Destroyers Rescue Hermes Survivors

DOVER, England, (via London), Nov. 1.—It is ascertained that the British cruiser Hermes, which was sunk by a German submarine yesterday, was attacked twelve miles east by southeast of Goodwin Sands, in the Strait of Dover at 8:15 o'clock in the forenoon.
A number of torpedo boat destroyers and other vessels immediately rushed to the assistance of the wounded ship which floated three quarters of an hour after being struck and then heeled over and sank.
Meantime the destroyers rescued the greater number of the crew of 600 men while other vessels searched the sea in an endeavor to locate the submarine.
Two men were killed by the explosion and nine were injured. About forty others are missing. The survivors were landed here.

"Csernowitz is still held by our troops. The Russian artillery fire is directed especially against the residence of the Greek archbishop, but has produced little effect."

To Darken Hair Apply Sage Tea

A few applications of Sage Tea and Sulphur brings back its vigor, color, gloss and thickness.
Common garden sage brewed into a heavy tea with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant, remove every bit of dandruff, stop scalp itching and falling hair. Just a few applications will prove a revelation if your hair is fading, gray or dry, scraggly and thin. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.
While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur, no one can tell, because it does so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application of two, your hair becomes beautifully dark, glossy, soft and luxuriant.—Advertisement.

Kept Awake With Itching Pimples

Got Larger, Festered and Came to Head. Body, Arms and Hands Entirely Covered. Impossible to Work. Used Cuticura Soap and Ointment. In Three Weeks Well.
Valencia, Ind.—"Almost a year ago my face and neck were entirely covered with sores. First they broke out in small red pimples which itched and distressed me very much. Finally they got larger, festered and came to a head. The itching was so intense and the irritation so bad it kept me awake sometimes during the whole night. My body, arms and hands broke out in the same way. They were entirely covered. I could scarcely bear to lie down. My condition at that time was a pitiful one. At last I gave up my position for it was impossible to work.
"I tried many different prescriptions, getting scarcely any relief and no benefit in the way of healing. A friend advised me to use Cuticura Soap and Ointment which I did. The first application gave more relief than anything, which convinced me I had found the right remedy. They began to heal and the irritation stopped. After using Cuticura Soap and Ointment three weeks I was well." (Signed) Frederic Wells, May 12, 1914.
