## THRILLS IN TEN-MILE RACE

McNeil, Graves and Lewis Finish in Bunch in Free-for-All.

## LEWIS FURNISHES THE SURPRISE

Rider on Class B Machine Makes Class A Riders Hysterical and Even Wins One Second from Fleckenstein and Graves.

A ten-mile free-for-all race, the longest race yet scheduled at the Stadium Speedway, attracted the most attention in the list of events at the Speedway yesterday afternoon. Three of the riders, McNeil, Graves and Lewis, came home in a bunch and inches separated McNeil, the winner, from Graves and Lewis, who finished in that order. Six riders started in the race and the thrills were plentiful as they passed each other time and again in efforts to establish a lead.

Charley Suddeth went clear to the top of the track on one occasion to pass his competitors and a shudder went through the crowd as it seemed as if he would surely hit the perpendicular wall just as he did on the opening day here and suffered slight injuries when the fence broke on him. But Suddeth came to the track although his wheel was but a scant two or three inches from the top.

J. A. McNeil won the race, but he had his troubles. Graves and Lewis were close behind and they pushed him hard.

## Lewis Rides Hard

Henry Lewis was the surprise of the day as he was a week ago. Displaced with the fast class A riders he put up a nifty battle in every race. In one of the match races he came home second trailing dangerously close to McNeil and finished ahead of both Graves and Fleckenstein.

Roy Milner topped two of the French point races. Charles Suddeth won the other.

## McMillen Makes Flights

Aviator Ralph E. McMillen made two flights, one before and one after the racing events. McMillen flew over the city on both occasions and during the early flight, it is said, he took snapshots of the city with a camera.

## The Races

Race No. 1, four miles, French point race; Roy Milner, first; Tex Richards, second; Charles Suddeth, third. Time, 2:04.

Race No. 2, three miles; J. A. McNeil, first; Larry Fleckenstein, second; Morty Graves, third. Time, 1:57.

Race No. 3, five miles, French point race; Roy Milner, first; Charles Suddeth, second; Dave Kinzie, third. Time, 3:25.

Race No. 4, four miles; J. A. McNeil, first; Morty Graves, second; Roy Milner, third. Time, 2:55.

## HISTORY IN MAKING HERE

Base Ball Association Holds Its Most Important Meeting Here.

## MAY DECIDE ISSUE OF FEDERALS

Demands that Will Be Made by Base Ball Fraternity Will Be Considered by Magistrates at Big Meeting.

With one or more representatives from every minor league in the United States and Canada present, and with questions arising which touch upon the very life of organized base ball, the coming meeting of the National Association of Professional Base Ball Leagues, November 10 to 12, will easily be the most important in the history of the game.

That the meeting is considered of great importance is shown by the notifications which have been received by the bureau of publicity of attendance at this convention. Presidents of leagues with their directors, have signified their intention of coming.

Two main factors contribute to the interest in this meeting. One, and the more important, is the Federal league, with its activities of the year just closed. The other is the demands that will be made by the base ball fraternity, which has just strengthened its lease of life by the election of David Fultz as president for a term of three years.

The retention of Fultz as president suggests a continuity of the policy which has maintained for two years, and which has caused the owners of minor league teams, especially, more or less grief, in the main, more.

## Creighton Hopeful Since Last Victory

Creighton's victory over Wesleyan Saturday gives a rosier color to its chances for the season. Without the aid of Herr Platz and Steffan, Creighton romped away from the Methodists.

St. Thomas of St. Paul, Minn., is to be the next victim, and it will be Creighton's first invasion of foreign lands. St. Thomas is light, but very fast, this year. It beat North Dakota State Saturday 7 to 6, and Minnesota only beat the Dakotans 28 to 6, an equal score to that which they ran up on South Dakota, who played Nebraska to a tie.

## Cornell Outplays the Brown Eleven

NEW YORK, Oct. 25.—Cornell defeated Brown at the Polo grounds here today, 38 to 7, the Providence collegians being outplayed in every department of the game with the exception of forward passing. Cornell with a strong line plunging and end-running attack easily surpassed the New England eleven. Brown twice reached Cornell's five-yard line with the aid of forward passes, only to be held for downs when the team reverted to straight foot ball. In the final quarter Brown fell back on the open game, scoring a touchdown by a skillfully mixed attack, in which the forward pass was used repeatedly.

## "Bullet Joe" Bush Blanks Nationals

MISSOULA, Mont., Oct. 25.—"Bullet Joe" Bush, whose development into a big league star commenced when he first joined the Missoula team of the Union association, performed for his admirers here this afternoon in the all-star game, shutting out the Nationals by a score of 9 to 0. Score: R.H.E. Americans..... 9 14 0 Nationals..... 0 3 2 Batteries: Bush and Henry; Vaughn, Alexander and Clarke.

## FORMER FOOT BALL STAR ENGAGED TO BE MARRIED

Engagement of Walter Kronck, former Creighton foot ball star, to marry Miss Nell Creighton of this city was announced at a luncheon given Saturday by Mrs. D. J. Creighton, mother of Miss Creighton. Mr. Kronck is well remembered as a foot ball and base ball player at Creighton, being a member of the famous "pony" backfield which won reputation for Creighton on the western gridiron. He is a graduate of the Creighton Law school, and is practicing law at Schuyler.

## Lexington Defests North Platte

The strong North Platte team met defeat at the hands of the Lexington team in the game of the Lexington team in the Platte valley this season. Platte getting the short end of the season. This decisive victory places Lexington in a position to make a strong bid for the Platte Valley championship. The Lexington team, half and Houser, end, were on the sidelines, due to injuries received in previous games.

## SYRACUSE BEATS MICHIGAN

Wolverines Lose in First Bi-Inter-sectional Game of Year.

## FINAL SCORE IS TWENTY TO SIX

Westerners Make Successive Line Plunges, Then Forward Pass in First Few Minutes of Play.

SYRACUSE, N. Y., Oct. 25.—In the first big inter-sectional football game of the season Syracuse defeated Michigan yesterday by the score of 20 to 6. Fully 10,000 persons saw the game.

If they had a variety of plays, rather than uncovered many of them. The first half of the game saw no scoring. In the second period Wilkins crossed the line for Syracuse only after five successive attempts by himself and Johnson. He failed to kick goal.

Michigan showed its full strength early in the following five minutes. The westerners made successive line plunges, then a forward pass—the only successful one on either side through the game—put them within ten yards of the goal. This was made in one fast run.

Michigan lost its fighting spirit for the rest of the game and allowed Syracuse to score twice.

## FRESHMEN CARRY OFF HONORS IN OLYMPICS

LINCOLN, Oct. 25.—(Special.)—Out-numbering their opponents four to one, the freshmen of the University of Nebraska won the annual Olympic class fight with the sophomores yesterday. So closely fought were the contests throughout, that the victory depended on the final event, the flag pole grip. This was won by the first year men, thus giving them the victory by a score of 42 to 20 points.

## SOUTH OMAHA CROSSES LOGAN GOAL FOR VICTORY

LOGAN, Ia., Oct. 25.—(Special Telegram.)—A touchdown by Foley and kick by Nixon in the first three minutes of play spelled victory for South Omaha High school football team in a fast 6 to 7 game with Logan High school yesterday afternoon. It was the first time in five years Logan's goal line was crossed by an opponent.

## Miss Metz to Wed Klemm Wednesday

Miss Frances Metz will be married next Wednesday evening to Carl Klemm. Announcement was made last night. The engagement was announced some time ago. The ceremony, which will be attended only by relatives and close friends, will take place at the home of Miss Metz's sister, Mrs. Louise Metz Funk. The marriage lines will be said by Rev. T. J. Mackay. Mrs. Funk will be matron of honor and her son, Raymond, will be ring bearer.

## Not So Strange After All

You may think it strange that so many people are cured of stomach trouble by Chamberlain's Tablets. You would not, however, if you should give them a trial. They strengthen and invigorate the stomach and enable it to perform its functions naturally. Mrs. Rosie Ryan, Washab, Washab, Ind., writes, "Nothing did me the least good until I began using Chamberlain's Tablets. It is decidedly the best medicine for stomach trouble I have ever used. For sale by all dealers.—Advertisement.

## Remember Agreement Probable

It is quite probable that an agreement will be reached in Omaha which will go down in base ball history. The Omaha

## FEDS TO STICK, CHIEF SAYS

Will Continue Course, with Financial Backing Assured.

## O. B. B. CAN DO AS IT LIKES

Philadelphia May Get Kansas City Franchise—Catcher of Brooklyn Dodgers Said to Have Jumped.

NEW YORK, Oct. 25.—The Federal league will continue its course with the assurance of substantial financial backing regardless of what may or may not be done by organized base ball.

This was the announcement made tonight by President Gilmore after an all-day session of the club owners of the new organization here had adjourned.

"The league circuit remains exactly as during the last season, but if it is found desirable to make a change, the executive committee will attend to that, and if necessary, another general meeting will be convened either here or in some other convenient city," Mr. Gilmore added.

There was an apparently well authenticated report today that William Fletcher, the catcher of the Brooklyn Nationals, had signed a contract to play with the Chicago Federals next season, but it lacked confirmation by any of the Federal league officials. Second Baseman Cutshaw, also of the Brooklyn Nationals, was said to have been negotiating with the St. Louis Federals, but this could not be officially confirmed.

President Gilmore said he had not received a list of twenty-five major league players from "Larry" Schaffly of the Buffalo club, all of whom were reported to be willing to go over to the new organization.

In regard to a proposed transfer of the Kansas City franchise, proposals were received from prominent men in Cleveland, Cincinnati, West Philadelphia and Toronto of the Philadelphia proposition. It was looked upon with the most favor, as Pittsburgh could then be placed in the western half of the circuit and the playing schedule arranged to much better advantage with the long jump to Kansas City eliminated.

During the day the league championship pennant was awarded to the Indianapolis club, and President J. E. Krause of the winning club said he expected to retain the flag for many seasons to come.

## HOUSTON SUES WIFE

in Papillion Court

## EXPECT 5,000 TEACHERS

Convention of State Association to Bring that Number to Omaha.

Nat C. Houston, vice president of the Great Western Commission company of South Omaha, has brought suit in Papillion for divorce from his wife, Mrs. Clara S. Houston, of Chicago. Mr. Houston has been a resident of Sarpy county several months.

Cruelty is alleged as grounds by Mr. Houston, who asserts that his wife left him in April, 1912, after having been married a little more than a year. He alleges she told him she hated him and married him only for his money and that she resented attempts on his part to coarsen her.

Although the annual convention of the Nebraska State Teachers' association is recognized as a big gathering, few people really appreciate its magnitude. However, an idea of this may be gained from the fact that more than 300 persons will be required just to handle the local arrangements for the sessions. More than 5,000 teachers are expected to attend the convention this fall, which will be held in Omaha, November 4, 5 and 6.

Last year's attendance was 4,885, which is sure of being increased this year by several hundred Iowa teachers, who are planning to visit the Nebraska convention.

Many Coming from Iowa.

A letter to the publicity bureau from Superintendent J. H. Beveridge of the Council Bluffs schools states that 150 teachers will come from that city alone. Little Sioux, Ia., has sent word that all the teachers of that town will attend.

Support being given the convention by school authorities in all parts of this state will also serve to swell the attendance this year. At Aurora the school board has declared a vacation in the schools for the three days of the convention, and has directed the twenty-two teachers to attend the convention, if possible.

A big list of rooms is already prepared under the direction of the publicity bureau and is on file at the Young Men's Christian association, with Secretary A. Remington in charge. Advance reservations received by local hotels indicate that every one of them will be crowded during the session.

Twenty-Nine Meeting Places.

Many committees are at work arranging the details. Twenty-nine different meeting places will be needed for the sessions of the various sections into which the convention will divide after the opening meeting at the First Methodist church. The teachers will register at the association secretary at Hotel Rome upon arrival in the city.

When the assembly separates into its numerous sections, for departmental study, addresses and discussion, practically all the large assembly halls in Omaha will be pressed into use. Among them will be the Central High school and the Creighton auditoriums, the Young Women's Christian association, the Roman Catholic convent hall and several churches and other buildings.

Club Rooms Open.

At its last meeting the Commercial club's executive committee voted to throw open its rooms to the teachers and hold a big reception for them on the last afternoon of the convention.

One of the features of the entertainment being planned is a trip by special Burlington train to the beautiful wooded bluffs along the river, near Child's point. Under the direction of Robert F. Glider and a committee of Omaha men and women, the teachers will be shown the dwellings of prehistoric Nebraskans, and Mr. Glider will lecture. C. J. Ernst of the Burlington has arranged for the special train.

## PARCEL POST MAIL SHOWS A CONTINUOUS INCREASE

Division Superintendent C. A. Reed of the railway mail service states that the parcel post mail is picking up rapidly and will probably break all records this winter. As an example of the rise in the last few months, he cited the week ending August 31, in which 1,344 sacks were received as compared to the week ending October 17, in which 3,399 sacks were cared for. As this is indicative of the retail business being transacted, it shows plainly that in Nebraska business is picking up despite the check caused by the war. Last Christmas week 8,956 sacks of parcel post matter was received and this year the department expects to double the amount.

## CALIFORNIA BOY FARMERS STOP HERE-LITTLE WHILE

Twenty-three students of the High School Agricultural club of California, all prize winners in their agricultural pursuits, were in Omaha a short time Friday night, arriving in a special car over the Burlington and going out over the Rock Island. They are on a tour of the United States and are traveling under the auspices of the Agricultural department of the University of California.

The first stop that the California boys will make will be at Geneseo, Ill., where they will inspect the creameries. From there they will go to Chicago and visit the live stock show. After that they will go to Ithaca, N. Y.; Philadelphia, Washington, Atlanta, New Orleans, San Antonio, reaching home about November 11.

## CARPENTERS' UNION AGAINST WORKMEN'S COMPENSATION

Local union No. 427 of Carpenters and Joiners, has gone on record as opposed to the workmen's compensation act in a resolution in which it declares publication of an article to the effect that Union No. 1273 was for the law was misleading. The resolution sets forth that the latter union does not represent one-tenth of the carpenters and joiners in Omaha. The Central Labor union's stand against the act is endorsed.

## Bank Clearings

Bank clearings in the United States for the week ending October 22, as reported by the Commercial Journal, New York, aggregate \$2,788,346,000, against \$2,956,700,000 last week and \$2,625,305,000 in this week. Last year, Canadian clearings in New York aggregate \$172,160,000, against \$128,461,000 last week and \$192,960,000 in this week last year.
