THE lot is large (148 ft. deep) and entirely surrounded by new and modern homes in keeping with this one. High, sightly and level. The location could not be betsurrounded by new and modern homes in keeping with this one. High, sightly and level. The location could not be better. It was selected for a high-class home. This outside appearance of this beautiful home will picase you as soon as you see it. It has all the lines and the style of a well-balanced and carefully designed structure. The cornice is extrawing, overhanging, and the exposed rafters are 2x6 (not 2xi). The front gable is paneled with three artistic windows; heavy brackets to cornice, white stucco and rock between the panels. The front porch is extra deep, with heavy-sided ralling and fxill top rail; massive square columns with electric bracket lamps on the two center columns. Heavy \$x\$? oak door; large living room, with preity colonnade opening, with 19-inch square rooms and built-in beokcases; a dining room that will delight you; pretty windows, plate rail, built-in seats. Front bedroom finished in oak to match living room and dining room; back bedrooms in white ename! (5 coats) with oak doors and trimming; a perfect bath room, all white ename! the walls, a white tile floor and high grade porcelain plumbing, medicine cabinet with plate mirror. Large kitchen and pantry and a full brick and concrete basement, with floor drain, hot and cold water and a furnace that will leat every room right. Electric lights and gas; inverted lighting system throughout the house, with beautiful laverted bowls; the oak woodwork is all selected material; the floors are highly polished oak. Here is a home that will delight you; it's complete, from the little socket in the kitchen for your electric iron and the galvanised clothes chute to the fine, large attic. Your carpenter or contractor friend will say "well built;" the construction and the finish is in this home. My proposition is this: \$300 cash, 100 in 30 days and \$200 in 60 days and monthly payments of \$22.50; the price, \$5.375. I could build you is larger home, but it could not be built better.
