NEW ERA OF CIVILIZATION TO CHANGE EXISTING ORDER

Both capital punishment and animal slaughter should be abolished in the interests of the common welfare, said L. W. Rogers of New York in a lecture on "The Life Sublime" last night at Theosophical hall, 701 Bee building.

The new era of civilization that will follow the world war will look back on both these "relics of barbarism," as he called them, with the same horror that clude the idea that they were cranks actthe race now regards the cannibalism of its younger days. Vivisection was also criticised as a bru-

tal disregard of the rights of a weaker order of beings. The course of lectures in Omaha will

be closed Friday night, when the lecturer will speak on "Self-Development and the Way to Power."

MOTORCYCLE RUNS INTO HORSE: LEG IS BROKEN

John Guick, 2737 South Thirteenth street, and Frank Ricon, 2720 South Twelfth street, while riding a motorcycle east on Leavenworth street, collided with a horse at the intersection of Forty-third street, and broke one of the animals forelegs. The horse, which belonged to E. A. Winn, 2001 Leavenworth street, was standing in front of a blacksmith shop, and after the collision was shot because of the injury. The two fellows on the motorcycle were arrested by Officers Fimple and Ungar and brought to police headquarters, where they were charged with reckless driving.

Lively Park Board Session.

The Park board met tast evening and "Richard Carvel" calls for a large after a lengthy debate laid a motion to the first meeting in May. Several dising capital to work on. A motion made at the last meeting to pay an electric light The first meeting of the participants bill amounting to about \$300 was rescinded so as to provide enough funds to start park improvements.

Secretary John M. Tanner and Member Sanger rose, to a heated discussion on matters relating to the board's previous action, which after a time grew into personalities. Judge Caldwell quietly interfered while the argument was at its height and the fists were aimlessly pounding the air in oratorical emphasis. Sanger made a motion to remove the office of the secretary from the private business office of Secretary Tanner to the office of the city clerk, which passed The same member also moved that a committee of three be appointed by the president to audit the secretary's books This passed unanimously and President Heflinger appointed Wall (chairman), Caldwell and Heflinger to serve.

Caldwell had a motion to provide a base ball diamond at Mandan park and also one to turn on the lights ih all the parks the first day of May, both of which passed unanimously,

Member Mahoney moved that the chicken coops, dogs and other barnyard property said to belong to F. A. Agnew he removed from the entrance of Spring Lake park at Twenty-second and D streets. The motion passed unanimously. Mahoney drew many a broad smile while relating his experiences with the said barnyard" while on a trip of inspection,

That Tired Feeling

Relieved by Hoods Sarsaparilla, Which Renovates the Blood.

That tired feeling that comes to you in the spring, year after year, is a sign that your blood lacks vitality just as pimples, botis and other eruptions are signs that it is impure; and it is also a sign that your system is in a low or run-down condition inviting disease. It is a warning, which it is wise to heed. Ask your druggist for Hood's Sarsaparilla. This old standard tried and rue blood medicine relieves that tired feeling. It cleanses the blood, gives new life, new courage, strength and cheerfulness. It makes the rich red blood that will make you feel, look, eat
