## Says Thin People Can Increase Weight

Food Alone Produces Pat. Says Noted Expert—Eow to Turn Food Into Healthy Flesh,

Realthy Flesh.

The reason that some people are chronically thin and under normal weight, says a noted authority, is because of a chronic teakage of the fatmaking elements in their food. The assimilative functions of their stomach and intestines are not working properly only a small bortion of the food nourishment of their meals ever reaches their blood—fust enough perhaps to keep life within the body—the rest passes out as waste. The problem of gaining weight and flesh depends entirely therefore on a natural stopping of this dangerous waste of fats and the correction and repair of the organs of assimilation. For those who wish to gain healthy flesh and put on from ten to twenty pounds of weight a single Sargol tablet taken at meals for a few weeks will almost invariably produce the desired effect. Sargol does not of itself build flesh, but, swallowed with you eat. first separating all the fats, oils, sugars, starches and other flesh-making materials from the food waste and then preparing all the nourishing elements in a form which the blood can readily accept and distribute all over the body. Sargol stops the leakage of fats, keeps all he flesh-making materials within the body allows only the worthless waste to leave it. It further repairs the faulty organs of assimilation, enabling them gradually to properly perform their natural functions so that the new found flesh "stays put." Sargol is not an experiment Thousands have used it and proved it Its action is natural and harmless and it is seldom indeed that it cannot produce an increase of from ten to twenty pounds of natural healthy flesh on any person who is underweight. Sherman & McConnell Drug Co. stores and other druggists everywhere sell it with a positive guarantee of weight increase or money back as found in every package.—Advertisement.

## Divorce Suits Take Place of Criminal Suits; All is Well

Edna R. Hays, "another man's wife," and Arthur E. Volkmeier, "another sloner Butler. The new schedule places woman's husband," principals in a love the primary rate at \$ cents and the seconaffair which wrecked two homes in dary at 5% cents per kilowatt hour for Omaha, have been forgiven and allowed residence lighting and a reduced schedule to go free from criminal prosecution by the other husband and wife. Two divorces, one of which has just been the tangle of affection and to leave the pair in a position to marry.

Two criminal suits in which Volkmeier and Mrs. Hays were charged with misconduct have been dismissed by County Attorney Magney at the request of David N. Hays and Mrs. Gertrude Volkmeler, husband and wife, respectively, of Mrs. Hays and Volkmeier. Hays, who is a street car operator, was awarded a decree of divorce from his wife by District Judge Redick on the ground of misconduct. A suit brought by Mrs. Volkmeler against her husband is pending in court.

Volkmeier, who is employed as a driver by a local company, lived with his wife and child at their home, 2567 Cuming street, prior to the time he became acquainted with Mrs. Hays.

## Forty Shots Fired in Battle of East Omaha: None Dead

The battle of East Omaha was fought about 4:30 o'clock Thursday morning. Special Officers Buel, Lahey and others were rounding up the hoboes who use the box cars in the Past Omaha yards as dormitories. A shot discharged from one of the box cars started the fight. In all, says the report, about forty shots were fired. There were no casualties on the side of the officers and, so far as known, none on the side of the hoboes.

## Lobeck to Make an Address at Old Home

Congressman C. O. Lobeck is to deliver an address at Geneseo. Ill., June 2, on the occasion of the big home coming celebration of that place. The home coming celebration for former Genesco people is to continue during the days of June 24 to 27, inclusive. It is interesting that three Nebraska congressmen-Congressman Boyd, Congressman Kinkaid and Congressman Lobeck, all came from this immediate vicinity, having been raised within a dozen miles of one another.

OWN OUVERNEUR MORRIS G has come into his own as the writer of America's

most inspiring stories. To characterize his style in a word. one would say "liquid." To characterize his favorite themes in a word "idyllic" would spontane-ously come to the lips.

His following is most extensive, being reached partly through the great Cosmopolitan Magazine and Hearst's Magazine.

As a writer of serials he has been most successful—"The Seven Darlings" and "When My Ship Comes In' being freshest in the public mind. From one of his short stories Otis Skinner's play, "The Silent Voice," was dramatized.

Morris knows the great outdoors in proof of which he was retained by the U. S. Government to make studies in forestry. He loves nature and has a mind taught to respect the virtues. Descended from that Revolutionary patriot, of his own name, the historical member of the Continental Congress, Gouverneur Morris is spirited in the Soul of America and is her spokesmen through fiction literature.

Sometimes called Such a beautiful story as the "The Goddese" sets out to be, had to be handled by one able to paint fine, dainty, nature-like

word pictures that would earry out the
very spirit and feeling of the proposed story. Innocence and poetry and
music and countryland are so rampant that you are lifted out of your
ordinary sphere and transplanted into a very fairy-land of delight.
The story of Celestia's girlhood, her heavenly home, her entry into life, and
her amassement at human things and man-made conventions, is a masterly
narrative, told in Gouverneur Morris's famed liquid style and all has been
transformed also into motion pictures under the auspices of
