Montague and Fatigew.

Montague and Fatigew. A story of the drilling of a squad of recruits is going the round in Scotland. The officer was calling the names, and prompt replies came from Jones and Smith and Robinson. The next name was Montaig-that was how the officer pro-nounced it. There was no reply. "Montaig." repeated the officer with am-phusia. "Here, sir, came the half-hearted reply from the rear rank. "Why didn't you answer at 'nce?" said the man in charge. "My name is Montague," said the recruit. "Is it?" replet the officer. "Well, you do seven days-fatigew."--Dundes Advertimer.

Is Constipated! Look at Tongue

No matter what alls your child, a genis, thorough lazative should slways be the first treatment given.

If your little one is out-of-sorts, halfsick, isn't resting, eating and acting naturally-look. Mother! see if tongue is coated. This is a sure sign that it's little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath had or has stomach-ache, diarzhosa, sore throat, full of cold, give a teaspoonful of "Califor-nia Syrup of Figs." and in a few hours all the constiputed polson, undigested food and sour bile gently moves out of its little bowels without griping, and you

have a well, playful child again. Mothers can rest easy after giving this harmiess "fruit laxative," because it never fulls to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle Beware of counterfelt fig syrups. Ask our druggist for a 50-cent bottle of "Calfornia Syrup of Figs;" than see that it is made by the "California Fig Syrup

You are losing and they are gaining.

By this plan, you would within a very few years own the title to the house you live in and would no longer be paying rent every month.

You would also have the profit which comes from the increase in value of your property. Omaha real estate is a most promising investment.
