

STUDENTS DANCE IN SPITE OF RULE

Much Talked of Dance Given at the Rome and Patronized by Many Young People.

ALUMNI JOIN IN THE JOLLITY

In spite of strenuous and persistent opposition by the Board of Education, which forbade giving the dance and forbade all high school students to attend, the "Student and Alumni Prom" was given at Hotel Rome last night and was a complete success.

Almost 100 couples, the majority of them active students of the school, attended the affair. Many alumni and former students were present. It was even rumored that one or more employees of the school board attended the party and danced with the students.

Big Company There.

Henry Howes and Chandler Trimble were the high school alumni who undertook to give the dance after the Board of Education had entered objections and had forced active students to withdraw from the committee and had cancelled the original arrangements for giving the dance at Hotel Fontenelle. They stated last night that the attendance was large enough to pay all expenses and probably leave a small surplus.

A program of music and dance demonstrations was given. College pennants were used generously in decorations, and neat programs done in brown were used. The patrons and chaperones were Mr. and Mrs. J. B. Zippel, Mr. and Mrs. D. E. Loveloy, Mr. and Mrs. N. L. Trimble and Mr. and Mrs. Smith.

Wright Registered By Order of Court

Election Commissioner Moorhead was required to enroll Walter Wright, 217 North Twelfth street, a negro, as a qualified voter by a peremptory writ of mandamus issued yesterday afternoon after a hearing by District Judge Redick. The election commissioner's books for the city election closed at 6 o'clock yesterday but Wright had his writ of mandamus which was secured by Attorney Rine, Lambert and Baker, in ample time to make secure his privilege of voting. The writ was issued on Wright's showing that the address as given by him in Omaha is his home. Mr. Moorhead maintained that he had no permanent home and could not vote.

Primary at Wahoo Up to Hitchcock

WAHOO, Neb., April 24.—(Special.)—The people of Wahoo are very much pleased over the late rumor that a primary will be held here soon to select a successor to Postmaster Mauck, whose time expired February 1. The people are awaiting the action of Senator Hitchcock as it is understood that the senator of late made some intimation to this effect and it is understood that it has been approved by the other faction of the party.

Charles J. Ryan, one of the candidates, on being asked concerning the primary election, said: "I cannot conceive of a democrat opposing this fundamental principle of democracy. The servant is not above the master. I have made a good fight, and I rest my case upon the judgment of the people and the consciousness of having battled in a righteous cause."

The new mayor is Martin E. Kerl, a prominent hardware merchant, a pioneer business man and noted as a conservative and able financier. The clerk is August Hanft, a very capable man who has proved his efficiency through four different administrations. The treasurer is Frank Miller, a pillar of financial strength, and the assessor, John Redicker, is a business man of the city whose duties will be merely nominal.

Greatest of All Human Blessings

The most wonderful thing in the world is love expressed in the helpless infant. And among those aids and comforts for expectant mothers is the well known "Mother's Friend."

This is an external application to enable the abdominal muscles to become more pliant, to expand naturally without undue pain from the strain upon cords and ligaments. In almost every settled community are women who have enjoyed the blessing of this famous remedial and helpful embrocation. Their daughters have grown up to learn of his splendid assistance. Applied as directed upon those muscles involved it soothes the fine network of nerves with which all the muscles are supplied. Thus a great share of the pains incident to expand naturally and the period of expectancy passed through in ease and comfort. Anything that adds so much comfort must be counted as a blessing indeed. In a little book sent by mail much useful information is given to inexperienced mothers. It tells how to use "Mother's Friend" and how to avoid caking breasts. Get a bottle today and write for book to Bradfield, Regulator Co., 409 Lamar Bldg., Atlanta, Ga. Be sure you get "Mother's Friend."
