YOUNG FARMERS ON TRIP

Delegation of Twenty of Them from California Call on Governor.

ASHLAND HAS PHONE KICK

People of that City Dislike Increase in Cost of Service—Progressives Dislike Charge Dema Help Pay Expenses.

(From a Staff Correspondent.)

LINCOLN, Oct. 23.—(Special.)—A delegation of twenty boys, representing the prize winners in an articular contest carried on by the University of California, in charge of B. H. Crocheron, state leader of the California Agricultural college, and escorted by Chancellor Avery of the University of Nebraska and Prof. C. W. Fugatey of the agricultural farm, called at the office of Governor Morehead today to pay their respects to the Nebraska executive.

The boys are traveling in a special car and the expenses of each is paid by the town in which the boy resides who won of the prizes. They expect to cover more than 8,000 miles, and the trip will extend into Canada and Mexico, before returning to California. They left this afternoon for Omaha.

Ashland Has Kick.

The people of Ashland are dissatisfied with the cost of service being given at that place by the Lincoln Telephone company. A year ago the company inaugurated the metallic service and abolished the grounded service. The people are kicking because the modern service comes higher than the old system and have asked the commission to compel the company to reinstate the old style. The company objects to being put to the expense of putting in the old system and a hearing was held today before the railway commission on the matter. About two dozen people from Ashland are attending the hearing.

Denies Demas Pay Cost.

Manager Corrick of the progressive state committee objects strenuously to a report published in Grand Island that democrats bore the expense of the Sackett meeting which was held there this week. In communication with the party who had charge of advertising the meeting over the telephone this noon Mr. Corrick was informed that get a cent was received from any democrat and that expenses were paid by sure enough bull moosers.

State Bar Commission.

The supreme court today appointed the following members of the state bar commission: Walter L. Anderson, secretary, Lincoln; A. L. McCandless, Wymore; N. P. McDonald, Kearney; N. C. Pratt, Omaha; Bernard McNeny, Red Cloud.

Muscle Food for the Hard Toiler

The man who labors hard physically needs nutritious food. He needs a concentrated food—a food that is also easily digested. And the price of the food must be cheap.

That doesn't mean that the hard toiler needs a lot of meat (as many wives think) for there are other foods equally if not more nutritious.

Take Faust Spaghetti, for example. A 10c package contains four times more nutrition than meat—it is rich in gluten—it is easily digested, and you can make a whole big family meal with a 10c package.

Try it often. Cook the spaghetti for 25 minutes or so with some red, ripe tomatoes. Serve with powdered cheese and bread and butter. Makes bully good eating. Send for recipe book. 5c and 10c packages.

Presbyterians Are Divided Whether to Name Superintendent

MADISON, Neb., Oct. 23.—(Special Telegram.)—Today's session of the Presbyterian state synod was entirely occupied with home missions. Warren Switler, elder of Westminster church, of Omaha, speaking to certain reports on home missions, was twice declared out of order by the moderator, but sustained by the synod, and permitted to proceed. His address created a big sensation.

The difference of opinion is whether there shall be a synodical superintendent or not, there being a strong following in favor of both sides of the issue.

The committee having this subject in charge, at a late hour this evening, had not submitted this report, which was awaited with intense interest. This matter will be definitely decided at this time.

Dr. Charles H. Bradt, representative of the general assembly's committee on foreign missions, delivered a powerful sermon. The ladies of the church served a three-course banquet at the church to the members of the synod this evening, covers being spread for 150 guests. Addresses were made by W. H. Field, mayor and C. E. Burton, president of the Commercial club, while, who responded to by T. C. Osborne, moderator; Warren Switler, president R. B. Crone of Hastings college, and Rev. L. D. Young, pastor of the First Presbyterian church of Lincoln.

The evening session was devoted to the united movement. Rev. Mr. James presiding, and Rev. C. E. Bradt delivering the sermon.

Cass County Sheriff Captures Bandits Near Weeping Water

WEEPING WATER, Neb., Oct. 23.—(Special Telegram.)—Sheriff Quinton captured two hold-up men this afternoon about two miles west of town. The capture was made after a lively little chase, in which the sheriff used his revolver in checking the flight of the pair and inflicted a slight scalp wound on one of them. The men are charged with holding up Will Nestell, a young farmer, living southwest of Elmwood, who was returning home about 10 o'clock Thursday night in his automobile from Elmwood. After relieving Nestell of \$4 in cash and a \$12.50 watch, they proceeded to the town of Wabash, where, it is alleged, they broke into the Hulfish general store and stole some 25-saltbr cartridges for their revolvers and took some clothing and canned goods. Some of this loot, which they dropped along the way as they proceeded eastward, was the means by which Sheriff Quinton tracked them. The men were poorly dressed, and were armed with three revolvers and had on their person, when captured, the money and watch taken from Nestell. The sheriff took them immediately to the county jail at Plattsmouth.

Mr. Bryan Makes Speech at Sidney

SIDNEY, Neb., Oct. 23.—(Special Telegram.)—Secretary of State Bryan addressed the largest audience ever assembled in Sidney on a political occasion at 7:30 this morning at the grounds of the new Cheyenne county court house. He was introduced by Judge Joseph Oberfelder. Mr. Bryan reviewed the achievements of President Wilson and the democratic congress in the enactment of the tariff, currency and income tax measures. Mr. Bryan admonished the people that the test of their loyalty to the president was the support they would give one congressional and state nominee.

DAIRYMEN TO BOOST FOR NEBRASKA AT SHOW

(From a Staff Correspondent.) LINCOLN, Neb., Oct. 23.—(Special.)—The Nebraska Dairymen's association has completed arrangements for many members to attend the National Dairy show at Chicago next week in a body.

Past presidents of the association, H. C. Young, J. K. Honeywell and Prof. A. L. Haacker, and a number of active dairymen like Prof. Franden and W. C. Anderson of the experimental farm, have chartered two sleeping-cars, that will leave Omaha Sunday evening, arriving in Chicago Monday morning and will have breakfast at the Northwestern terminal station dining room, at which time those who have gone ahead will meet the party and will make between fifty and sixty members.

The main object of the trip is to do missionary work at the National Dairy show, to boost and advertise Nebraska as one of the greatest dairy states in the nation and have a large supply of little pamphlets printed that will be distributed at the dairy show, putting Nebraska before the dairymen in attendance, showing the natural resources, in the belief that it will be the means of getting a number of dairymen to come out to Nebraska.

CHURCH MEETING TO ALBION

Congregational State Conference Winds Up Franklin Sessions.

GROWTH REPORTED GENERAL

Emphasis Laid on Support of Schools and Joy of Giving Held Up as One of Best of Christian Life.

FRANKLIN, Neb., Oct. 23.—(Special Telegram.)—The State Conference of Congregational churches closed here Thursday evening. It was one of the largest sessions ever held in the state. Fifty-two ministers and sixty delegates and visitors being present from out of town. It was voted to support a student pastor at the University of Nebraska in Lincoln at a salary not to exceed \$1,500 per year. It was voted that it was the sense of the conference that the bill for a revenue tax on liquor be defeated and that the Hobson bill, for an amendment to the constitution for national prohibition be enacted.

The conference went on record as endorsing woman suffrage. A motion was passed that the churches would support Doane college and Franklin academy in a fair manner.

Meet Next at Albion. Albion was chosen as the place to hold the state conference in 1915.

Rev. W. A. Taylor of Crete spoke on the general theme "The Growing Church." There are 4,086 Congregational churches. Of these, 72 made no report of new members received on confession of faith. January 31 there was a membership of 743,016, making a trifle over 1 per cent gain for the year.

In Nebraska there are 182 churches, 111 reporting gains in membership, while eighty-one reported no gains. On January 31 there was a membership of 17,437 in Nebraska, making a net gain of 108.

Rev. Mr. Tyler believed that personal work for recruits should not be neglected, that churches must evangelize and not dispense with the revival.

Too Little Giving.

Dr. Hitchcock of Chicago spoke on the "Financial Side of the Growing Church." The church is a benevolent institution and there is not enough done in training the young in generous giving. He believed that the habit of giving must be made while young. The church should be business-like in its methods. A missionary committee is an essential in church affairs.

Thursday evening was the Christian Endeavor session. It was in charge of the local junior and intermediate societies, under the direction of the superintendent, Miss Ada H. Hester.

The state junior superintendent, Miss Grace Hooper of Crete, followed the program given by the local society. She told of the coming state convention to be held at Lincoln, November 12 to 15 in connection with the flying squadron, consisting of twelve men who are visiting all the large cities urging that the United States become a saloonless nation by 1920.

Christian Endeavor. She then spoke upon the theme, "The Greatest Asset of the Church," Christian Endeavor was called a training school for boys and girls.

The delegates and pastors were taken on an automobile trip through the town and over the Macon prairie.

Roorback Starts From Omaha Aimed at the Governor

(From a Staff Correspondent.)

LINCOLN, Oct. 23.—(Special.)—The unaligned political roorback has made its appearance in Lincoln, several samples of the same having been sent to the office of Governor Morehead from out in the state from parties who have received the cards.

The communications appear to come from Omaha, but just who is back of them has not yet been discovered. The cards call upon the receiver as a good Catholic to vote for Governor Morehead, because he is a friend to Catholics and has appointed a large number of Catholics to office. It goes on to show or pretends to show that a large majority of the appointments made by the governor are Catholics.

That it is a political trick is disclosed by the fact that while addressed os-

tensibly to Catholics the cards are not sent to Catholics, but to members of other churches.

An investigation of the charges made in the communications, which are printed on a green card, shows that Governor Morehead Chairman Walter A. George of the republican state committee when shown the card today said that it was the first he had heard of it and that the state committee knew nothing about it in any way and that he was opposed to that kind of politics.

Secretary Sprague of the democratic state committee is outspoken in his denunciation: "It looks to me that it was the last despairing cry of a candidate who knows he is defeated and pulls off that kind of a stunt in hope to help himself out."
