

PLANNING BOARD IS NAMED BY CITY

George T. Morton, George B. Prinz, E. Buckingham, T. A. Fry and George Brandeis Members.

FOR FUTURE DEVELOPMENT

George T. Morton, George B. Prinz, Everett Buckingham, Thomas A. Fry and George Brandeis have been appointed by the city council as members of the new City Planning commission, their terms to run for one, two, three, four and five years, respectively.

The council will take formal action Thursday morning. These selections were made in executive session. The members of this new commission will serve without pay.

Mr. Morton is a member of the real estate firm of Harrison & Morton and Mr. Prinz is an architect. Mr. Buckingham is general manager at the Union Stock yards and president of the board of governors of the Knights of Ak-Sar-Ben. Mr. Fry is a member of the Board of Education. Mr. Brandeis is manager of the mercantile establishment bearing his name.

Power of Commission.

The law enacted by the last legislature provides that "said commission shall acquire or prepare a city plan and shall have power to carry out and maintain said plan after its adoption by the city council." The law further provides that the commission, "acting for the city and through the city council, may acquire by gift, purchase or condemnation, real estate for laying out and enlarging water ways, streets, bridges, boulevards, parks, parks, playgrounds, sites for public buildings and property for administrative, institutional, educational and all other public uses for reservations in and about and along and leading to the same."

In theory, at least, it is expected that the commission will be the guide and arbiter in matters of future development and growth of the city. These men will sit in judgment upon the location of an industry, for instance, in a neighborhood where such location may be inimical to the best interests of the immediate vicinity. Matters of public health and welfare will be within the scope of the commission.

At the first of the year a city forester will be appointed for work in connection with the program of the planning commission.

The commission will have a comprehensive plan drawn before entering upon definite work. It will be six months or more before such a plan can be prepared.

Omaha Couple Will Hold Open House on Golden Anniversary

Mr. and Mrs. C. T. Evans, 424 Lake street, issued an open invitation to all their friends to attend a reception at the home Friday afternoon and evening in honor of their golden wedding anniversary.

Mr. and Mrs. Evans have not issued an invitation list to the anniversary reception, but declare that it will be strictly "open house" and any of their friends will be cordially welcomed. Mr. and Mrs. Evans were married in Omaha in 1865 by Lorin Miller, father of Dr. George L. Miller. After the marriage the couple went to live on a Nebraska homestead, but returned here in 1887 and have remained in this city ever since.

Mr. Evans came to Omaha in 1855 with his parents, but in 1856 his parents moved to a homestead in Cedar county. Mr. Evans came back to Omaha in 1861 and lived here until his wedding in 1865. Mrs. Evans was formerly Miss Mary Ellen Kincaid.

Mr. and Mrs. Evans have three children, Anson Evans, Mrs. E. Holovtchiner and Mrs. J. H. Wallace. The latter two reside in Omaha.

Calls Woman Who Was Shot a "Love Pirate"

Declaring that Mrs. R. E. Campbell, the woman who was shot by R. M. Smith Sunday, was a "love pirate," Mrs. E. Brattner, 4466 Greer avenue, St. Louis, has written Chief of Police Dunn, beseeching the chief to find her husband who, she believes, followed Mrs. Campbell to Omaha.

The St. Louis woman writes the chief that she has a suit against Mrs. Campbell for the "theft of her husband's affections."

Funeral services for Mrs. Campbell will be held Wednesday afternoon from Bratley & Dorrance's chapel at 2 o'clock, with burial in Forest Lawn cemetery.

OMAHA CHARITIES TO HAVE CLEARING HOUSE

Another step toward co-operation among Omaha's charitable organizations was taken at the noonday luncheon meeting of the Associated Charities advisory committee at the Commercial club rooms. It was decided to establish a "clearing house" of all the local charity institutions. A card index of all charity cases will be kept, which will be available to all the organizations, and will prevent duplication in charity work and insure merit on the part of applicants, before aid is extended.

For the present, the "clearing house" will be conducted under the auspices of the Associated Charities, advisory board, of which Rabbi Fredrick Cohn is chairman and Mrs. George W. Doane secretary.

Rev. D. E. Cleveland, assistant pastor of the First Congregational church, was a guest at the meeting and offered to supply workers from the "Billy" Sunday gospel teams to help in local charity and institutional work, especially among boys.

Branchitis.

When a severe cold settles on the lungs it is called bronchitis. There is danger of its leading to broncho pneumonia, and for this reason it is always best to go to bed and take Chamberlain's Cough Remedy as directed until well along towards recovery. Mrs. Chari E. Woodard, Sandy Creek, N. Y., writes: "Chamberlain's Cough Remedy cured me of bronchitis in least fall. When I began using it I was so hoarse at times that it was difficult for me to speak above a whisper. I resorted to the use of this valuable medicine and found it very soothing and healing. In a week's time I was well." Obtainable everywhere.—Advertisement.

Three Firemen Are Injured in Fire that Destroys Coal Yard

An assistant fire chief and two captains were badly burned Wednesday when fire thought to have been started by tramps in the south yards of the Sunderland Coal company did damage to the extent of \$10,000. Assistant Fire Chief Dineen and Captains Nels Anderson and Phil Miller were burned about the hands and face in their efforts to save the other buildings.

Nearly all the teams and wagons were out of the yards at the time and the horses that were in the barns were saved.

J. A. Sunderland, president of the company, says that the burned buildings will be rebuilt at once.

Mail Clerk to Take Cruise as Member of Naval Reserves

R. L. Green of Lincoln, a railway mail clerk, is the first in the local naval reserve body to take advantage of the provisions made by the naval reserve law and has just left for San Francisco, where he will join the battleship Oregon for a month's cruise in the Pacific. His pay as a mail clerk will go right along and he will get paid also for his services in the navy and all his traveling expenses.

E. T. Nelson of Sloan, Ia.; A. B. E. Ove of Omaha and J. W. Watt of Omaha will leave soon for cruises in the Pacific under the provisions of the naval reserve act.

FUNERAL OF MRS. WILSON WILL BE HELD TODAY

Funeral services for Mrs. George T. Wilson, wife of the manager of the Omaha store of Browning, King & Co., who died Monday morning following an operation, will be held at 2 o'clock this afternoon from the residence at 322 Foye street.

Rev. James Franklin Young, now pastor of the Westminster Presbyterian church and formerly pastor of the church Mrs. Wilson attended in Carthage, Ill., will conduct the services. Interment will be in Forest Lawn cemetery.

BUSINESS MEN'S CLUB OF NORTH SIDE ORGANIZED

The Business Men's club of Lake and Twenty-fourth streets is the name of a new organization launched Monday evening. The officers are J. A. Edholm, president; Willis C. Crosby, vice president; L. M. Bunce, secretary; A. C. Adams, treasurer. Frank J. Carey, T. C. Rich and J. F. McLaine were appointed as a committee to prepare by-laws. The rechartering of Twenty-fourth street, north of Parker street, will be considered at an early date.

BURGLAR IS BOUND OVER TO THE DISTRICT COURT

Ellis Johnson, charged with breaking and entering the home of C. C. Kendall, 24 North Seventeenth street, and stealing \$50 worth of property, was bound over to the district court, with bonds fixed at \$1,000. George E. Harris, arraigned on a charge of bigamy, is held pending trial in the district court, with bonds fixed at \$1,000.

Mrs. Doane Appeals for Shoes for the School Kiddies

Dozens of little Omaha boys and girls are unable to attend school and are actually suffering for lack of good shoes to wear, according to Mrs. George W. Doane, secretary of the Associated Charities. She appeals to generous Omahans to send good shoes to the Charities in order that the poor youngsters may be shod.

Enroll Night High Pupils This Week

Those wishing to enter the new evening high school authorized by the Board of Education may register on Thursday, Friday and Saturday evenings of this week at the High School of Commerce from 7:15 to 9:15 p. m.

The school will be started next Monday evening at the High School of Commerce and will be open Monday, Wednesday and Thursday evenings each week.

Entrants must have passed the usual eighth grade requirements to be eligible. Diplomas will be issued for three years' satisfactory attendance. The superintendent estimates an attendance of nearly 600.

UNION MUSICIANS ONLY TO PLAY IN AUDITORIUM

The city council agreed to recognize unionism in any manner necessary to operate the Auditorium without clashing with union labor.

An effort will be made to patch up differences with the Musicians' union by officially declaring that none but union music shall be allowed in the Auditorium when the same is for pay.

THREE LASSES UNDER AGE GIVEN LICENSES TO WED

Three brides among nine named in marriage licenses issued today are not yet of age. They are Miss Josephine Zavrel, 17; Miss Ullea Riddle, 16, and Miss Eliza-eth Petersen, 17, all of Omaha.

A MIGHTY good doctor says to me once: "When it comes to curin' folks Nature is the real M. D. I'm only her assistant." That's the way I feel about curin' tobacco for VELVET.

Velvet Joe

IT'S hard to show Nature anything about curing tobacco. So we have adopted Nature's own way to make VELVET the smoothest smoking tobacco—slow, patient ageing.

By no known method can men put into tobacco any finer pipe qualities than those Kentucky's limestone soil so richly gives to the Kentucky Burley leaf.

But these qualities can be improved. They are brought out in their fullness in the aged-in-the-wood mellowness of cool, slow-burning VELVET.

For two years the finest Burley leaf remains in wooden hogsheads, and then only is it ready to be made into VELVET. Artificial methods are quicker but:—

Get your tin now—join the growing ranks of the army who have found VELVET tobacco a delight without a single drawback.

Panama-Pacific Exposition's Highest award—The Grand Prize—has been awarded to VELVET "for its superior quality."
