	P.	W.	L.	Pts.
First Christians	1	0	0	1000
Hanscom Park Methodists	1	0	0	1000
Konkies Methodists	0	0	0	1000
South Omaha Baptists	0	1	0	1000
First Methodists	0	1	0	1000

Basket ball among the three amateur leagues recently organized will be in full swing before the next few weeks. The church leagues, the first of the organizations to get under way, opened its season last Tuesday at the Young Men's Christian association before a large gathering of the churchgoing fans. In the initial contests the First Christians showed great form and easily defeated their opponents, the South Omaha Baptists, 41 to 21. The second game, between the Hanscom Park Methodists and the First Baptists was a half-raising event and a very fitting game for the opening night. The Hanscom Parkers nosed out ahead, the final score ending, 25 to 18.

Though the schedule is only partially made out, no new entries are looked for. A few weeks back nine churches were desirous of entering the league, but gradually the number slumped down until only five remain. The same number made up the organization last season.

Changes with Commercial League. Recent changes in the Commercial league will also lessen the number of contestants from an eight-team organization to that of six. Instead of entering two teams each as first planned, the Nebraska Telephone company and the Omaha National bank will concentrate their basket ball talent and enter just one each. Unless unannounced changes come up the league will consist of the following teams: Omaha Young Men's Christian association employees, Omaha National bank, First National bank, Council Bluffs Club, Omaha High school team and the Nebraska Telephone company.

Officers of the Commercial league are: Bert Wilson, president; Mr. Swain, secretary-treasurer. A schedule has been made up until the first of the year. The opening of the league will start Thursday, December 10, at the Young Men's Christian association, the Omaha High school second team playing the First National bank, and the Nebraska Telephone company meeting the Young Men's Christian association employees.

Tri-Cities Organized. The Tri-Cities league is the only organization that has not lost out by teams withdrawing. Several new entries have brought the total up to eight, and it is on this number that a schedule is being made out. The Nebraska School for the Deaf and the Creighton College of Law are the two newcomers. Following will comprise the Tri-State league teams: Bellevue college, Swift Packing company, Walter G. Clark's Omaha High school first team, Townsend Gun company, Council Bluffs Young Men's Christian association, Nebraska School for the Deaf and the Creighton Law team.

The following officers will head the organization: Mr. Nelson, president; A. C. DeVol, vice president, and Mr. Buchanan, secretary-treasurer. The first scheduled game of the season will be between the Council Bluffs Young Men's Christian association and the Townsends at Council Bluffs, December 11; while the season will open in Omaha on December 13, at the Young Men's Christian association, the Walter G. Clark's playing the Creighton Law school and the Omaha High school contesting with the Nebraska School for the Deaf.

Basket Ball Notes. Gus Miller is coaching the Townsend Gun quintet. Teams wishing to play the Nebraska School for the Deaf, call W. 159 and ask for Jackson. Any of the church league teams would like to tangle with amateur teams about the city. The church league teams only play on Tuesdays. The Thorpean Athletic club will be seen in the field this season. Following is their lineup: Lowry, left forward; Feed, center; Davidson, right guard; Paddy, right forward, and Cohn left guard. Drummond, manager of the Townsend Gun team, is in touch with a number of college teams which he expects to bring here this season. It is possible that Coach Stehm's quintet of Nebraska university, and Coach Kline's basket ball tossers of Wesleyan will be seen in action with the Townsends.

Birdmen Will Try To Break Records At Speedway Today

Smith has fixed up his machine a bit since he arrived here and will attempt to break his record of sixteen consecutive loops. He will also exhibit some fancy flying. Holders of tickets to the Thanksgiving event will be admitted on those tickets today.

Everett High Beats Oak Park Eleven

BOSTON, Nov. 28.—Varied formations, based on the Minnesota shift and open play, lateral passes, forward passes and line plunges enabled the Everett High school foot ball eleven to defeat the heavy Oak Park High school team of Chicago 20 to 0 today. The winning team has scored 69 points this season, and has held all opponents without a score.

Probat Winner. ST. LOUIS, Nov. 28.—John Probat, running under the colors of the Chicago Athletic club, won the tri-mile marathon of the Missouri Athletic association here today in fifty-seven minutes.

ATHLETIC HEADS TO MEET

Managers of Missouri Conference Teams to Assemble at Lincoln.

ASSEMBLY IS TO LAST TWO DAYS

Annual Convention on Friday and Saturday to Take Up Important Issues and Also Draft Schedules.

By JAMES E. LAWRENCE. LINCOLN, Nov. 28.—(Special.)—Representatives and managers of colleges belonging to the Missouri Valley conference will hold the annual meeting in Lincoln next Friday and Saturday. The meetings will be separate, with the managers drafting 1915 foot ball schedules, basketball and track schedules, and with the representatives considering changes in the governing rules.

The Missouri Valley athletic managers will convene Friday and first arrange the basketball schedule for the coming season. The same arrangements which prevailed during the last two years will be followed again this year. Championship games will be played between the winners of each division. Nebraska is in the north division and meets Ames and Drake.

The managers, according to Manager Reed, will continue the track arrangement of last season. Nebraska's foot ball games with Missouri Valley schools in 1915 will also be arranged at this meeting, possibly with Kansas at Lawrence, Ames at Ames and an early season game with the Manhattan Argosies in Lincoln.

To Discuss Scholarships. Scholarship, as related to athletics, will be the most important topic for discussion at the meeting of the representatives. There is a warm scrap brewing over a proposed rule which was brought up at the last Missouri Valley conference meeting and which provides that any Missouri Valley athlete must carry each year at least one-quarter of his college course during the years of participation in athletics and also during the freshmen year.

Prof. Grove Barber, the Nebraska representative, was the only member of the conference who voted against it. Since then Prof. Barber has received letters that Drake and Kansas Agricultural school will oppose it.

Final Action Friday. The rule comes up for final action at the meeting next Friday and the Nebraska athletic board is determined to accomplish its defeat. At the Husker institution the rule would force a student participating in athletics to carry thirty-one hours during the freshmen year and during the years he participated in athletics.

In order to pass, the rule will have to have a two-thirds majority vote, thus requiring five of the seven votes of the conference members. Another question which the conference will consider is the effect of athletics on scholarship. Statistics will be prepared showing the relative scholarship standing of foot ball, basketball and track men, and comparisons will be drawn with students engaged in other activities such as fraternities, debating and college publications.

Prof. Grove E. Barber will be the Nebraska representative at the conference meeting. These are the other representatives: Prof. Byer, Ames; Prof. Morehouse, Drake; Prof. Manley, Missouri; Prof. Hamilton of Manhattan; Prof. Murray of Kansas.

Will Elect Captain. The election of a captain for the 1915 Cornhuskers is attracting the attention of the entire student body at Nebraska. "Dick" Rutherford and Cameron lead in the race. The athletic board will meet the first Monday in December, at which it is expected that the annual election of captain will take place.

Coach Jumbo Stehm is taking his time about schedule drafting and there will be nothing done for some weeks yet with the exception of the Missouri Valley games. Stehm is heartily in accord with the sentiment for the inter-sectional games and Nebraska will make an effort to meet some strong eastern school. Michigan may also be seen again on Nebraska's schedule next year.

Omaha City Team Leading in Soccer League Standing

Standing of Omaha Soccer league teams:

Team	P.	W.	L.	D.	Pts.
Omaha City	7	3	2	0	23
Caledonians	7	3	2	2	23
B-1914	7	3	2	2	23
Townsends	7	3	2	2	23

Though the Omaha City soccer team is having an easy time in holding first place in the league, interest in the game is on the increase instead of a decline. Thanksgiving day at Miller park approximately 1,500 persons watched two picked teams battle to a tie. At nearly all the games large crowds are on hand.

To increase interest in the game a silver cup has been put up by Combs the jeweler, for the team that wins the pennant.

This afternoon the Omaha City eleven will play the Townsends at Miller park and the Caledonians will meet the B-1914 at Elmwood park.

Omaha Semi-Pro Base Ball Men Get Offers From Various Teams

A bunch of Omaha's crack semi-pro base ball players have received offers from various class C and D managers to enter professional base ball next year. As many of the offers are very tempting, it is more than probable that quite an aggregation of local athletes will sign up. Those who are the most sought after are Matt McGrath, first baseman; Fred Prefka, catcher; Ed McCreary, pitcher; Nemo Poaha, shortstop; John Hazen, outfielder; Wise Baker, pitcher; Guy Holland, pitcher; Jim Dauze, catcher; George Graves, outfielder, and Alfred Adams, catcher.

FEDERAL CIRCUIT TO REMAIN UNCHANGED

NEW PARK NEAR CITY CENTER

President Gilmore Makes Public Plans for Brooklyn.

HOFMAN MAY BE MANAGER

Former Chicago and Pittsburgh Player Thought Picked to Replace Magee—Some Stars Have Not Signed.

CHICAGO, Nov. 28.—There will be no change in the 1915 circuit of the Federal league, it was definitely announced before club owners of the league, who were called to attend the first session of the league's meeting, which opened here today.

Kansas City, which was regarded as a disappointment last season, will retain its franchise, James A. Gilmore, president of the league announced, business men in the city, he said, object to having the club transferred and had promised they would support it. It is planned, President Gilmore said, to build a new park near the business district of the city.

Gossip circulated the rumor that Artie Hofman, formerly with the Chicago and Pittsburgh clubs of the National league, probably would be the next manager of the Brooklyn club of the Federal league instead of Lee Magee, who recently was reported to have jumped from the St. Louis Nationals.

Hofman, it was pointed out, was with the Brooklyn Federal last year and has had a much longer experience in base ball than Magee. The Ward brothers, owners of the Brooklyn club, refused to confirm or deny the report.

Committees to revise the rules and arrange a playing schedule are to be appointed at the meeting, President Gilmore said. He was in doubt, however, about making an announcement of the new players signed.

President Gilmore announced a few days ago that star players affiliated until recently with the National and American leagues, but who had signed with the Federal league would be named at this meeting. It developed today, however, that many of the players with whom the various clubs had been negotiating, had not signed and on that account it was intimated that the clubs would withhold the names of their new players until later.

Oldfield is Given Second Place in the Corona Road Race

LOS ANGELES, Cal., Nov. 28.—Barney Oldfield late last night was awarded second prize money of the Corona road race run Thanksgiving. Ed O'Donnell, who had been awarded that position, was forced back into third place by the revised figures.

The time of the drivers was rechecked and a rechecking. An official statement said that through an error O'Donnell's time for 106 laps instead of 109 laps was totaled by the timers. His corrected time was 3:31:12.

The corrected time for Eddie Pullen, winner of the race, was announced as 3:29:05. This gave him an average of 57.5 miles an hour for the entire race.

It also developed that Ralph De Palma circled the track 110 times before being signaled to stop. This resulted in no change of his position of fourth place, as the timers had not counted the last lap.

FRANKLIN ACADEMY CLAIMS VALLEY CHAMPIONSHIP

FRANKLIN, Neb., Nov. 28.—(Special.)—Franklin Academy claims the season at Red Cloud Thursday by defeating the high school of that place by the score of 6 to 1. The game was one of the hardest of the season and was fought every inch of the way. Franklin has won six out of seven games played and has a claim on the championship of the Republican valley.

The only other contender is McCook High school, and the two teams were unable to meet this year. By comparing scores on the teams played by both teams, the count goes to Franklin. Cambridge was defeated by the Academy, 27 to 9, while McCook was able to pile up only 25 to 13 against the same team. Franklin's total points gained are 145 to 25 made by its opponents.

NAVY TUMBLED IN DEFEAT BY ARMY

West Point Eleven Crushes Midshipmen by Score of Twenty to Nothing.

THREE TOUCHDOWNS, A SAFETY

Military Shows Superior Power in Carrying Ball and Defending Goal.

MUCH LACK OF PLAY IS SEEN

Forward Passing by Both Sides, as Rule, is Very Poor.

CADETS CELEBRATE VICTORY

Form Procession and March Around Field After Contest, While Their Beaten Foes Look Silently Upon.

PHILADELPHIA, Nov. 28.—The West Point cadets defeated the Annapolis midshipmen 20 to 0 in their annual game on Franklin field this afternoon. The score was represented by three touchdowns and a safety. The game was one sided, the army showing superior power in carrying the ball and in defending their goal.

There was much lack of play during the game, and the forward passing by both sides, as a rule, was poor. The navy appeared very weak on the defense and rarely held the army when it tried to penetrate the sailors' line or go round the ends. The army's victory makes the record of the two teams a tie, each now having won nine games, with one game a tie.

The usual spectacular demonstration followed the game, with the enthusiastic gray-clad army cadets the center figures. They planted the black, gold and gray, their academy colors, in the center of the field, then formed a circle that was as wide as the breadth of the field. There was a bugle call from the half down army buglers, and then ensued the wild rush to the colors, the whole circle closing in around the color bearer. The cadets formed a procession and paraded around the field, while the sad and silent midshipmen looked on.

Navy Wins the Tom.

Navy won the toss and chose the east goal. Army's kickoff was run back by falling to the twenty-five-yard line. Two tries at the line were blocked and Hodgett punted out of bounds at the Army thirty-yard line. The first Army play was a fake punt which gained thirty-five yards. A forward pass gained twenty more and the ball was on the middle fifteen-yard line. Three plays gained eight more; then the Army missed a field play.

Serimazing from the twenty-yard line the Navy failed to gain. Many punts were exchanged, the navy gaining eleven yards; Mitchell went around Merrill for seven yards and two tries at the line made it first down. A fumble was recovered, then Hodgett punted to the West Point's twenty-seven-yard mark. The kick was returned and then a bad pass by Perry went over Hodgett's head and lost twenty yards. Another exchange of punts ensued, Army's punt rolling to the five-yard line. Hodgett stood behind his own goal line to punt, but the kick was blocked and he fell upon it for a safety. Score: Army, 2; Navy, 0.

Hodgett punted from the twenty-yard line and Navy recovered a fumble on the Army's forty-yard mark. A forward pass gained fifteen yards, but the next one grounded and Hodgett failed to shoot a goal from placement. On the next lineup each team was penalized five yards for off side. Prichard punted to Navy's thirty-four-yard mark as the period ended.

Two Touchdowns for Army.

Hodgett punted as the second period opened. Army returned it and Hodgett fumbled to a soldier on the twenty-yard line. A forward pass resulted in a touchdown Merrill catching the ball on the five-yard mark and making the distance unopposed. No goal was kicked. Score: Army, 8; Navy, 0.

The second touchdown came through use of the same tactics. Hodgett fumbled a punt. Army recovering on the thirty-six-yard line. Miles replaced Mitchell. Prichard then shot another perfect pass to Merrill that carried the ball to the one-yard line. Hodgett easily made the distance, but McEwan again failed at goal. Score: Army, 14; Navy, 0.

Coffin kicked off and Hodgett came back twenty yards. Craig replaced Fanning and Graf went in for Miles. Craig immediately made nine yards around Merrill and repeated for three more. Parks replaced Butler. On a fake kick Craig carried the ball to Navy's forty-five-yard line. The Navy's punt was poor, going out at Army's forty-two-yard line. The return kick was caught on Navy's fourteen-yard mark. Miles made five yards through Meacham. Britton took a punt to Navy's yard line. He was thrown back on a fake kick, then punted thirty yards. Goodman replaced McEwan. A forward pass was broken up and Prichard lost ground on a try at end.

Hodgett was replaced by Hulbert. Hodson punted over Navy's line for a touch-down. Hodson easily made gains from his twenty-yard line, then punted. On the first play he intercepted a forward pass and it was Navy's ball again on its twenty-eight-yard line. Perry made another wild pass, Miles recovering on his four-yard line.

Hulbert punted, then the officials decided to disallow the play on which Perry erred and Army was given the ball on the Navy's twenty-eight-yard line. On the first smash at the line the Army tumbled and the Navy recovered the ball only a foot from the goal. Hulbert punted, Prichard marking down a fair catch. Army's next play was a fake. Hodson took Coffin's place and tried for a goal from placement, but failed.

Smith replaced Perry at center. On the first play after the touchdown Craig made nine yards and Bates made it first down. Miles was thrown back five yards as the half ended.

The day proved one of the warmest of the entire foot ball season for the Army and Navy players. The playing field was soft and slippery. The bare spots had been covered with straw to afford the players a firm footing. There was no breeze.

During the first half the Army's powerful charging of the cadet forward hurried the midshipmen that the Navy could make little progress when they held the ball. When on the defense the team work and strategy of the soldiers was entirely beyond the grasp of the midshipmen. But in line plunging and end running the Navy was superior.
