

OMAHA WOMEN OFFER RELIEF

Franco-Belgian Society Organized to Help Respective War Victims.

SPECIALIZE IN CLOTHING

Workers Will Make Extra Efforts to Get Warm Apparel Together for Those in the Deventer Regions.

A Franco-Belgian Relief society has been organized among Omaha women, and the following officers have been elected: Mrs. A. M. Borglum, honorary president; Miss Jessie Willard acting president; Mrs. Warren Rogers, vice president; Miss Helen Scobie, treasurer, and Miss Mildred Rogers, secretary.

The object of the society will be to gather clothing for the respective war sufferers and special efforts will be made to get together warm apparel for women and children. When women are willing to contribute their time in sewing the material will be furnished them. Meetings are to be held from time to time and the needs of the occasion voiced.

Cash contributions will be received by the treasurer, or anyone wishing to help in the movement in any way may get full information by calling Miss Jessie Willard, 800 South Thirty-eighth street, Harney 776, or Mrs. O. C. Redick, 294 South Thirty-ninth, Harney 121.

Others who have volunteered "to pitch in and help" are Mrs. E. W. Nash, Mrs. Frank Hamilton, Mrs. C. F. Manderson, Mrs. J. J. Brown, Mrs. Louis Bradford, Mrs. Arthur C. Smith, Harry 121, Page, Mrs. Charles Giffit, Mrs. Thomas Klipschick, Mrs. O. C. Redick, Mrs. C. William Hamilton.

Miss Helen Scobie, treasurer, who will accept cash donations, may be addressed at West Farnam apartments.

ANTIS ASSERT DR. SHAW MADE VOTES FOR THEM

"Anna Shaw's interview as published in the Sunday papers, did our cause a great deal of good," said Mrs. J. W. Crumpacker, Nebraska representative of the National Association Opposed to Woman Suffrage.

"When a leader of the suffrage movement, and one who has received the degree of doctor of divinity, so far forgets herself as to stigmatize worthy women as liars and fools and persons of inferior social rank, etc., we of the opposition feel that such tactics will react upon the suffragists. We believe that this abuse heaped upon the women of this city and state is an illustration to the men of just what they may expect in political campaigns should women be given the ballot. We believe that it is the most convincing argument against equal suffrage that has been presented throughout the campaign in Nebraska."

MRS. GEORGE G. SEAY DIES SUDDENLY AT HER HOME

Mrs. George G. Seay, aged 59 years, 234 Howard street, died at her home Sunday night from heart failure. Deceased was in apparently good health and her death came as a shock to the family. Besides the husband, who is employed at Hayden Brothers, survivors are two daughters, Helen and Agnes, living at home; one brother, James B. Walker, Hastings; one sister, Mrs. Elizabeth Tweedy, 2712 Jackson street.

SON BORN TO MR. AND MRS. CHARLES BROWN IN NEW YORK

Charles Brown, brother of Randall Brown, accompanied by Mrs. Brown, arrived in New York Saturday, according to advices received by Randall Brown. Mr. Brown has been in Europe since the war broke out and has had some trouble in returning to this country. A son was born yesterday in New York.

OMAHA POSTOFFICE SETS REGISTERED LETTER MARK

Postmaster Wharton announces that a new record was established last month, when over 3,000 registered letters were handled at the postoffice. This is the third time in the history of the office that the 3,000 mark has been passed, and the first time that the high average has been maintained when no special occasion is under way. The two former periods recorded in postoffice annals when more than 3,000 registered letters were cared for was during the week following the tornado and Christmas week of last year.

INTERLOCKING SWITCHES KEEP TRAINS IN TOWN

Many women were disappointed this morning at the Brandeis Stores, because of the failure of Madame Milstead, demonstrator of Bon Ton and Royal Wooster corsets, to appear as advertised. It was nearly noon before she began her lectures, but at that many women had waited for her. It was learned that the reason of her delay was the failure of the interlocking switches at the new depot at Kansas City to work, so that no trains were able to get out of the city Sunday night.

WOMAN SUES TO COLLECT ON HUSBAND'S POLICY

Mrs. Philomena Ella has started suit in district court to collect \$1,300 from the Continental Casualty company under an accident policy which her husband, Giuseppe Ella, is alleged to have held in that company at the time of his death last July. The wife states in her petition that Ella, a janitor, died from the effects of a railroad accident in the Chicago, St. Paul, Minneapolis & Omaha depot yards here and that the company refuses to pay the claim.

MRS. J. D. EVANS RECITES POEM AT SUFFRAGE MEETING

At a meeting held in the Swedish auditorium Saturday evening Mrs. John D. Evans, Miller Park Mother Circle grandmother, recited a poem entitled, "God Bless Our School." The poem dipped touchingly into the need of mothers helping in the education of those whom they think best to educate their children. It ended with a plea for equal suffrage.

M. F. Sears Passes Away After Attack of Heart Trouble

M. F. Sears, balliff in Judge Leslie's court, died yesterday at his home, 2308 North Eighteenth street, from acute heart trouble. Mr. Sears was stricken last Thursday and no hope was held out for his recovery by Dr. Mattson, the attending physician.

Mr. Sears was 66 years of age. He had been in Omaha forty-three years, coming here in 1871. He has always been an active member in the Ak-Sar-Ben, and was senior warden in the Church of the Good Shepherd. He was formerly a member of the school board.

He is survived by his wife, one brother and two sisters. The funeral arrangements have not as yet been decided.

Many Seek to Remove Voting Challenges

Many voters crowded the election commissioner's office Monday anxious to register challenges against their registration. The challenges had resulted from removal of voters from one precinct to another, and from other conditions which led to challenges in order to make sure that the voters concerned had a right to cast ballots Tuesday in the general election. A number of judges and clerks of election also swelled the crowd in the office to get banks and instructions for their work Tuesday.

UNI OF OMAHA STUDENTS TO KEEP OUT OF POLITICS

At a meeting of the students of the University of Omaha it was unanimously decided that the school is to keep out of politics and the following action was taken at the meeting: "It is the sense of the faculty and the student body of the University of Omaha that the institution, as such, is not committed to any candidate whatever in the coming election and that it does not wish to be considered as engaged in the candidacy of any candidate, ticket or party, and it hereby disavows any organized effort to that effect."

SHIELDS THINKS WELL OF SAN DIEGO EXPOSITION

Harry Shields of the Wabash is back from the Pacific coast, where he went a month ago with the passenger agents of the railroads of the country. He spent considerable time in California and returns with the impression that the San Diego exposition that opens January 1 is going to be one of the best ever held. According to Mr. Shields, the exposition buildings are about completed and the exhibits are being rapidly installed.

Positively Mucus Croup. Foley's Honey and Tar Compound cuts the thick choking mucus, and clears away the phlegm. The gasping, strangling fight for breath gives way to quiet breathing and peaceful sleep. Harold Berg, Maas, Mich., writes: "We give Foley's Honey and Tar to our children for croup and it always acts quickly." No wonder a man in Texas walked 15 miles to the store to get a bottle of Foley's Honey and Tar Compound. Every user is a friend. All dealers everywhere.—Advertisement.

REGAIN THE MASTERY OVER BLOOD TROUBLE

No Matter How Disheartening You Can Overcome It.

Blood disorders are quickly checked by S. S. S., the famous blood purifier. It rushes into the blood and in three minutes has traversed the entire circulation. It penetrates to where the blood is made, it washes out those spots and places where stagnation has settled. It cleanses the membranes, drives irritation from the joints, fills the blood stream with antitoxic influence and from head to foot creates conditions that make for blood health. There are people in every community who know this to be true. They have used S. S. S. for severe forms of rheumatism, for indolent, ulcerated spots, for eruptive skin diseases, for any and all those bodily conditions caused by blood loaded with impurities. Being a pure product of Nature it can not hurt the stomach and has therefore been the refuge of a host of people misguided in their dilemma by first trying to those dangerous mercury drugs which have claimed so many unfortunate lives. The skin breaks out in a rash, if boils or other eruptions appear, if there are blood ridings or any other indications of impure blood get a bottle of S. S. S. at once of any druggist. But beware of substitutes. If in doubt as to your trouble or you wish competent medical advice free, write to the medical department, The Swift Specific Co., 58 Swift Bldg., Atlanta, Ga. This department is known far and wide as one of the greatest of help to blood sufferers. But don't delay to get a bottle of S. S. S. today.

Auto Stolen Three Times and House is Robbed Three Times

His auto stolen three times, and his house robbed three times, that is now the record of Frank W. Judson, 123 South Thirty-second avenue. But the thieves are becoming more particular now, for after they pried open the window with a chisel Saturday afternoon they passed up all the Judson silverware, all of Mr. Judson's stockpiles and Mrs. Judson's jewelry and abstracted, so far as can be learned, nothing but a man's overcoat and 50 cents belonging to Miss Dorothy Judson. Mr. Judson is hesitating whether to claim his burglary insurance policy for fear it may be cancelled on him.

ASSERT SEWER IS BEING BUILT ABOVE GRADE

Complaint that the Jones street sewer, upon which the city department of public improvements is spending \$15,000, is being built above grade, has been made to the city council by the Omaha Ice and Cold Storage company.

Commissioner Thomas McGovern said there was no basis for the complaint. The city council as a whole is investigating.

Berger Dies from Wound Received Saturday Night

Police are investigating the death of John Berger, La Platte, Neb., farm hand, who died yesterday from concussion of the brain. He was found late Saturday night, supposedly drunk, at Tenth and Howard streets, by Officer Carney, and sent to headquarters, charged with being drunk.—Later in the evening the turnkey discovered that the prisoner was suffering, and called in Police Surgeon Foltz, who ordered him sent to St. Joseph's hospital for treatment. He died this morning.

Thus far the police have learned that Berger, who is only 19 years old, had been drinking, and was on his way to the depot when the officer found him. Whether he received his injury in a fall or whether he was assaulted has not yet been learned.

No Grain Market on Election Day

Receipts on the Omaha grain market consisted of 147 cars of wheat, forty-seven of corn and seventy of oats. Prices were about the same as last Saturday, being steady with a tendency to higher. Cash wheat sold at \$1.89 1/2 and corn at from 65 to 69 cents per bushel.

Lest Catholic Men Be Misled. Literature was distributed Sunday at the doors of the Catholic churches in Omaha, quoting a few Catholic priests, who, as citizens, had declared themselves in favor of suffrage. Because the Catholic church has not declared herself on this point, politics being outside of her sphere, this great effort has been made to influence the Catholic voter. Although I am strenuously opposed to mixing politics and religion, as a Catholic woman I must protest against our Catholic men voting for the enfranchisement of women in Nebraska. I do not believe that any Catholic men or women would favor "Votes for Women" if they realized certain facts. First, There are a million socialists in this country, and all are unanimous for woman suffrage, because they hope by the women's vote to help themselves politically. All socialists are opposed to anything Christian, but they bitterly hate and attack Catholics. Why should Catholics join themselves with such a body? Second, The great cry of the suffrage body is for individual liberty. They demand the vote because they object to their husbands, fathers and brothers voting for them. I heard Dr. Shaw say the other evening, when she spoke at the Brandeis, "No one these days respects authority on any question." She said, "Who believes the pulpit knows more than the pew?" She spoke of St. Paul as though he were a school boy friend, but did not mention how a certain suffrage leader scored him for enslaving women by his famous text in regard to marriage. It strikes me that a catholic should hesitate to support a movement whose leader expresses such sentiments against authority, when the fundamental point of our belief is the divine authority which Christ gave to His church. Third, The feminist doctrine, I grant, has not made itself felt here in Nebraska as it has in the east, but nevertheless its followers are an arm of the suffrage body. Does the Catholic woman wish to be in the class which has feminists within its body. We, with the Virgin Mary for our standard of ideal womanhood, must have a care that our ideal is not shattered. Fourth, I fear that women in politics, judging from the present campaign, will injure the Catholic virtue of charity. I call attention to Dr. Shaw's interview in yesterday's Bee when she called respectable women, such as Mrs. George, "liars," and spoke of driving the antis back to their "kennels." I contrasted the dignified address and clear argument of Mrs. George with Dr. Shaw's clever political speech when she flippantly dodged the real issue, and confined herself principally to abusing the antis. I hope that Catholic men in this community will vote "No" to woman suffrage. Omaha, Nov. 2, 1914. MARY NASH CROFOOT.

CORN CROP TO TURN OUT ABOVE THE AVERAGE. From figures gathered by agents and from estimates made by farmers and elevator men, the Bulletin officials have made some calculations on the corn crop of Nebraska, now being gathered. They estimate that the yield per acre on the Omaha division is thirty-two bushels; on the Lincoln division twenty-six, on the average crop.
