CREIGHTON GRADS SCATTER

Dentists from Last Year's Class Flock in Every Direction.

CREIGHTON DENTS HONORED

Several Elected Officer in Nebraska State Dental Society Others Pinced on Committees of Society.

The graduates of the Creighton dental college have chosen their locations for practice over a wide spreading territory. Pour are practicing in Omaha, of whom Drs. Screnson, Carroll and McCann have offices in the City National Bank build ing and Dr. Kelly in The Bee building Three are located in Iowa, Dr. McGrane being in Sioux City, Dr. Gogerty in Waterioo and Dr. Coy in Hamburg. Dr. Denton resides in Kansas City, and all the others are scattered through the towns of Nebraska, Dr. Fleming being Wynot, Dr. Rogers in Scribner, Dr. F. S. Taylor in Arlington, Dr. Mowry in Tecumseh, Dr. Meyers in Blair, Dr. Loretta White in Norfolk, Dr. Allen in Emerson, Dr. Warder in Friend, Dr. Doyle in Greeley and Dr. Runyan in Meadow Grove.

Creighton Men Officers. Among the new officers of the Ne braska State Dental society are several Creighton men. Dr. H. E. King of the Creighton College of Dentietry has been re-elected treasurer. Drs. Bruening and Shearer are assistant superintendents of clinics, and the former is also chairman of the annual. of the history committee, Drs. A. D. Davis, D. D. S., 1911, of Oxford, and M. E. Pettibone, D. D. S., 1909, of O'Neill, Dr. C. E. Boizell, D. D. S., 1910, of Stanton, is a member of the committee on

arts and inventions. Creighton Notes. Dr. G. W. Hamilton, formerly superin-tendent of the clinic at the Creighton dental college and professor of pros-thetic dentiarry, is seriously ill with ty-phoid fover.

Father Rigge, dean of the physics de-partment of Creighton, has a record-breaking college class in physics this year, Sixty-four students are taking the course, exactly twice the number of last

Dr. R. J. Straeten, who graduated from Creighton medical in 1996 and has since been in the service of the United States medical corps, is now on the U. S. S. Tennessee. During most of the last year he has been stationed at Vera Cruz. Dr. J. H. Wallace, president of the National Association of Denial Examiners, was lately a visitor to the Creighton College of Dentistry, and he expressed his antisfaction and pleasure at the new equipment installed in the intirmary.

Dr. W. L. Shearer, member of the fac-uity at the dental college, who attended the international dental meeting in Lon-don, which was interrupted by the break-ing out of war, thinks the status of dentistry in London could be much im-proved by the establishment of dental colleges conducted on the American plan-A cirious custom he noticed is that in England dentists discard the title "doc-tor" for the apparently more honorable one of "mister."

UNIVERSITY OF OMAHA

A new name was selected for the Metthe University of Omaha publication. Hereafter the paper will be known as the Gateway,

As the Gateway club is the official ocater organization of the school, mem ers of the newly-elected staff thought it ore appropriate to call the paper the Gateway, as it reflected the activities of the university in a more general way Besides the elected staff, including Edwin Reils, editor; Ruth Peters, assistant editor: Jacques Rieur, business manager, and Robert Hughes, assistant business manager, the following students will help on the publication:

Samuel Slotky, athletics: Maryalice dwell, alumni; Effic Ciciland, social; Gladys Talmadge, locals; Dorothy Scott, Young Women's Christian association; Roy Greeling, Young Men's Christian association; Mrs. Waters, dramatic club; Will Thompson, chorus; Oldham Palsley, Gateway club, and Marion Pearsell, Pearl Gains and Edward Morey were also elected associate editors. The Gateway will be in magazine form

of Future

Much thought has been given in late are to the subject of maternity. In a cities there are maternity hospitals upped with modern methods. But it women prefer their own homes and the towns and villages "nut prefer in. And since this is true we know in the great many splendid isters itien on the subject that our "Mother's isno" is a great help to expectant sheer. They write of the wonderful lef, how it seemed to allow the issless to expand without undue strain d what a splendid influence it was on a nervous system. Such helps as fother's Priend" and the bruader owiedge of them should have a helpful hience uppn bables of the future. Issue and builds its character from the containty will transmit a more atthful influence than if she is examined nervous from undue pain. This what a host of women believe who of "Mother's Friend" is sold in all drug rea. Write for book. Braddeld Regulation, all Lamar filch. Atlanta 68.
