By MELLIFICIA. Friday, October 30, 1914.

Two large charity benefits will occupy the debutantes, younger set and society matrons this fall. Yesterday afternoon and evening Chambers' academy was the scene of an enthusiastic assembly, 400 in all, which gathered to adopt plans of organization for the success of the coming attraction, "The College Hero," the spectacular and well-known eastern production to be staged here the first of December, for the child saving institute.

Entr'acts will be of special interest during the evening. High school girls will form choruses. Special features will be solos by Mrs. John Potter Webster, and Miss Marlon Kuhn, one of the season's debutantes. Keen interest is manifest as to who will be chosen to fill the unique part made famous by "Vex" Ver Welbe of Chicago, famous hero of the Harvard eleven.

Several names have been suggested, but just who will be so honored is the interesting mystery. Whoever he may be, this "chosen one" will be a really and truly matinee idol the rest of his life—a real personality henceforth, much better than being a fullback any old day, or breaking the seven years' Harvard "hoo-doo."

One dancing group will be headed by Miss Eugenia Patterson, who will have with her, Misses Helen Epeneter, Marjorie Howland, Alice Jacquith, Halcyon Cotton, Eleanor Mackay, Mary Alice Duval, Lucille Bacon, Frances G. Hochstetler, and Messrs. C. G. Selby, Taylor Belcher, Allan A. Tukey and J. Frank Mead.

Mrs. Harold Pritchett will head another group, composed of Misses Mildred Butler, Menie Davis, Daphne Peters, Mary Burkley, Elizabeth Davis and Mrs. Fred Hamilton.

Hallowe'en Dancing Parties.

The Prairie Park association is planning to make its dancing party Saturday evening one of the best and most unique of the season. The club rooms are being decorated in a manner appropriate to Hallowe'en with orange and black streamers and a large number of jack-o'-lanterns. The early part of the evening will be given over to an old-fashioned ghost dance.

The first dancing party of the Week-End dancing club will be given at Chambers' academy Saturday evening.

A Hallowe'en "rube" party will be given at Turpin's academy for the members of the dancing classes and their friends.

The Tel Jed Sokol girls will give a Hallowe'en dancing party Saturday evening at Sokol hall.

Vesta chapter, Order of the Eastern Star, will give a card party and dance at the Masonic Temple Saturday evening.

A masked Hallowe'en party was given by the sophomore class of the University of Omaha Thursday evening at Redlak hall. The rooms of the building were decorated in a fantastical manner, pumpkins, cornucopias and oak leaves being used profusely. A varied program of games kept the students in continual merriment. Girls of the sophomore domestic science class came to the front with their serving of large pumpkin pies and home-made doughnuts.

Jacques Rieur took first prize for having the best mask, being masked as a suffragette. Miss Viola Pierce and Mrs. Waters were accorded second honors, coming masked as witches. The University of Omaha Glee club sang a number of selections. The following had charge of the affair: Marlon Pearsall, Gene Berger, Edward Morey and Roy Greeley.

By LA RACONTEUSE.

The easy lines and suggestive warmth of design in this creation of green velvet trimmed with silver bullion and marten is another striking example of the adoption of the Russian model by the designers.

"Sayings and Doings at Kilpatrick's"

We have just returned from the East and commercially we found they had been very sick—but there is an improvement. In this particular section we should be very thankful, for we are living in the lucky zone—crops good, prices good, demand good, climate good. While our hearts ache for the sufferers over the seas—"MAN MUST STILL WORK, WHILE THE HARBOR BAR IS MOANING."

Time is Flying--54 Days Only Till Christmas

YOU WILL WANT HANDKERCHIEFS. Without any boasting, you will find our stock hard to match. New York deluged our city with samples recently, but when the samples were put up against our goods, their picking was mighty slim—and that's right, for all things being equal, Omaha people should buy at home. On Handkerchiefs we have but little competition at home either. If you think of embroidery or initials you should give your orders before November 6th. Only 5 days more—after that we cannot promise delivery in time for Christmas gifts.

Now men a few words with you. We made a fortunate purchase of **UNION SUITS**—and you are going to profit by it. Silk and Wool Union Suits, value \$5.00—Saturday \$3.45
Mercerized and Wool Union Suits, value \$4.75, Saturday \$2.75
Heavy Wool Fleece Union Suits, value \$2.50, Saturday \$1.65

Men's Shirts, plain and pleated bosoms, worth to \$2.00, at \$1.15

Then, too, we made a lucky buy of Outrig Flannel Night Robes and Pajamas—some one else might have got them—their cash would have been just as good as ours—but they didn't—so Saturday you get \$1.00 Pajamas for 89c
Saturday you get \$1.50 Pajamas for .. \$1.29

Saturday you get \$2.00 Pajamas for .. \$1.59
Night Robes, should be \$1.25, to be sold at 89c
Good glove weather—crisp mornings—chilly evenings—a timely sale of Men's Gloves—heavy Cape, \$1.19 instead of \$1.50.
Best Kasan Cape, \$1.59 instead of \$2.00.

Now an Experiment
We list below six items, every one below values—some at less than the goods can be bought at the mills. We are going to test the faith that is in you. We believe that you believe our statements. If you need or can use any of these six items you will buy Saturday. Only one day.

Special Sale of Women's Gloves All Day

The new college coats for big girls also. Silk Jersey Petticoats—All the wanted shades. \$5.00 the usual price, on Saturday, \$3.95 each.

To clean out the last of the Women's Hats—Saturday from the very special purchase we will place on the tables every one that is left. We counted 104—a few may be sold, but whatever the number, you get them all—trimmed with velvet, ostrich plumes, feathers, flowers. All high grade materials—left from the \$4.50 sale. \$3.00 each Saturday.

Women's Section--2d Floor--Saturday

For the Children

Dresses from cotton wash materials, ginghams, chambrays, etc., just the thing for school—\$2.00 should be the selling price for many—Saturday \$1.29
Blue Serge Dresses, different styles, not every size. If there was, \$5, \$6 and \$6.50 would be the prices, Sat. \$3.75
Chally and other fine wool dresses—nearly all sizes, sold up to \$12.00, each, Saturday \$5.00

We like our neighbors to call on us. We will be glad at any time to show other merchants sale goods, but we despise scoopers—noting manly about that. When you come again, introduce yourselves. You will get a cordial welcome, and you'll feel better.
