South Omaha Foot Ball Team Well Satisfied with Work Done.

Teams.

South Omaha High school foot ball team closed a successful season by defeating the Ashland High school on their own grounds last week, 19 to 7.

The local team has been defeated but twice this year, by Council Bluffs and Creighton. In the former game the team was far from being in condition for the game and in the latter, several of the men were in a crippled condition. It is thought by South Omaha backers that Creighton would have been defeated

had the team been in its prime. Coach Patten has developed his team principally along the line of straight foot ball of the old time variety, and this style of play was used predominantly by Quarterback Leach. Competing with heavier teams, the swift bulletlike center line smasnes of the South Omaha backfield has often bent terror

to the hearts of an opposing eleven. Four men played their last game at Ashland. Jordan, right tackle; Hoctor, right guard; Sheehy, left guard, and Beal, star right halfback. Captain Connors played his last with Nebraska City. closing law, all stores in this city wer Eggers and Busman, substitutes, will closed today. Four arrests were made.

## Dense Fog Stops Smith from Making Some Loops Sunday

Due to the intense fog which prevented extended vision, the aviation meet at the auto speedway was called off yesterday afternoon. The fog cleared a bit about noon yesterday and it was thought that perhaps the program could be held, but at 3 o'clock it became so dense that the aviators could not be seen and it was decided to abandon the event. Quite a number came out to see Art Smith loop and Ralph McMillen fly, but they were necessarily disappointed. Smith will show his aeroplane and lecture on aviation at the Brandels stores this week.
