#### Votes by Mail May Not Count for the Police Judge Job

Friends of R. J. Madden, who is only about eighty votes behind Charles E. Foster for election as police judge, had one of their hopes dissipated when it was discovered that on some of the ballots cast by mail for Douglas county candidate, no provision was made for the office of police judge. Madden's supporters have been counting on his getting a big majority of the seventy mailed votes to help him overcome Foster's lead and win out on the official count.
