At all places a large number of men have been put to work and at each point where the disenfecting is being carried on it will be continued until all cars have been inspected and by the govern ment inspectors pronounced free of disease germs.

All of the Omaha lines have called their live stock agents in to assist in the work and will keep them on duty so long as their services are required. The Omaha railroad offices learn that all cattle from points east of the Missouri river have been quarantined against Pittsburgh, and against practically all markets in Pennsylvania. They have not earned of the foot and mouth diseasa appearing in any states other than those that have heretofore been mentioned.

An order has been made compensation of rural carriers shall be by the court permitting the \$500 settle- based upon the length of routes, the time ment for the man's death.

Believe Me I

For I Know a Stuart's Dyspepsia Tablet Will Digest Any Meal At Any Time.

How often do we see men who can not eat and how often do we hear other men boasting of their abilities to eat.

The secret of all health is digestion. The secret of digestion is the juices which are supplied by the body to separate the ingredients needed from those that are of no use to the system.

The Pessimist-"Your appetite dis-The Optimist—"Believe me, I give my body what it tells me to give it, and whether it be midnight or noon I al-ways obey appetite and then I eat a Stuart's Dyspepsia Tablet."

When a heavy meal has been eaten the entire body is called upon to furnish the digestive organs with forces to take care of it. The more the strain the weaker become the forces to take care of the next meal as well.

A Stuart's Dyspepsia Tablet aids Nature in Nature's own way. These little tablets are filled with the very ingredients and essences so needful to every normal and perfect stongach.

One quality or ingredient of a Stuart's Dyspepsia Tablet will digest 2,000 times its weight in food. Think if you can what a higheight he means to a depleted digestion. Other ingredients aid in building up the digestive juices and blood. The stomach and intestines have their duties lightened and thus irritation, soreness and raw linings are permitted to be cured by the system naturally, quickly, harmlessly.

Thousands of dyspentics and stomach

Thousands of dyspeptics and stomach sufferers would be glad to tell you what Stuart's Dyspepsia Teblets have done for them. This is what makes these tablets sold in every drug store in this country, pulse 10 cents. price 50 cents.

anyone wishing a free trial of these ots please address F. A. Stuart Co., Stuart Bidg., Marshall, Mich., and a ll sample package will be malled free.

Estate Will Urge Different Wills

One group of relatives offer for probate a will which Lower made before he was adjudged incompetent.

A second will was made by the man two days before the court decision declaring him incompetent was handed down. That will makes another group of relatives Lower's heirs.

Then a while afterward Lower visited relatives in Chicago, and while there he made a third will, disinheriting the other two groups of relatives and leaving his property to the Windy City relatives. Lower died about three months ago

in Chicago and the relatives there tried to probate his third will in Cook county. but were unable to do so, cocause the man was proved to have been a restdent of South Omaha, Now all three wills will be presented and after a brilliant array of legal talent uses the claims of the three groups of relatives, it will be up to County Judge Bryce Crawford

Father Rigge Sees Transit of Mercury for the First Time

Father Rigge, at the Creighton university, yesteday observed the transit of Mercury for the first time in his life. On several other occasions he endeavored to see passage of the satellite in front of the sun, but cloudy skies interferred. To him the little planet was plainly visible.

WASHINGTON, Nov. 7 .- Astronomers at the naval observatory here today trained their big telescopes on the heavens to observe / Mercury, the smallest planet of the sun satellites, the appearunce of which had been awaited with keen interest. The little planet entered upon the sun's disk at 5 a. m. today and disappeared four hours later, not to appear again until 1924. Its last daylight apcentance was in November, 1907.

Mercury was not visible to the naked Little Martha Hess, 2413 Castellar street, eye. Hamilton Savs Fire in Kansas City Yards is a Spectacular One

G. W. Hamilton, assistant general in from Kansas City, having left there at about the time when the Kansas City fam'ly and ordered to attend school stock yards fire was at its height. At the time of his departure the fire was most spectacular, the flames from the dry straw in the yards shooting into the air 100 feet or more. He understood that a large number of cattle were burned to death, but was unable to ascertain how

many. According to the idea of Mr. Hamilton, the destruction of a portion of the Kansas City yards at this time is very unfortunate. Arrangements had been concluded by the Chicago packers by which they were transferring number of their butchers and other workmen there to continue the killing,

that the meat might be shipped east. While the fire will not result in a shutdown of the yards, Mr. Hamilton thinks it will cripple them considerably, as it will reduce the facilities for handling
