First Winter Term

Boyles College

Day and Night

Opens Monday, November 30th

Boyles College

Why subtract a whole month from your life's career, a whole month from your important work? Don't you know that you do very thing by delaying your enrollment in Boyles College until January, instead of entering at the beginning of the FIRST WINTER TERM, MONDAY, NOVEMBER 30th?

Day and Night School

If you enter Boyles College at the opening of the first Winter Term, you will be qualified to fill a well-paid position. Bookkeeper, Stenographer, Telegrapher (you know Boyles College is Official Training School for the Union Pacific R. R. Telegraphy Department), or U. S. Government. Civil Service Appointment as Railway Mail Clerk, Mail Carrier, or Government Clerk, Stenographer or Bookkeeper, a whole month sooner than if you wait until January before enrolling. So, consequently, not to enroll now and to delay your enrollment until January means to lose a whole month's salary as an expert Bookkeeper, Stenographer, Telegrapher or U. S. Civil Service Appointee. And that means just the same as throwing \$200.00 of \$700.00 away.

You now want to do it. So, why not, in the name of all that's profitable to you, your pocketbook, enter at the beginning of the first Winter Term. Now, make up your mind that you won't lose this whole month, that you will enter Boyles College NOW.

Send for free catalogue today.
