### JOSIES COP GAME IN THE ELEVENTH

Rourkes Pass Up Several Opportunities to Win by Rather Ragged Base Running.

STILL LEAD LOOP, HOWEVER

The Rourke machine slipped a cog yes terday and the lowly Drummers from St. Joseph copped a win from our athletes, 4 to 2, after eleven innings of rather ragged base ball, but it matters not in the per centage column, for the obliging Grisslies turned a trick or two in Wichita and the Kaneas town was trimmed, thus leaving Omaha still perched at the top of the ladder.

The Josian tried hard to give the game to our side several times, but Marty's athletes were not inclined to take advantage of the proffered gifts. Paul Brown passed out seven swats, six walks and his mates added nine miscues to the offerings. On four distinct occasions Rourke runners were nipped rambling promiscuously around the runway without any apparent sense or direction or

Burney Everden totled nine rounds for Omaha and pitched fairly steady ball, especially considering it was his first effort this year and he was still nursing a flock of boils on the back of his neck. Burney had swell control, allowed nary a walk and kept the hits pretty well scattered. He expired in the ninth to let Cy Forsythe bat for him, and Franklin Johnson went in to get credit for the loss.

Patterson Turns the Trick. blow by Manager Ham Patterson did the work in the fatal eleventh. Fox beat out an infield hit and was sacrificed to second by Watson. Here Patterson injected his only hit into the matined and it sufficed to ruin the Rourkes.

Omaha got the jump on the invading battalion in the second stanza, but the lead was short-lived. Thomason was given a walk to start the festivities, and Huelsman laid down a neat sacrifice. Brown pegged wildly to second to catch Tommy there and the ball rolled into centerfield, while Tommy hied his little time in which to mark.

Three blows in the fourth put the Josles one to the good. Britton beat out an infield hit and went to second on Williams' drive to right. Both men traveled an extra base when Huelsman foozled the ball a moment. O'Day's single to center registered both men.

Rourkes Count Two. When Breen deceased in the sixth Krug caught a slant for a hit to right, and went to third on Thomason's poke to the same garden. Tommy was nipped

Each Missouri Valley team is entitled to a team entry in the doubles and two in the singles. The following Saturday, May 30, the University of Oklahoma and Nebraska will hold a tournament in Lincoln. This completes the tennis schedule for the season-the first attempt Nebraska has made to take part in this popular branch of sport. C. H. Gardiner of Omaha, Harry Ellis, O. H. from them. Foot Ball Candidates Out. Stiehm reports more interest in spring foot ball practice than ever before, with more candidates turning out, including the warsity men. He is much encolraged over the splendid showing the men are making.
