First Games of Year to Be Played at Norfolk, Grand Island, Colum-

bus and Kearney.

WILL BE A SUCCESSFUL YEAR

After six months of struggling con-

stantly hindered by rumors and reports that the magnates were about to abandon the ship, the Nebraska State league will open the 1915 season Friday with pros-

pects about as promising as at any time in the history of the league. Seven of last

year's cities will be back to fight for the

old pennant and one new town makes its appearance. The new comer is Fair-bury, taking the place of Superior.

All of last winter affairs in the state loop were in a chaotic condition. Kearney

#### IS LARSON FROM ST. PAUL CLUB

SIOUX CITY, May 8 .- Special Telegrom.)-Pitcher Bert Larson, just bought from the St. Paul club of the American association, not only shut out the Sioux with five measely hits, but started the nighth inning, which won the same for the Rourkes, by lacing out a clean single to open the ultimate frame. Following rson's hit the Rourke artillery unlimred and hammered two runs across the ate, winning the game, 3 to 0,

Lefty Hallman pitched a nice game for e Sloux until the final round, when his omentary slip proved fatal. As a reult of the victory Omaha got an even reak on the series. Today the Rourkes open a four-game series with Des Moines at that city. Score:

OMAHA, SUNDAY MORNING, MAY 9, 1915.

"SOMETIMES THEY COME BACK"-Fans and sporting men in general are interested in the wonderful exhibition of box-artistry shown by Jack Coombs during the Brooklyn-Philadelphia base ball game. When Mack "cleaned out" his championship team after the close of last season Coombs was sold to Brooklyn, and his presence in the Dodger team may make them real trouble makers. Anyway, it was his work that enabled Brooklyn to be the first team to get as good as an even break in a series with the victorious Phillies.

RESULT IS FOUR TO THREE

BOSTON, May 8 .- The Boston Nationals won in the eleventh inning from New York today, 4 to 3. The Giants had tled the score in the ninth and had taken the lead in their half of the eleventh. Gowdy's double, Gilbert's speed in beat-

ing out a bunt, Moran's hit, a sacrifice, by Egan and a wild pitch by Schauer was the combination which produced

Boston's tleing runs. Score: NEW YORK. BOSTON.

Then the enthusiasm of Fairbury, the new child, became contagious, all the cities in the league caatching the fever, and Outfielder Mainey offered the manage-

ment of the Kearney club a proposition which kept that team in the league. Matney Sells Tikets.

Matney offered to sell season tickets at a ridiculously low price. He was given the job and he sold everybody in Kearney and Buffalo county. The result was that a snug sum reposed in the Kearney treas ury when it came time to talk base ball. Kearney re-entered the league and made Mainey manager of the club to prove their appreciation of his services.

York began to hustle; the business men of the town put up their cash and base ball was saved there. The same happened at Norfolk, which was wavering a bit because of debts outstanding from last year.

If the attendance in the various cities anywhere near approaches that of last of last year the state circuit will enjoy a most bountiful success. The schedule calls for but ninety-eight games, jumps between cities are short and inexpensive, salary limits have been reduced to a Straight to Pirates rational basis and the player limit has been cut.
