

### Nebraska BOARD OF CONTROL INTO SCHOOL WORK

All That's Left of Code Commission's Bill Changed to Provide for Agricultural Training.

#### OUT OF HANDS OF REGENTS

(From a Staff Correspondent.)  
LINCOLN, April 9.—(Special.)—S. F. No. 307, which is the only remaining fragment of the lengthy school code bill, introduced early in the session, aroused some controversy on the floor of the house. In its present form it provides for agricultural, industrial and vocational training in the common schools of the state, especially in rural and county high schools.

Mr. Scott moved an amendment, providing that funds received from the federal government for these purposes should be expended under the direction of the Board of Control, instead of the university regents. This was opposed by Mr. Nichols and others.

"The farmers of this state are not going to stand for letting university regents handle all this money," declared Scott. "We don't want the country schools of Nebraska under the thumb of the State university. The purpose of this measure is to get boys and girls away from the farm. We want education brought to them on the farm."

Scott's amendment was adopted and the bill was then sent to be engrossed.

Another educational bill, S. F. No. 4, providing a special course in state normal schools for training rural teachers, was also put up to third reading, after an amendment by Mr. Negley, pertaining to teachers' institutes had been rejected.

#### AMENDED WAREHOUSE BILL TO THIRD READING

(From a Staff Correspondent.)

LINCOLN, April 9.—(Special.)—S. F. 1, the amended warehouse bill, which is greatly different from the original one, did not cause much of a fight in committee of the whole. Two additional amendments were tacked on, one by Mr. Korff reducing the free time for grain in elevators from fifteen to ten days, and the other by Mr. Mattoon fixing a uniform storage rate of 1.00 cent per day per bushel, after the first fifteen days in storage. The rate for the fifteen-day period is 1.50 of 1 cent per day.

In this form the bill was advanced to third reading with little discussion either for or against it. The only interests known to be pushing it are the big line house elevator firms.

#### DESTINATION WEIGHTS BILL HANGS ON VERGE

(From a Staff Correspondent.)

LINCOLN, April 9.—(Special.)—By a vote of 40 to 45, the house committee of the whole refused to bill S. F. 216, the bill requiring railroad companies to furnish destination weights on freight and charging a penalty of 25c to 100c for overcharging shippers. It was advanced to third reading, but the close vote indicates that it will have a hard time to pass.

### Nebraska Hitchcock Praises Wilson as Greatest of All Presidents

LINCOLN, April 9.—(Special Telegram.)—Senator G. M. Hitchcock spoke to the members of the legislature at noon today, covering some of the propositions before the present national administration and lauding President Wilson as the greatest intellectual giant that ever filled the presidential chair.

#### MAN WANTED IN BROKEN BOW ARRESTED IN INDIANA

BROKEN BOW, Neb., April 9.—(Special.)—Sheriff Wilson has gone to Williamsport, Ind., to bring back Corbett Ash of this place, who is wanted here on a charge of forgery.

Young Ash left town the first part of the week, leaving a number of checks among merchants and business men that were later turned down by the banks. Eight checks have shown up so far, ranging in sums from \$5 to \$150 and aggregating \$200.

All the checks were drawn in favor of Corbett Ash and had the name of one of his relatives signed to them. The sheriff located him by tracing the movements of another party in whom young Ash displayed some interest and who was supposed to have gone to Williamsport.

The sheriff at the latter place was wired instructions and later in the day the Custer county official received a telegram that Ash was in custody. Ash is at present under parole from the district court for a previous offense.

#### Ashland Teachers Elected

ASHLAND, Neb., April 9.—(Special.)—At the meeting of the Board of Education, this week, teachers for Ashland schools were chosen as follows: High school, Miss Hazel Hempel, principal; Miss Vera Fall, English; Miss Lillian Bell, mathematics and German; Miss Catherine Cone, domestic science; Miss Elizabeth Scott, eighth grade; Miss Lillian Bell, seventh grade; Miss Hazel True Allyn, sixth grade; Miss Fay Brooks, fifth grade; Miss Florence Whipple, fourth grade; Miss Mignon Marcy, third grade; Miss Grace W. Clark, second grade; Miss Edna Hilton, first grade and music; Miss Blanche Bell, Miss Goldie Blackman, east side grades. Prof. Chris Bopps, science teacher, was not an applicant for election and his successor has not been elected.

William H. Morton, superintendent of schools, was elected last year for a term of three years.

#### Clay County Medical Society Meets

HOWARD, Neb., April 9.—(Special.)—The April meeting of the Clay County Medical society was held in the Community club room in Howard on Wednesday afternoon. Papers were read, and clinical cases presented. The women of the visitors were entertained during the afternoon at the home of Mrs. Dr. J. J. Johnson, and at 8 o'clock the visitors were treated to a banquet at the Griseleur restaurant, followed by toasts and responses. Covers were laid for thirty-two.

### Nebraska LANCASTER TO RECEIVE CASH

General Claims Bill Amended to Include Sum Due This County.

#### HARTE CLAIM WITHOUT STAND

(From a Staff Correspondent.)  
LINCOLN, April 9.—(Special.)—The general claims bill, H. R. 731, recommended to the committee of the whole in the senate for specific amendments, received three new additions this morning and goes back again to the bills ready for third reading.

The additions include an appropriation of \$112,136 to satisfy a judgment for that amount rendered against the state by Lancaster county in May, last. The judgment is to reimburse the county for state moneys on deposit in the Capital National bank when it failed in the '90s. On the theory that the county was insurer of state funds that it collected as agent, the county treasurer at that time paid the money over to the state, but the courts held, the county having secured permission to sue the state, that the county was insurer of state funds and was entitled to recover.

This was not the specific item of recommitment and was considered at the request of Kohl or Wayne upon the unanimous consent of the senate. He explained that the judgment was drawing 10 per cent and that it was economy for the state to pay it now. The house had refused to include the appropriation in the claims bill.

An appropriation of \$1,900 for Joe Rife was added. Mr. Rife, a state house employee, had his wrist injured when a heavy radiator fell upon it. Another claim added was that of the Western Plumbing and Heating company for repairs made on the building at the Omaha Medical college following the cyclone. The claim was for \$300. A somewhat similar claim by John H. Harte, the general contractor on the building, was rejected. It was explained that while his work had not at the time of the storm been completed by the Board of Regents that the work of the former had been.

An attempt was made for the recommitment of the Harte claim, but it was objected that this could not be done without unanimous consent, since the bill was recommitted only for specific amendment and the Harte claim was not specified.

#### RAILROAD OFFER OF STREET VIEWED WITH SUSPICION

GRAND ISLAND, Neb., April 9.—(Special.)—The members of the city council are eyeing a proposition made by the Union Pacific Railway company to this city with considerable suspicion and are much in doubt as to the acceptance of certain property for the use of streets. In October last the offer was made that the company would quit claim certain portions of its 400 feet right-of-way for the use of streets for \$1. The blue print and memoranda were referred and read and referred until now, when Member Hoyde, deputy city clerk, and a committee brought it from the shelving and moved that the council take no action in the matter. He received no second and a long discussion followed, Mayor Ryan urging that nearly every other city in the state had accepted a similar proposition. The matter was finally again referred to a committee for further investigation.

#### BOONE COUNTY BOARD CASE TO HIGH COURT

(From a Staff Correspondent.)

LINCOLN, April 9.—(Special.)—Tom H. DeLano, who says he is a duly elected member of the Board of County Commissioners from Boone county, has appealed to the supreme court from the decision of the lower court that holds A. J. Tishhammer entitled to the office. Tishhammer was elected in 1914. The plaintiff claims that there should have been no election in that year and that his term still continues.

#### FISH HATCHERIES MONEY INCREASED BY SENATORS

(From a Staff Correspondent.)

LINCOLN, April 9.—(Special.)—The house appropriation of \$48,000 for fish hatcheries at Grains and Valentine and for the state fish car were increased by the senate committee of the whole this morning to \$10,000.

The appropriation was contained in house bill 254. An amendment with the increase in the bill was ordered advanced to third reading by the upper house committee of the whole.

#### GRAND ISLAND COUNCIL REJECTS NEGRO'S CLAIM

GRAND ISLAND, Neb., April 9.—(Special.)—"Third degree" methods alleged on Braek McDaniel, a negro, while in the charge of the local police department have resulted in a claim of \$5,000 in damages by the negro against the city. The council last night, on a report of a committee to which the claim had been referred, found the claim unwarranted and disallowed it in toto and it is reported that suit will be brought in the courts.

#### Fairbury News Notes.

FAIRBURY, Neb., April 9.—(Special.)—During the last week, County Judge L. J. Nulman issued marriage licenses to the following parties: D. R. Melvin and Clara Critchlow; Harry A. Wood and Carolina Westling.

The Palace Cafe which has been conducted by L. F. Reed for nearly two years, changed hands this week. Mrs. Mary Johnson of Seward purchased the business.

At a recent meeting of the stockholders of the First National bank A. M. Berry, who retired from the county treasurer's office, January 4, 1914, was elected assistant treasurer. He will enter the bank, May 1, succeeding O. H. Moss, retired.

Jack Wright left for Chicago, this week, where he will join the Ringling Bros. circus as a clown. He is the son of Jack Wright of this city.

#### Making Good Work Possible.

As long as one is on his feet, he can work after a fashion, no matter how badly he feels. But you cannot do good work—have ambition and energy, feel that life is worth living—with sluggish bowels or torpid liver. Foley Cathartic Tablets do away with that drabby, dull, tired feeling. They never gripe or cause nausea. They're wholesome, cleansing and healthful. Most satisfactory for stout persons. Sold everywhere.—Advertisement.

### Nebraska Declare O'Connor Robbed Before Death

HASTINGS, Neb., April 9.—(Special Telegram.)—Information that John O'Connor was robbed of valuable papers a short time before his death will be laid before the authorities prior to the grand jury investigation of charges in connection with the \$100,000 will contest. It was learned today, John O'Connor, the contestant in the recent hearing, says O'Connor usually carried on his person about \$5,000, and he is wondering whether this money could have been taken from him during his illness or after his death.

It was learned today that no death certificate has yet been issued for O'Connor, who died August 17, 1913. There is some talk of asking for an autopsy to determine the exact cause of death, since there are rumors afloat that O'Connor might have been the victim of foul play.

#### Logan Childs Gives Bond.

BROKEN BOW, Neb., April 9.—(Special.)—Logan Childs, a veterinary surgeon of Arnold, this county, who is charged with having used a knife on Oliver Holmes March 30, had a hearing before County Judge Ford Wednesday of this week and was bound over to the next term of district court in the sum of \$200. Bonds were furnished by Arnold parties and the defendant's attorney.

#### Hartington Club Will Banquet.

HARTINGTON, Neb., April 9.—(Special.)—At a meeting of the directors of the Hartington Commercial club last evening it was decided to hold the annual banquet on Monday, May 10, and Nels Darling, the lecturer, was chosen as the speaker of the evening.

#### HYMENEAL

MORRIS-Philpot.

STELLA, Neb., April 9.—(Special.)—Paul R. Morris and Miss Effie Philpot were married at the home of the bride's parents, Mr. and Mrs. John R. Philpot, in Humbolt, at 7:30 Wednesday evening. The marriage lines were read by Rev. Mr. Seelwig of the Presbyterian church. The bride's sister, Miss Thelma Philpot, played the wedding march. Mr. and Mrs. Morris will make their home with their parents, Mr. and Mrs. August F. Morris on a farm near Stella.

#### Wilson-McBride.

LOGAN, Ia., April 9.—(Special.)—A very pretty wedding took place at the home of Mr. and Mrs. Oliver McBride near here Wednesday, when their daughter became the bride of Ray Wilson of Arsenal, S. D. Rev. M. M. Cable of the Methodist church of Logan officiated. A two-course luncheon was served, and shortly afterward the bride and groom left for Chicago and Racine, Wis., to visit relatives. They will be at Arsenal May 1.

#### Millener-Scott.

ASHLAND, Neb., April 9.—(Special.)—Miss Jessie A. Scott and Dr. Frederick H. Millener of Omaha were married here today. Rev. John Williams of Omaha read the marriage lines at the home of the bride's father, William C. Scott. Dr. Millener is experimental engineer at the headquarters of the Union Pacific railroad in Omaha, where Mr. and Mrs. Millener will reside.

#### Apartment, flats, houses and cottages can be rented quickly and cheaply by a Bee "For Rent" ad.

### MOREHEAD VETOES SAUNDERS WATER BOARD LIGHT BILL

(Continued from Page One.)

the greatest representative body of the people; the executive committee of the club refused to give support to the measure and in order that there should be a more free expression, referred the matter to the entire board of directors, sixty in number. By a vote of about three to one, the directors refused to endorse the bill. A postal card referendum resulted in a substantial majority against the bill.

#### Appraisal is Farcical.

"The bill specifically exempts the Water board from any and all supervision; it is free to do business on its own terms. The so-called appraisal is farcical in its nature. After the appraisal, neither party is compelled to comply with the report of the appraisers. The time given would not permit a reasonable and fair appraisal of the property concerned.

"I am emphatically in favor of true municipal ownership, and have never missed an opportunity to so declare myself, but this act adds nothing to the power the people already possess in their right to acquire and operate public utilities. By ill-advised legislation the people of Omaha were compelled to pay several millions more for their water plant than it was worth, and I do not propose seeing burdens of this kind placed upon them by the enactment of this bill.

"In conclusion I may say that a majority of the senate and the house have memorialized me to exercise the veto power. Many of these voted for the bill, but have since learned its true character and see the dangers of its enactment."

#### Veto is Sustained.

On a motion to sustain the veto the roll call was as follows:

- Yes—Heal, Miller, Piller, Robertson, Riden, Wilson of Dodge, Wilson of Frontier, Wilcox—17.

- No—Lahners, Mather, Piller, Robertson, Riden, Wilson of Dodge, Wilson of Frontier, Wilcox—17.

#### Unable to Stop Action.

R. B. Howell came to Lincoln this morning and went immediately to see the governor, but came away from the executive presence with a downcast look, evidently having discovered that the veto would come. The governor has since received many expressions of favor and congratulations upon his stand in the matter.

The petition from the two bodies of the legislature was signed by sixty-one from the house and eighteen from the senate. At the request of some who signed the petition in the house their names were withheld, but the governor gave out the senate list, which shows of the eighteen members signing all were democrats except Riden, Spencer and Lahners. Howell of Douglas did not sign the petition, but gave notice he would vote to sustain the veto.

Following is the petition to the governor from the senate, those marked with an asterisk being members who voted for the bill on its passage:

- To Hon. John H. Morehead, Governor—We, the undersigned members of the sen-

### OMAHAN ASSERTS HARRIMAN FRIEND OF LABOR UNIONS

(Continued from Page One.)

trainload of strike breakers was on the way, assaulting inoffensive citizens and insulting women by the way, everybody in Macomb City was anxious to see them. I went along as one of the oldest citizens to remind the boys against violating the injunction, for once they got us into the federal court at Jackson, we were helpless. When the train arrived the windows of the cars were suddenly thrown up and we were pelted with stones and a few shots were fired. I was hit by a rock and news was flashed all over the country that I was killed. I got over it, though."

Mr. Montgomery said that the stay of the strike breakers was a long nightmare, characterized by much violence.

#### Makes it Expensive.

"Strikers were always being arrested and taken to Jackson, where the charges were usually dismissed or fines remitted. The purpose of the arrests was merely to make it expensive as possible for us."

The witness said that his wages in the thirty years that he was employed in the Macomb shops started at 17c cents an hour and rose to 23c cents. He described the houses of the strikers as "boxes."

#### Tell us how the average shopman lives.

Instructed Frank F. Walsh, chairman of the commission.

"Read, haccn, country syrup—there is

### Girl Tells Charge Against Chief Was Framed by Sleuth

(Continued from Page One.)

LOS ANGELES, Cal., April 9.—Victoria Desparte, one of the two delinquent girls who made the original charges which caused the county grand jury to investigate the moral conduct of Charles J. Sebastian, chief of police, went to Judge Taft of the superior court today and told him that the whole affair was a "frame up."

Judge Taft said the girl named a detective employed by the district attorney as having persuaded her to make charges before the grand jury that Sebastian had taken her to resorts in a police automobile.

When Sebastian, through counsel, wrote the grand jury to demand a hearing on this case, he and his attorney were indicted for trying to influence that body improperly. The chief also was indicted for contributing to the delinquency of Edith Berklin, a minor. The detective named by the Desparte girl also worked on the Berklin case.

#### LEGISLATOR FINED FOR SLUGGING EDITOR

DENVER, Colo., April 9.—A. P. Ardourel, a member of the Colorado house of representatives, today was fined \$10 and costs in justice of peace court for assault and battery upon a newspaper editor.

The editor and the legislator mixed in a fist fight on the floor of the house last week. Newell was publicly reprimanded by the house. Then Newell had Ardourel arrested. Ardourel announced that he would appeal to the district court.
