Want Unobstructed View of Bar Rooms From Front Window

Big tropical palms are excellent window shades in disguise for the saloons of Omaha, according to F. A. High, district superintendent of the Anti-Saloon league. High has made some investigation and has now compiled a list of twenty-four saloons in Omaha that he says do not obey the state law with regard to keeping the windows plain and unadorned so that everyone from the street may look in and see what is going on clear to the back of the room.

Heirs of Col. Pratt Estate Ask Division

Trial of a partition suit in which Henry W. Magee of Chicago and Wayland W. Magee of Omaha, his son, are arrayed against Jerome Magee of Omaha, also a son, and involving the large estate of the late Colonel Pratt of Omaha, is scheduled to begin next Monday before District Judge Sutton. Colonel Pratt was father of Mrs. Henry W. Magee. Interests of another sister residing in Sweden were purchased by Jerome Magee on the occasion of a trip which he made to Sweden. Other heirs allege that the trip was made in the interest of all and are seeking to divide the interest thus secured. The parties to the suit are widely known in business and social circles.

POSTOFFICE SWAMPED WITH WAR TAX STAMP ORDERS

With a bushel of mail arriving daily and hundreds of orders to be filled for the emergency tax stamps required since the war cut down import revenue, the internal revenue office here is swamped with work and the deputies and clerks are working from 8 a. m. until 10 p. m. daily. The office is usually open to the public from 9 a. m. until 4 p. m., but until further notice will close hereafter at 3 p. m. to give the office force more time to fill mail orders for stamps. Acting Collector E. W. North says that his supply of emergency stamps has given out, but more are expected soon from Washington. In the meantime he asks that people be patient if they fail to receive the stamps they have ordered.

ANTI-SALOONIST TO TRY TO KEEP BANCROFT DRY

The town of Bancroft, Neb., which was voted dry at the spring election, is not to be allowed to go wet again if the Anti-Saloon League of Nebraska can help it. It has decided to start an early campaign there to keep the town dry. F. A. High, district superintendent of the league for the Omaha district, plans to go to Bancroft Sunday to hold a big rally in one of the churches, thus opening the campaign to keep the town dry. He expects to remain over until Monday, when some of the leading men of Bancroft are to hold a council of war with him on the proposition, when plans will be formed.

Fine Specimens of Birds Being Shown at Benson Exhibit

Elaborate preparations have been made for the big poultry show at Benson this week. Fine specimens of birds are coming in from all parts of the county, and many exhibits from outside counties. The big Benson show room will be crowded. Many prominent poultrymen already on hand express themselves as surprised at the high standard of birds, declaring they are equal to the best in the country, which proves conclusively that there is no better place than Douglas county to raise fine poultry. It is believed that this show will give a big impetus to the poultry business locally and result in permanently increasing shipments of poultry and eggs from this market. The show opens today, and continues for the balance of this week and next Sunday. It is conveniently located on the Benson car line, a few blocks west of Krug park.

"Every Picture Tells a Story"

Will I ever get over it? Is It "Just a Cold"?

Don't say: "It's just a cold." It may turn into rheumatism, or dropsy, or gout, or other serious sickness that comes from weak kidneys. Because colds are due to congestion. Congestion makes the kidneys over-work to filter the blood. Colds often leave the kidneys weak. First, break the cold; then use Doan's Kidney Pills to avert the kidney dangers. For backache they are especially well recommended.

MAKE YOUR OWN HAIR STAIN

This Home Made Mixture Darkens Gray Hair and Makes It Soft and Glossy.

To a half pint of water add:
Bay Rum..... 1 oz.
Barbo Compound..... small box.
Glycerine..... 4 oz.
These are all simple ingredients that you can buy from any druggist at very little cost, and mix them yourself. Apply to the scalp once a day for two weeks, then once every other week until all the mixture is used. A half pint should be enough to rid the head of dandruff and kill the dandruff germs. It stops the hair from falling out, relieves itching and scalp diseases. Although it is not a dye, it acts upon the hair roots and will darken streaked, faded, gray hair in ten or fifteen days. It promotes the growth of the hair and makes harsh hair soft and glossy.—Advertisement.
