PAY ENVELOPE WEEK ENDING Mr. Efficient Worker. Illustration of a hand holding a pen over a check.

Big Jobs —are gained largely by doing common tasks uncommonly well. But—to do unusually good work of any kind, fitness of body and mind are required. Food plays a big part in this matter—food that contains true nourishment. And true nourishment—be it remembered—must include certain important elements which unfortunately are often lacking in the ordinary dietary—especially in white bread. These elements are phosphorus, iron, lime, sulphur, etc., stored by Nature in her field grains, and absolutely necessary for building strong, vigorous bodies and active brains.

Grape-Nuts FOOD —made of choice wheat and malted barley, affords all the nutriment of these grains, including these important mineral elements, in form for easy, quick digestion. Grape-Nuts food is always fresh, crisp, sweet and ready to eat—with cream or milk. Thousands have found that a ration of Grape-Nuts each day makes for real progress towards the bigger things of life. "There's a Reason" —sold by Grocers everywhere.

Duffy's Pure Malt Whiskey according to directions. It tones and strengthens the system and promotes good digestion, which is the key to health. It is a recognized family medicine everywhere.
