At the height of the season we dare to come forward with a sale of such astonishing nature. Some may call it sensational, but it is always the aim of Brandeis Stores to keep a step or two ahead of what others are doing, to do things on a broader, bigger and better scale than they have ever been done before.

It is so appropriate to the time, the season, the conditions and our customers' desires, that we are sure a large volume of business will counteract our price concessions.

*Every smart model that is known this season will be represented in one or the other of the different lots, and each lot contains new suits never before shown*

**These Suits are Fur and Braid Trimmed**  
include broadcloths, gabardines, poplins, etc., in all colors and all sizes.

We also offer choice of any of our imported and copies of imported suits, at prices very much reduced.
