two plows was pursuing its way unattended back and forth across the big field with 30 men near, except to turn the machine at the corners. Another machine turning three furrows was driven by Miss Catherine Annan as gracefully as if she was motoring, although she had had only a few minutes' instruction.

GIRL OF FOURTEEN IS WEDDED AT SHENANDOAH

SHENANDOAH, Ia., Oct. 29.—(Special.)—A bride of 14 years old, the youngest age permitted to wed under the laws of Iowa, was the experience of Miss Anna Lela Goodwin, who was married at Clarinda yesterday. Accompanied by her fiancée, James William Roberts, she came to the county clerk's office to secure a license, bringing a written permit from her mother. The license was denied, but not to be bluffed, they drove to the home at Hepburn, where the father's consent was also obtained in writing. They returned shortly after dinner in triumph and secured the license. The husband is 25 years old.

BRIAND IS FORMING CABINET

Viviani Ministry Meets and Submits Resignation Collectively to President Poincare.

PREMIER REVIEWS SITUATION

PARIS, Oct. 29.—President Poincare today received the formal collective resignation of the entire Viviani ministry, giving official form to the decision of the cabinet yesterday to retire. The president requested Aristide Briand to form a new cabinet.

At a meeting held in the foreign office this morning under the presidency of M. Viviani, the decision was reached to submit the resignations collectively. M. Briand immediately took up the work of forming a new ministry, which already was well advanced in anticipation of President Poincare's formal request.

Briand Calls Council.

One of M. Briand's first conferences brought together former Premier Emile Combes, Leon Bourgeois and Jules Méline, Deslys Cochin, Alexandre Ribot, Marcel Sembat and Jules Guesde, members of the present cabinet, and Etienne Clementel and Prof. Paul Painleve, all of whom were expected to figure in the personnel of the new ministry, together with other prominent leaders who did not attend the conference.

M. Briand conferred later with Jules Cambon, who was ambassador to Germany at the outbreak of the war and is expected to take an important part in the Briand ministry as general secretary of the foreign office. In this capacity he is to give special attention to diplomatic questions arising from the war.

M. Briand requested his colleague to confer again with him late in the afternoon, when it was expected a definite conclusion would be reached concerning distribution of the various portfolios.

Premier Reviews Situation.

M. Viviani's letter of resignation reviews the difficulties which he has encountered since an important group in Parliament insisted upon secret sessions of the Chamber of Deputies, which he disapproved. The letter also points out that more than 150 members of the chamber declined to vote on his recent request for a vote of confidence.

Under the circumstances, M. Viviani said, he and his colleagues were united in the belief that there should be constructed a cabinet which would secure unanimity and consolidate all elements around the government.

"I think that another person could better accomplish this purpose of unification," M. Viviani concluded, "and for that reason I submit my resignation and that of all of my colleagues."

John W. Considine Says He Is Broke

SEATTLE, Wash., Oct. 29.—John W. Considine, member of the theatrical firm of Sullivan & Considine, who a few years ago was reputed a millionaire, testified in the superior court here today that he was entirely without means and that he owed \$50,000.

He was being examined in supplemental proceedings as to his ability to satisfy a judgment for \$2,500 obtained against him on September 10 by George Rubison on an unpaid note signed by Considine. Considine said he had used every means to raise money, even seeking to mortgage his theater here, but in vain. He said he had sold his diamonds and parted with everything that would bring money. Considine was discharged.

KING OF ENGLAND THROWN BY HORSE

British Monarch Slightly Injured During Review of His Troops in France.

CHEERING SCARES HIS MOUNT

LONDON, Oct. 29.—King George was thrown from his horse and severely bruised yesterday morning.

The following announcement was made:

"While the king this morning (Thursday) was inspecting his army in the field, his horse, excited by the cheers of the troops, reared up and fell. The king was bruised severely and will be confined to bed for the present.

Later Information.

A latter bulletin under today's date says: "The king has had a fair night, with some sleep. The temperature is now 99.1 and pulse 78. His majesty's general condition has improved and no complications have arisen."

It is understood that the accident to the king was not serious, although no details have been made public beyond those disclosed in the official announcement.

Announcement was made on Monday that King George was in France, having gone to visit the British army. On Tuesday the king, with the Prince of Wales, President Poincare and the then French war minister, Alexandre Millerand, reviewed the British troops. He then called on General Joffre and witnessed a review of French colonial troops.

State Falls to Fix Blame.

Acting Chief Neal of the state police, who concluded his investigation today, announced that no one had been found criminally responsible for the fire. He said that while the building was badly constructed, it complied with the essential requirements of the law.

"The real fault in the building was the fact that all the stairs led toward the center of the building and not toward the exits," said Chief Neal.

"I am convinced that the inspectors did their duty. The investigation so far as the state is concerned, is over."

One of the many theories advanced today to explain the origin of the fire was that the sweepings kept in the basement store room where the blaze is believed to have started, may have contained match heads dropped on the floor by some of the boy pupils.

Ten Druggists Fined For Selling Drinks

DES MOINES, Ia., Oct. 29.—The doom of so-called "temperance drinks" in Des Moines was announced by District Judge Hubert Utterback today, when he fined ten druggists, all of whom were charged with contempt of court in that they are alleged to have sold malt drinks or cider since being enjoined for selling beverages.

containing alcohol. One druggist was fined \$50 and others \$20 each. This court ruling was taken to mean that he will grant permanent injunctions against ninety-five other druggists who were recently arrested in raids by anti-saloon league detectives.

Memorial Service for Miss Cavell is Held in St. Paul's

LONDON, Oct. 29.—A service at St. Paul's cathedral today in memory of Miss Edith Cavell, the British nurse who was executed in Brussels, was attended by a throng which recalled the funeral of Lord Roberts at the cathedral almost a year ago.

Before 8 o'clock a great crowd stood shivering in the first cold fog of the season awaiting the opening of the doors. Shortly after 10 o'clock signs bearing the words "Church Full" were hung at all the doors except the one reserved for ticket holders.

Conspicuous among the crowd which waited patiently in the gloomy fog until the doors were opened was a large number of wounded soldiers attended by Red Cross nurses. The somber clothing of the congregation which packed the great edifice was relieved here and there by spots of color of the uniforms of soldiers and sailors, when military and naval dignitaries took their places.

The only other seats reserved were for the lord mayor, the diplomatic corps of the entente allies and 600 of Miss Cavell's fellow nurses.

The service was begun with the "Dead March," played on the organ. Then came "Abide With Me," by the First Life Guards band. Except for the Lord's prayer and the reading of one lesson, the service was entirely musical, no sermon being delivered.

King George and Queen Mary were represented by Edward W. Wallington, groom-in-waiting to the king; Queen Alexandra by Earl Howe and Field Marshal Earl Kitchener by Surgeon General Sir Alfred Keogh, director general of the British medical service.

Among the other prominent persons present were the premier and other members of the cabinet, representatives of Canada and the other dominions, the Belgian minister and Admiral Lord Charles Beresford. Miss Cavell's mother, other members of the family and deputations of various Red Cross, ambulance and nursing organizations also attended the service.
