

W. K. Kellogg's Society

By MELLIFICIA. Thursday, April 22, 1915.

THE executive committee of the Women Golfers met yesterday for the first time this year and completed plans for the season's games. It was decided that the members would play every Monday, each at their own club, and the first Monday of the month will join in a tournament, which will be given at one of the local golf clubs. Monday, May 3, was set aside as first tournament day and the course selected was the Omaha Country club.

The tournaments will be an all day's game. In the morning qualifying rounds will be played. Then the members will lunch together and in the afternoon play off the match.

This is the third year of the Women Golfers' organization and the following are the officers: Mrs. Bruce Moffatt, president; Mrs. W. T. Burns, first vice president; Mrs. A. W. Tillson, second vice president, and Mrs. L. M. Lord, secretary and treasurer.

Ak-Sar-Ben Box at Opening Game.
Miss Frances Hochstetler, reigning queen of Ak-Sar-Ben, will entertain at a box party Tuesday afternoon at the opening of the base ball season. The box will be decorated with quantities of spring flowers and the Ak-Sar-Ben colors. The party will be chaperoned by Mrs. Frank Hochstetler and will include about twenty-five guests. Among the guests will be Mr. Charles D. Beaton, present king of Quivers, Mrs. Beaton and Master Charles D. Beaton, Jr., the youngest member of the House of Ak-Sar-Ben. Others who will give box parties at the opening game are Mr. and Mrs. Eugene C. Molloy, Mr. and Mrs. W. A. Bourke and Miss T. Brandt. A large number from out in the state are planning to motor in to the game, which is to be with Sioux City.

On the Calendar.
The Falsaco club will give a dancing party this evening at the Metropolitan club.
Chapter B. K. of the P. E. O. sisterhood will have a guest day Saturday at the home of Mrs. C. N. Babcock. The chapter will also entertain at a musicale Thursday, May 6, at the home of Mrs. Joseph C. Weath, the president.
The club will celebrate its sixteenth birthday next Thursday with a luncheon at the Hotel Loyal.
Ex-Senator and Mrs. Norris Brown will entertain the members of the Harmony club Saturday evening at their home.
The regular weekly chicken pie dinner will be given Friday in the parlors of the First Presbyterian church. Mrs. Frederick Bacon will be in charge.
The literature department of the Omaha Woman's club will be entertained at a Kensington at the home of Mrs. W. S. Heller next Wednesday afternoon. In addition each member will contribute to the program. Mrs. C. L. Hempel, Mrs. L. M. Lord and Mrs. F. F. Porter are the committee in charge of the affair.
The Scottish Rite Woman's club will meet at the cathedral Friday afternoon at 2:30 to sew floral cases for the club silver. Mrs. F. W. Fitch is chairman of the committee. Each member is cautioned to bring her thimble.

Mothers' Club to Meet.
The Bemis Park Mothers' club will meet at the home of Mrs. Horace J. Holmes, 117 Turner boulevard, Friday afternoon at 3:30 o'clock. This club was formerly known as the Bemis Park circle of the CHM Conservation league.

Daffy Dill Club Party.
The Daffy Dill Luncheon club gave a farewell luncheon Tuesday at the home of Mrs. Arthur Hansen in honor of their president, Mrs. C. L. Walker, who is leaving Omaha to make her home in Springdale, Ark. The club's gift to Mrs. Walker was a sterling silver spoon. Mrs.

WATER PLANT HAS EARNED LARGE SUM

Audit Made by Firm of Chicago Experts Shows What Plant Has Done Since Bought.

MONEY FOR THE SURPLUS FUND

An audit of the accounts of the city water department for last year, made by a Chicago firm, has been released by the Water board, and shows that during 1914 a net income of \$56,644.20 was added to the surplus.

The following is a summary of the year's business as reported by the auditors:

Income from operations.....	\$74,971.07
Operating expense.....	26,125.70
Reserve for depreciation.....	50,732.28
Doubtful accounts.....	3,590.06
Net income from operations.....	48,112.06
Income from other sources.....	21,148.54
Total net income.....	\$69,260.60
Interest and exchange on bonds.....	23,000.00
Reserve for bond sinking fund.....	12,043.34
Net income added to surplus.....	\$34,217.26

Fastest Typist on Way to World's Fair

Emil A. Trefzger, the world's fastest professional stenographer, passed through Omaha this morning bound for the Panama-Pacific exposition from New York. Trefzger, who is now connected with the Underwood Typewriter company, will demonstrate the agility of his fingers before visitors at the fair.

His latest record is 128 words a minute. In an hour he wrote 7,812 words and made only thirty-nine errors. For these errors he was penalized 126 words.

Speed in the Trefzger family is a byword. His youngest brother, Gus, is also a professional stenographer and ranks fourth in the list of world's fast key pounders. Both boys hail from Peoria, Ill., and learned to use a typewriter in a business college there.

HORTICULTURISTS WOULD JOIN GARDEN CLUB MOVE

Plans are now under way for affiliating the girls' horticulture class of Central High school with the school garden club movement. Miss Caroline E. Stringer, head of the natural science department and teacher of the benefit of the garden club campaign, but they will not compete for the prizes offered, which are intended for younger students.

Rid Stomach of Gases, Sourness, Indigestion

You don't want a slow remedy when your stomach is bad - or an uncertain one - or a harmful one - your stomach is too valuable; you mustn't injure it with drastic drugs.

Pape's Diapasin is noted for its speed in giving relief; its harmlessness; its certain unswerving action in regulating sick, sour, gassy stomachs. Its millions of cures in indigestion, dyspepsia, gastritis and other stomach troubles has made it famous the world over.

Keep this perfect stomach doctor in your home - keep it handy - get a large fifty-cent case from any drug store and then if anyone should eat something which doesn't agree with them; if what they eat lays the lead, ferments and sours and forms gas - causes headache, distaste and nausea; eruptions of acid and undigested food - remember as soon as Pape's Diapasin comes in contact with the stomach all such distress vanishes. Its promptness, certainty and ease in overcoming the worst stomach disorders is a revelation to those who try it. -Advertisement.

Straw and Taffeta Model

By LA RACONTEUSE.

A most unusual and smart chapeau in cherry-colored taffeta and basket weave straw of the same shade. A novel effect is afforded by the curious quartered cut "tam," which covers a soft crown of the taffeta. A crushed band of taffeta covers the head band and finishes with a saucy bow to one side.

Women's Screams Bring the Police to Their Rescue

Dr. D. W. Quigley, sewated candidate for the office of county coroner at the last election and half owner of a pharmacy at 1809 Chicago street, was arrested by the police there at 2:30 yesterday morning with three other men and two women. Passerby heard the women scream and called the police.

When Officers Werner, Rooney, F. Murphy and W. Murphy arrived, they found Marie Williams, 2321 Harney, and Jennie Pennington, 2010 Davenport, in tears and trying vainly to escape.

The women made grave accusations against the men, who at headquarters were booked as follows: Al Hirschman, 506 North Twenty-second; Walter Jamieson, 1810 Chicago; Jack Cohen, 2195 1/2 Chicago, and Dr. Quigley, who lives at 3111 Maple.

None of the men would talk except Jamieson, who confined his remarks to threats against the police because of their unceremonious visit.

The girls, each about 25 years of age, declared they work in a downtown restaurant, waiting table, and explained their presence in the store by saying they were invited into the store to have some ice cream. When the police arrived the store was in darkness and the doors locked.

Women's Screens Destroyed by Bugs

A bug that withers radishes almost as soon as they are out of the ground is giving much trouble this season to youngsters of the school garden clubs, as well as to the expert and amateur gardeners.

Ernest E. Dale, expert gardener in charge of the children's garden work, has been appealed to by many gardeners to help them put a stop to the pest. It is practically ruining most radish beds, he says. Experts decided it was a flea beetle, and have sent several to Prof. Lawrence Bruner at Lincoln.

FRECKLES

Now is the Time to Get Rid of These Ugly Spots

There's no longer the slightest need of feeling ashamed of your freckles, as the prescription ointment—double strength—is guaranteed to remove these homely spots. Simply get an ounce of ointment—double strength—from Sherman & McConnell or any druggist and apply a little of it night and morning and you should soon see that even the worst freckles have begun to disappear, while the lighter ones have vanished entirely. It is seldom that more than an ounce is needed to completely clear the skin and gain a beautiful clear complexion.

Be sure to ask for the double strength ointment as this is sold under guarantee of money back if it fails to remove freckles.

WOMEN PLANT TREE ON LINCOLN HIGHWAY

Prof. Condra Lectures on Journey Through Nebraska—City Observes Arbor Day.

TREES FOR THE CHILDREN

The Omaha Woman's club celebrated Arbor day by planting a tree on the Lincoln Highway, just beyond Fairacres. Mrs. Edward Phelan directed the planting in the absence of Mrs. William Berry, acting chairman of the conservation committee, who is ill.

Yesterday at the Monroe theater Prof. D. E. Condra of Lincoln, director of the Nebraska Conservation and Soil Survey, gave an illustrated lecture, "A Journey Through Nebraska." This lecture was also arranged by the conservation committee.

Mrs. J. C. Weath, president of Chapter B. K. of the P. E. O. sisterhood, arranged for the planting of several trees at the Child Saving institute.

Many Trees Planted.
Nurserymen estimate that Omaha has planted at least 30,000 shrubs and trees this season, many yesterday, not to mention thousands of flowers and vegetable gardens that have been started.

Practically the entire city observed, or at least took special notice of Arbor day. In the city schools exercises were held commemorating J. Sterling Morton, former secretary of agriculture, who originated the day, and some of the schools set out trees or shrubs or flower gardens in the school grounds.

Mayor Dahlman fostered observance of the day by ordering the city hall closed, and Superintendent E. U. Graff, of the public schools authorized the setting aside of regular class schedules in the schools, in order that Arbor day might be fittingly observed.

Lot Improvement Contest.
The Civic league started its active campaign for members of its annual lot improvement contest by distributing thousands of folders to school children and homes. The competition will be similar to the one the league held last year, with cash prizes for people who make the greatest improvement in their grounds during the season.

Hundreds of public employees and others took advantage of the holiday to work on home gardens, as the federal building, city hall, public library, court house and parks were closed all or most of the day. Those who had no time or room for gardens made the most of the chance to clean up their yards and at least start a flower bed.

With the school garden clubs it was

also a busy day, several more schools sending in membership cards and raising the enrollment to 200 boys and girls in the twenty-one schools already organized. Expert Ernest E. Dale, in charge of the movement, put in a big day's work, for although Arbor day is a holiday with some people, his position requires his more active work then.

Spanish War Vets Meet Here Monday

About 300 veterans of the Spanish-American war are expected to assemble at the Home hotel Monday morning for the eighth annual encampment of the Department of Nebraska, United Spanish War Veterans. They are to hold a two-days' session Monday and Tuesday. A sightseeing tour about the city is planned for the women for the afternoon of Monday and a theater party is arranged for the evening.

The men are to have a smoker in the evening in the convention hall. Veterans and women are to have a banquet Tuesday evening at 7:30. Governor J. H. Moreshead is invited to speak to the veterans at this time and ex-Senator John M. Thurston is scheduled to speak.

W. M. DANNER TO TELL OF WORK AMONG THE LEPERS

The story of world-wide work among the lepers will be told by W. M. Danner of Cambridge, Mass., secretary of the United States committee of the Mission to Lepers, at the Young Women's Christian association Friday afternoon at 2:30 o'clock, and Sunday at the Plymouth Congregational church. Mr. Danner is brought to Omaha by the local auxiliary to the mission, of which Mrs. B. L. Johnson is the president.

for. There was a heavy fall of snow during the winter, but since spring set in, there has been little rain. Crops are beginning to suffer. We have heard of the wonderful crops raised in Nebraska and we believe that we can make money by selling out in Ohio and taking on some of the cheaper land in Nebraska, land that is equally as good, if not better than ours."

Essays the Bugbear of Boys in Omaha Garden Lot Contest

Essays, the bugbear of all school children, are proving a drawback to enrollment in the school garden clubs, says Secretary R. E. Flower. One of the requirements of all members is that they write an essay about how they made and used their gardens.

Another cause of tardy enrollments is a misunderstanding on the part of parents and children concerning rules of the clubs. Parents are asked to allow their children profits from their work, but that simply means that the youngsters shall be given credit for vegetables consumed by the family and does not necessarily mean that parents must pay the children cash.

TRIES TO CUT OFF HIS ARM WITH A MEAT AXE

Oliver Nielson, aged 55 years, who lives near Arthur, Ia., is being treated at the Kountze Park hospital as the result of a mental disorder. Nielson all but severed his left hand from his arm when he placed the member on a chopping block and struck his wrist repeatedly with an axe. Rev. A. Liljestrand of Arthur, a relative of Nielson, accompanied him to Omaha.

KRUMBLES

Long ago folks began to wish they had something new to eat—
And now—
Along comes
Krumbles

A new food, a new flavor and a daintiness all its own.

KRUMBLES is made entirely of **Wheat**—the whole of the wheat berry—granulated, cooked and delicately toasted.

It's a new idea—a new *method* originated by W. K. Kellogg, of Battle Creek. The equipment is patented.

There can be no imitation of KRUMBLES. Every package of KRUMBLES is sure to be Kellogg's. You will find the signature "W. K. Kellogg" on the package, just as you do on Kellogg's Toasted Corn Flakes.

And the package is the famous damp-proof, air-proof Kellogg's "Waxtite" package.

Serve KRUMBLES all around to the folks at breakfast.

Pour a little cream or milk over it. KRUMBLES has a fine natural sweetness of its own, and the more you chew it the better it tastes.

At your Grocer's—

10 cents the package

W.K. Kellogg
