SAINTS ARE EASY FOR ROURKE LADS

Home Folks Direct Bombardment Against North in Eighth and Score Five Runs. A brief lapse in skill completely ruined Pitcher North yesterday and as a result General Marty von Hindenburg's corps of heroes copped a victory from St. Paul, 5 to 3. Krug's crowd doesn't care who it looks nowadays, having no respect for big leaguers or class A sents or anybody else.

The bombardment which gave the home folks the combat was directed against North in the eighth stanza. Until this period the Saints were in the lead, 2 to 1. Doc Payne opened the festivities by cracking a blow to right. Breen laid down a neat bunt and North mused it up until both Payne and Breen were safe. Marty Krug coaxed the heaver for a walk, choking the runaway.

With Huelman up things looked rosy for the Houkians, but Frank popped a meanie fly by Haddock and Conley whiffed.

Schliebner Hits in Pinch. Just as the bugs were setting back into their seats in despair, Frits Schliebner oozed up to the plate and promptly busted the pill into safe territory in the left grand, scoring Payne and Breen. This put the Rourkes one to the good, but one didn't satisfy Red Whalen so Red knocked the ball out to the flag pole, counting Krug and Schliebner. Red made third on the swat. Riggert relayed the ball in to Miller and Miller threw to the plate. The ball missed the side plate about twelve feet and Whalen continued his journey homeward for the fifth run.

Krug's men made one in the fourth round, too. Marty walked and went to second on Huelman's single. While Allen was striking out, North unburdened himself of a couple of wild pitches and Krug advanced from second to third and from third to home.

North Pulls a Merkle. The Saints made their first count in the sixth stanza. North busted one to center and Allen and Huelman both went after it. Allen got their first but Huelman ran into him, knocking the ball out of his hands. North made third base, but was detected by the vigilant Rourkes, who, watching him circle the bases, decided that he had pulled a Merkle. In other words he forgot to touch second. The ball was relayed to Whalen who touched the bag and Umpire Van Sickle, who took the same viewpoint as the Rourkes, waived the minor league Merkle out.

Miller followed with a poke to right and was sacrificed to second by Riggert. Haddock smashed a hot one through Breen and Miller scampered home. A base on balls to Niffencker paved the way to the second Saint run in the eighth. Niff went to second on Miller's infield out and registered on Miller's hit to left.

Cruise Hits Home Run. Cruise slammed a slant over the right field wall in the ultimate chapter for the first hostile tally.

Three former Rourkes acted for the Saints yesterday. Chick Autrey scintillated about first base in an at-bat and poked a three-base swipe. Allen oozed him of a two-base blow in the second by

great catch in right-center. Jde Krick worked in center, but failed to start anything. Hick Johnson was behind the bat, made one hit and had a fine time trying to capture North's wild heaves.

Alten suffered a sprained ankle in the sixth and was carried off the field. He will not be able to play for two weeks says Dr. Schlieber, club physician. Conley took his place as Thomason is also laid up and was always tight in the pinches. The same teams play today. Game to be called at 3 o'clock. Score:

Perfect State Organization. The New Haven All Stars again took on all comers at the Farnam-Alloya Saturday afternoon and evening, winning most of their matches. In the three man team event they again won with ease from the locals with a total of 173.

Storz Take Opening Game of the Season The Stors indulged in the first real workout of the season by defeating the Chris Larks, 10 to 4, in a practice session at Lark park.

Lefty Hirsch of the Norfolk State league team, worked for the Larks and proved wild and ineffective. Hirsch passed eight men and made some wild pitches that proved costly. Moylan, who relieved Hirsch, was found for three runs and three hits in the three innings that he pitched.

Outside of the second, McGuire was never in real danger. He fanned ten in the first five innings and did not allow a pass during the game. Score:

BOWLING SEASON CLOSES

Omaha Pin Topplers Have Only State Tournament at Lincoln to Look Forward To. Last week marked the close of the regular schedules of all the leagues most of which wound up their seasons with tournaments open to their respective league members. The Metropolitan, Mercantile and Nebraska Telephone tournaments all had a successful run with keen competition and good rolling.

The presence of the New Haven All-Stars on the local runways was the big feature of the week. This trio of bowlers are the best in the game and by winning most of their matches on strange alleys proved that they were masters of the ten-pin art.

Schedules for the state tournament, which opens in Lincoln next Wednesday night, have been received. They show an entry of thirty teams. Twelve of these are entered by Lincoln, eight by Omaha, four by South Omaha; Grand Island, three; Friend, Hastings and Pender, one each.

Against their opponents 158. A set of doubles with Cochran and K. Sciple pitted against Johnson and Lindsay proved to be the most spectacular match of its kind ever witnessed here. All four contestants were bunched together well over the 500 mark and only three of the twenty single games were below the two century mark.

JACKS ARE ROUSED AT LIGHT BILL VETO. Executive Comes in for Their Course for His Veto of Electric Light Bill.

HITCHCOCK SEES IMPERIALISM. The Jacksonian club of Nebraska Saturday evening informally opened its new quarters on the sixteenth floor of the City National bank building, concerned that the Governor Mordecai for his veto of the Omaha electric light bill and listened to a talk by United States Senator Hitchcock.

President Weaver of the club explained that the organization is composed of the better element of democracy of this city and it is expected that interesting talks will be heard in the future. The club is now in the state of rejuvenation.

Among the "better-element" democrats present last evening were: William Yancy, F. W. Driscoll, J. W. McCasie, John Murphy, F. L. Weaver, J. J. Hanighen, Ed Rothery, Dr. A. H. Hipple, John Fitz Roberts, J. F. Gray, I. S. Johnson, A. A. Lamoreaux, Robert Atchison, W. F. Baxter and J. Melloy. Treasurer Yancy reported that the club has enough money in the exchequer to pay rent for another month.

The resolution condemning the governor was offered by W. F. Baxter and it was adopted with John Fitz Roberts voting alone in the negative.

In his recital of the experiences of a man serving his constituents as senator at Washington, Senator Hitchcock declared that there is a tendency in the congress to enlarge the sovereignty of the federal government and to correspondingly minimize the powers of the states.

The senator said the empire of the past would not compare with the government if this tendency continues. He referred to federal regulations of railroads, which once was a matter of state regulation.

Midwick Polo Team Beats Coopertown. SAN FRANCISCO, Cal., April 10.—The Midwick polo team of Pasadena, Cal., added to its long string of unbeaten victories today by defeating 9 to 5, the Coopertown (N. Y.) team in the finals for the Panama-Pacific exposition championship cups on the exposition field. The game was one of the best contests thus far in the universal polo tournament.

Webb, as usual, played a slashing game, his long drive netting his team many advantages. Coopertown, on the other hand, missed many strokes, and on several occasions was unfortunate in missing goals by the best players.

A postponed game, the finals for the Sacramento cup, was played this morning at San Mateo. The Boise (Idaho) team defeated the First cavalry four, 5 to 2, the army being conceded four goals by handcap.
