# **3 Dolls for This Week**

We have decided to give two more dolls for second and third prizes, so that if you fail to get the first one. you still have a chance to get one of the smaller dolls. They are very sweet and pretty, too, and will please you, but, of course, you would not expect them to be as big and beautiful as Pricilla, who is for the little girl that brings in the most pictures.

Pricilla is just too beautiful for words to describe. You must come and see her.

Fricilla will be given Free to the little girl, under 12 years of age, that brings or nails us the largest number of doll's pictures out cut of the Daily and Bunday Res before 4 p. m. Saturday, December 5.

Her picture will be in The Bee every day this week. Cut them all out and ask your friends to save the pictures in their paper for you, too. See how many pictures of Pricilla you can get, and be sure to turn them in to The Bee office before 4 p. m., Saturday, December 5.

If you don't win this Dollie, perhaps you can get one next week. Only one doll will be given to any one person.
