Nebraska MOST LAWMAKERS FARMERS

Next Session of Legislature Will Contain Over Fifty of Them.

FOUR LAWYERS IN THE LIST

Four Newspaper Men Also Are Members, All in Lower House, While There Are Fifteen Merchants.

(From a Staff Correspondent.) LINCOLN, Neb., Nov. 28.—(Special.)—Farmers will predominate in the next session of the legislature to a large degree, according to the statements furnished the secretary of state so far for the roster of legislative members. Although but ninety of the 100 members of the house have reported, thirty-six of them are farmers, while of the thirty-three members of the senate, eleven are farmers. This makes 47 members so far in the agricultural class. When the other ten in the house have reported it is probable there will be over fifty farmers in both branches.

The last legislature also was to some extent a "farmers' legislature," thirty-six being tagged that way in the house while five were found in the senate, a total of forty-one, so that it is without doubt safe to say that this session will be more agricultural than any for some time.

Roster of Lawyers.
In the 1913 session there were eleven lawyers in the house and seven in the senate, while in the present session there will be twelve in the house at least and four in the senate. The last session had one doctor in the house and one in the senate. This session will have three in the house and one in the senate.

How They Line Up.
The list so far for the coming session is as follows: Senate, farmers, eleven; merchants, five; real estate and insurance, five; lawyers, four; bankers, three, and one each grain dealer, printer, physician, manufacturer and retired. In the house: Farmers, thirty-six; lawyers, twelve; merchants, ten; real estate and insurance, eight; bankers, six; retired, four; newspapermen, four; physicians, two; school teachers, two; bookkeepers, two; mechanic, manufacturer and telephone manager, one each. There are ten more to report.

ENGLAND WILL PROPOSE CUTTING OFF BOARDS

(From a Staff Correspondent.) LINCOLN, Nov. 28.—(Special.)—In the interest of moral reform, Judge W. H. England, philanthropist and reformer, announces that he proposes to go before the next legislature and demand that two things be done for the betterment of mankind. One of these is the abolishment of the State Board of Secretaries, connected with the Board of Health, and the other is the throwing out of office of the members of the State Board of Pardons. Judge England does not believe that any board has any right to deny any physician, who desires to come into Nebraska and practice, the right to do so. He believes that it is all in the interest of a medical trust and the judge believes that trusts are "agin the government." As far as the pardon board is concerned, the judge is opposed to the principle of bringing matters of pardon and parole before a board for a hearing. He believes that the warden should be the all-powerful judge and from his decree there ought to be no appeal.

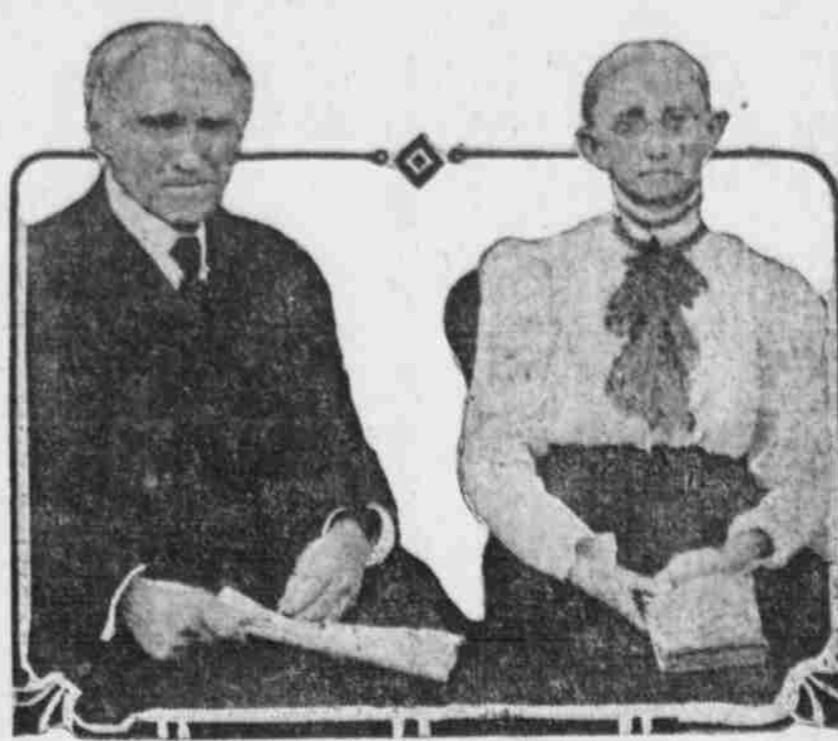

EXAMINER ROBINSON REPORTS ON SHORTAGE

(From a Staff Correspondent.) LINCOLN, Nov. 28.—(Special.)—According to a report filed with the state auditor by E. J. Robinson, examiner, the shortage of J. W. Hill, county treasurer of Banner county will amount to \$267.41, estimating from the figures at hand. In the report Mr. Robinson says: "As the commissions cannot be settled definitely until the end of the year, we have estimated the same as near as possible, and tax receipts No. 58, 59 and 60, amounting to \$238, which seems to indicate that the treasurer has not received the money for same and were held for payment, making a total of \$702.69. The Banner county bank shows a deposit of \$1,825.27 on hand, it appears that at least two checks amounting to \$5.10 have not been paid, which would leave the balance \$1,820.17, providing there were no other checks out. The total cash and balance on these figures would be \$12,880.56, leaving a shortage of \$267.41 estimated on the figures as shown above."

News Notes of West Point.

WEST POINT, Neb., Nov. 28.—(Special.)—News has reached the city of the death at Los Angeles, Cal., of Andrew N. Bank, a former prominent citizen and land owner of this county. The golden wedding of Mr. and Mrs. Henry Zarnsdorff of this city was celebrated Tuesday. Earl Wilde, a son of Mr. and Mrs. Emil Wilde, of this place, was married to Miss Helene Stark of Plainview, by County Judge Dewald on Thursday afternoon. Friedrich Mueller, an aged and well known citizen of West Point, died at his home here on Thursday afternoon at the age of 78 years. Miss Marie Forsythe, who has taught the first grade in the local schools successfully for the last two years, has resigned here position and returned to her home at Peru, Thursday. She will be married during the coming Christmas holidays. The preliminary hearings of Mrs. Barbara Olsen and Dan Jacobs, charged with perjury, have been postponed until December 2. Miss Leah B. Mueller of Beemer, and Andrew O. Hoff, were united in marriage at that place yesterday.

Fifty-Eight Years of Wedded Life

MR. AND MRS. THOMAS B. COFFMAN OF BEAVER CITY, NEB.

Mr. and Mrs. T. B. Coffman of Beaver City, Neb., celebrated the fifty-eighth anniversary of their marriage at their home on Wednesday, surrounded by all of their surviving children. Thomas B. Coffman and Miss Martha Huff were married at Washington, Ia., November 25, 1856. They moved to Furnas county, Nebraska, in February 1888, and Mr. Coffman homesteaded a claim in Dexter precinct, now Oxford, where they resided until 1896, when they removed to Beaver City. Their four children are E. C. and Charles B. Coffman of Keota, Ia.; Mrs. Anna E. Freeman of Hollinger, Neb., and S. H. Coffman of Beaver City. Mr. Coffman cast his first ballot in 1856 and voted for Buchanan for president in 1868. He has been a democrat all his life. Both Mr. and Mrs. Coffman, although past 80 years of age, are apparently in better physical condition than many who are years their junior. Both take a keen interest in all matters of current interest.

Foot Ball Games for Belgian Fund Send Four Men to Hospital

BROKEN BOW, Neb., Nov. 28.—(Special.)—Thanksgiving day in Broken Bow contained a few casualties for foot ball players and others. In a friendly contest between the teams of the Belgian relief fund, pulled off between two teams composed of prominent citizens and business men, John Turner of the Turner Lumber company sustained a severe double fracture to the right leg that will lay him up for some time, while Al Martin of the electric light company had his ankle broken. Another man dropped insensible while watching the game. Upon the return of the Reserves from Mason City, where they had been playing a game, it was found that Stuart Randall and Harry McCandless, two of the team, had been severely handled and put out of commission for the time being.

At a meeting of the Belgian relief committee the matter of reports from those who held meetings throughout the county was taken up and canvassed. Something like 1,000 bushels of wheat has already been subscribed out in the county, while about the same amount has been subscribed in the city. A committee was appointed in each community to canvass and receive contributions and in this manner the fund will be greatly increased. Conferences have been held with the local millers in regard to milling the wheat and sending only the finished product. It is altogether probable that flour instead of wheat will be sent.

The local banks have all agreed to receive cash contributions and hold same for the committee, giving deposit receipts in return. Many women of the city assembled at the Public Service rooms Friday and spent the day in sewing for the relief fund.

Notes from Beatrice And Gage County

BEATRICE, Neb., Nov. 28.—(Special.)—Mrs. R. D. Rickard, an old resident of Beatrice, who left the city Friday for Hastings to make her home, discovered at Fairbury that she had lost her diamond earrings and a gold watch, somewhere along the route. She telephoned to Beatrice Friday night for aid in trying to find the jewelry, which she valued at over \$200.

William Lucas, a negro, was given fifteen days in the county jail by Judge Hurst at Wymore, Friday, for snatching a woman's gold watch from her as she was passing along the street at Harreston.

Oscar Myers, a delivery boy, was seriously injured here Thanksgiving day by falling from the wagon on which he was riding. He was unconscious for six hours after being removed to a local hospital for treatment. Unless complications set in it is believed he will recover in a few days.

The annual conference of the Blue Bird association convened in Wymore Friday afternoon for a session of three days. The sermon was given Friday evening by Rev. Mr. Collins of Lincoln. Delegates are present from Beatrice, Blue Springs, Liberty, Harreston and other points in this section of the state.

About \$300 was raised here on "tag" day for the Civic Improvement league, which will use the money to build a cement wall through the Charles park. Arthur Clark and Miss Kathryn Karnath were united in marriage at the Catholic church Thursday by Father Roll. They will make their home in Beatrice.

Three Persons Hurt in Automobile Upset Near Nebraska City

NEBRASKA CITY, Neb., Nov. 28.—(Special.)—John Perry, wife and two sons of Des Moines, Ia., were en route to Dawson, Neb., in an auto, and when leaving the city the steering gear went wrong and the machine turned turtle, catching all of the party under it. The wife was the only one that escaped injury. Mr. Perry was badly bruised about the head and was unconscious for some time, while one of the sons had an arm broken and the other broke his nose and was bruised about the body. They are being cared for here.

John Roll, a farmer residing south of the city, who is operating a saw mill on his place, met with an accident that will lay him up for some time and came near costing his life. One of the big saw logs which he was leading rolled over on him. When he was rescued he was badly bruised. One foot was broken. Word has been received here of the death of James Barr, one of the pioneer residents of this city. He died at Pasadena, Cal., where he had been for his health for some time. He was 75 years of age and was identified with the early history of this city. He leaves a widow and five grown children.

The new barn of Joseph Felthaus was burned Thursday at midnight. The loss was something about \$1,000, with light insurance.

Richmond of Omaha, candidate for the speakership of the house, was a state house visitor today and this afternoon with Editor John Curtright, visited Governor Morehead and talked over the political situation. Arthur Carr of Lincoln, for reappointment on the State Board of Secretaries of the Board of Health, that the appointment to fill the place would be made the first of the week. Dr. Carr's term expired last July, and a strong opposition has manifested itself against his reappointment. Dr. Spatz of Fairfield is the principal opponent of Dr. Carr for the place.
