#### Doane Powell Now Knows He is Wrong

Donne Poweil is a regular sport. After lesing a cigar in a bet on the usage of a word, he paid the debt, and then squandered a 3-cent stamp to write to the Literary Digest to learn whether he had honestly been beaten and whether the authority costed to him was really good. He learned that it was, and that even the new Standard Dictionary is against him.

It came up some weeks ago, when in the caltumns of The Bas appeared the sentence "Thirty thousand miles of wire was down." Powell bet a cigar with the buss that it should have been "were down." He quoted Principal Road of the high school and Belle Ryan, secretary of the Board of Education, as his authority an enterprising bookworm in the office dug up "The Manual of the University of Chicago Press," and proved that "was down" is correct. #### Glass of Salts Cleans Kidneys

If your Back is aching or Bladder bothers, drink lots of water and cat less meat.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean by flushing them with a mild, harmless salts which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys

Drink lots of water-you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithis, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus end-ing bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithiawater drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.—Advertisement.
