P. A. just-jams-joy against your palate!

No matter whether you pack your old jimmy pipe brimful or roll a makin's cigarette, Prince Albert certainly will make you feel like a two-year-old on the tobacco question just as soon as you hitch it up to a match. And that's a fact!

You can't anymore tell how good P. A. is just from talking about it than you can judge the depth of a well from the length of its pump handle. You get personal information dug right out of a tidy red tin or toppy red bag quick as you can conveniently beat it to the nearest shop that sells tobacco!

No matter how much you think you can't smoke a pipe, or roll a makin's cigarette, no matter how much you have been tongue-scorched, you can smoke a pipe or roll a cigarette if you'll take a few grains of faith and believe in

Prince Albert. It can't bite your tongue and can't parch your throat, because the bite and the parch are cut out by a patented process owned exclusively by R. J. Reynolds Tobacco Company.

No other tobacco can be like Prince Albert. You'll get the quick cue on that!
