**SEVERAL CITIES ASK TRAVELERS' SESSION**

Alliance and Grand Island in Lead for Next Meeting of Protective Association.

**BANQUET HELD AT THE CLARKE**

HARTING, Neb., April 16.—(Special Telegram)—An auto polo game, a short business session and a banquet tonight in the Clarke hotel were the opening features of the state Travelers' Protective association convention. The polo contest afforded an abundance of thrills and one of the players narrowly escaped injury when his machine turned over. It will be repeated tomorrow afternoon and night.

Frank Castle, local president, presided at the initial session today of the Travelers' Protective association. Mayor Madgett and President J. N. Clarke of the Chamber of Commerce welcomed the delegates, and response was given by State President A. D. Hoag. Ex-Mayor Miles was toastmaster at the banquet and toasts were responded to by A. D. Hoag of Lincoln, Rev. A. A. Brooks, J. P. A. Black and G. W. Tibbets of Harting. Rev. A. A. Brooks is being boomed for national chaplain.

The automobile offered in a contest by the local post was awarded to P. N. Hill of Fremont.

**Elevator at Elkhorn Burned; Loss More Than Ten Thousand**

ELKHORN, Neb., April 16.—(Special Telegram)—The grain elevator belonging to Seefus & Deerson, the Elkhorn Grain company, was completely destroyed by fire this afternoon. Propelled by the strong southwest wind the entire town was threatened for a time, but quick work by the fire departments of Elkhorn, Waterloo and Valley confined the blaze to the elevator. C. C. Holling's lumber yard, about eighteen feet across the alley, was saved, although it seemed bound to catch fire from the flying sparks. About 7,000 bushels of grain were destroyed. The total loss is estimated between \$10,000 and \$12,000, the elevator being worth about \$6,000. The loss is partly covered by insurance.

**BUSINESS HOUSES CLOSE FOR MANN FUNERAL**

CHADRON, Neb., April 16.—(Special)—Business houses were closed Wednesday morning during the funeral of Charles Mann, who died suddenly at Rapid City, S. D., Monday, while attending the stockmen's convention. The services at the First Methodist church was in charge of Rev. J. C. Dillon, pastor.

Charles Mann was born in Lincolnshire, England, in 1845, and after attending private school, finished his boyhood education at Brown university, Pinchback, Lincolnshire, England.

For several years he was an employe in a grocery and general supply business at Sheffield, prior to his coming to America in 1868, when he settled in Dubuque, Ia. In 1872 he went to Gentry county, Missouri, and engaged in farming and the raising and shipping of stock. Here on December 9, 1877, he was united in wedlock to Miss Rebecca V. Halstead, to which union has been born three sons. On account of failing health, Mr. Mann sold out in 1882 and came to Nebraska, settling in the Chadron creek valley, in what is now Dawes county, in 1884. His early pioneering had the usual disadvantages of being compelled to haul his supplies from Valentine, the nearest railroad point, by wagon. He served as a member of the Dawes county Board of County Commissioners three years. He was elected as a member of the State Board of Agriculture in 1897 and had served as such continuously ever since. He was president of the Dawes County Fair association for twenty-five years.

His wife died ten months ago, since which time Mr. Mann has taken interest only in his work in agricultural matters.

**KEARNEY WILL BUILD SEEDLING OF HIGHWAY**

KEARNEY, Neb., April 16.—(Special)—One mile of seedling concrete road will be constructed on the Lincoln highway west of Kearney within the next few months. W. F. Bailey has just returned from Detroit where he conferred with the highway officials in regard to the building of the road and all arrangements were completed for the commencement of the work. The new road will be a model in construction and will be broadly advertised by the association. It will be fifteen feet in width, made of reinforced concrete, sixty-nine carloads of pebbles, twenty-four carloads of sand and sixteen carloads of cement being used in the construction.

The road will be built west of the city, beginning at the west side of the State Normal school ground and running to the industrial school property. The work will undoubtedly open up a field for much additional improvement in road construction, and it is believed that the highway will be paved from the east end of the city to join the seedling mile on the west. An engineer from Detroit will have charge of the work of construction when commenced.

**JOY'S WORK APPRECIATED BY LOUP CITY YOUTH**

LOUP CITY, Neb., April 16.—(Special Telegram)—The boys of the high school held a banquet tonight to show their appreciation for the good work which George Ellingwood Joy has done among them. After the lecture they accompanied Mr. Joy to the Frederik hotel, where a banquet was served. The room and tables were beautifully decorated with the school colors and flowers, and music was rendered by the Loup City orchestra. After the banquet was over the toastmaster, Carl G. Amick, made a short speech in which he voiced the appreciation and gratitude which the boys felt for Mr. Joy.

**MUCH TALK ISN'T NECESSARY WITH KING-PECK CLOTHES AT**

**\$15 \$20 \$25**

KING-PECK clothes reflect a personality without a false note—the right spirit that good dressers want—their appearance—style—endurance and splendid fit speak plainly enough to attract discriminating dressers—the values speak loud enough to bring every man within a buying radius of this store for an investigation

The day when men *must* go to a tailor is gone. Stout or slim, tall or short, you are the man for whom we have an exact fit here in KING-PECK clothes.

Frankly, no tailor can do more for you in the matter of fit than we can with these new Spring clothes. When you try one on you feel as though it had been built for you. That's the result of the maker's able skill and their careful study of the fitting question.

We're ready to make good our statement that we can suit you whenever you're ready to come here for that new Spring suit.

**Mothers--Is Your Boy Prepared for Spring?**

There's a reason for our asking, for if he isn't, there was never a better opportunity offered you to fit him up than right now. We've assembled a selection that any proud mother should be glad to inspect. We know you will be favorably impressed for never before in our history have we gathered such a large and worthy display. To keep improving is a by-word of this boys' store, and if we ever lived up to that determination we have this spring.
