

HAD ECZEMA FOR TWENTY YEARS

First on Limbs. Then Spread All Over. Could not Sleep on Account of Itching. Small Pimples Later Appeared. Cuticura Soap and Cuticura Ointment Healed.

Manchester, Kansas.—"I had eczema for twenty years, first on my legs, then it spread all over me. It appeared as a rash. I could not sleep or rest on account of the itching, scratching or rubbing made the itching and burning worse. Small pimples later appeared, and blackheads formed. "I had used... ointment, and a solution to bathe with, tried all the home remedies and many preparations but without relief. Then I commenced using Cuticura Soap and Ointment according to directions. In one month I was greatly relieved of the most and the Cuticura Soap and I am now cured." (Signed) Harry Garten, October 30, 1914.

You never tire of Cuticura Soap and Cuticura Ointment. Having tested them in severe skin troubles and found them effective you continue their use because of their fragrant, super-creamy emollient properties for daily use as toilet preparations.

Nebraska UNVEIL MONUMENT OF THE OREGON TRAIL

Governor, Notable of State and Members of Daughters of Revolution in Ceremony at Hebron.

MRS. CORRELL UNVEILED SHAFT

HEBRON, Neb., May 24.—(Special Telegram.)—Rain interfered with the program of the unveiling of the Oregon trail monument here this afternoon, but as it was, 2,000 people were in Hebron for the ceremony. Governor Morehead, Mrs. Warren Perry and H. M. Bushnell made addresses.

The monument was presented by C. S. Paine, secretary of the State Historical Society, and was unveiled by Mrs. E. M. Correll, regent of the local chapter of the Daughters of the American Revolution. Fifty or more old settlers were on the platform, having lived in the county before 1850. F. J. Fordick of Chester drove the trail in 1856 and F. A. Hutchinson of Hebron commanded them all at Westport, when the trail started fifty years ago. Company E, Nebraska National Guard, of Davenport, was present, commanded by Colonel A. A. Hollingsworth of Beatrice, and two companies of boy scouts.

Mrs. Warren Perry recounted the privations of the pioneer days in a most masterly manner.

Tonight addresses were made by John L. Webster, H. M. Bushnell, Governor Morehead and Mrs. Warren Perry.

The monument faces the crossing of the old Oregon trail and the Meridian road in of "Red Ruby" granite from the quarries at Wausau, Wis. It is a beautiful shaft, standing eight feet one and one-half inches high. It is three feet, six inches in width and eighteen inches in thickness. The stone weighs 5,540 pounds and the base 2,250 pounds. A total weight of 7,790 pounds.

The monument faces to the south and west on the northeast corner of the road. Upon the south side is carved in bold countersunk letters, the words: OREGON TRAIL. From Independence and Westport (Kansas City), Mo., to the Columbia river, route of the first Oregon colonists. The trail of the trappers and traders as early as 1820. A main road to the gold fields and western military posts. The path of the Pony Express and Overland Stage, superseded by railroads throughout its course.

ERECTED MAY, 1915, by the state of Nebraska, in honor of the citizens of Hebron, and Oregon Trail chapter Daughters of the American Revolution.

Above the wording on this side stands out in bold relief a typical prairie schooner drawn by a yoke of oxen. On the west side one will find the words, written underneath an up-to-date prairie schooner, in the shape of an automobile: MERIDIAN ROAD. Winnipeg to Galveston, Oregon Trail Crossing.

May Use Crude Oil to Fight Chinch Bugs BEATRICE, Neb., May 24.—(Special.)—A move is on foot among the farmers of Gage county to systematically fight the chinch bugs, which are reported in some wheat fields in large numbers. Farm Demonstrator Liebers is considering the purchase of a carload of road oil to be used in making barriers to prevent the migration of the bugs from the wheat to the corn and oats. If weather conditions in the next few weeks are favorable to the hatching and maturing of the bugs, it is probable that Gage county farmers will organize to fight them. D. S. Dalbey has received some bulletins from the state entomologist of Illinois in which methods of fighting the bugs are described. One of the most effective is the use of road oil. It is estimated that in Illinois, particularly in the southwestern and western counties of the state, the chinch bugs caused a loss of between \$4,000,000 and \$5,000,000 last year, and that a saving of \$300,000 was effected by the use of methods for fighting the pest.

Nebraska Enters Furniture Line

(From a Staff Correspondent.) LINCOLN, Neb., May 24.—(Special.)—The State Board of Control formally took over the furniture plant at the state prison today, the Handcraft company giving a bill of sale. The price was \$21,945.75. The original price asked by the company was \$27,000. The lower price was arrived at after an inventory had been taken.

The price finally paid is within a few dollars of an average of separate estimates made before the inventory was taken by the three members of the board, Holcomb, Gerdes and Kennedy.

While invoicing of the stock and the plant was going on work was stopped. It will be resumed at once. The sale includes the "wire stake" idea, for which there is a patent pending. The idea calls for spinning the fiber around a wire core, greatly strengthening the furniture.

SUPERIOR SCHOOLS SEND LARGEST CLASS IN HISTORY

SUPERIOR, Neb., May 24.—(Special Telegram.)—The baccalaureate services for the Superior High school were held last night in the Methodist church. The sermons a given by Rev. Mr. Hamilton of the First Presbyterian church. The music was furnished by the Presbyterian choir.

This year's class consists of thirty-four members, the largest ever sent out of the superior schools. The class play will be given Thursday night, and the commencement exercises will be held Friday night at the high school auditorium.

Memorial Sermon at Loup City. LOUP CITY, Neb., May 24.—(Special Telegram.)—A memorial address was given at the opera house Sunday morning by Rev. Mr. Steen, pastor of the Presbyterian church of this city. His veterans were present, but there was a long column of the ladies of the circle, Sons of Veterans and civic society members. Memorial day exercises will be held on May 29, for which occasion a splendid program has been arranged.

Nebraska STATE NEEDS ELECTRIC CHAIR

No Means Yet Provided for Execution of Roy Roberts for Murder of Vernon Connett.

M'KISSICK AFTER STATE JOB

(From a Staff Correspondent.) LINCOLN, Neb., May 24.—(Special.)—The State Board of Control is facing the necessity of constructing an electric chair at the state penitentiary. Unless an appeal is taken to the supreme court, Roy Roberts is to be electrocuted on Friday, June 4. An appeal would act as an automatic stay so far as is known no appeal has been made to carry the case up. At the time of the conviction Roberts' attorney said he would have nothing to do with an appeal.

Since the abolition of the gallows by the 1913 legislature, the authorities have had no occasion to use the death chair, and have provided for none. Roberts was convicted of the murder of Vernon Connett. He was out on parole from the state prison at the time of the crime.

Candidates Busy. Two candidates are out for the office of state insurance commissioner. They are J. W. McKissick of Beatrice and W. B. Price of Lincoln. Mr. McKissick is well known as a member of 1911 and 1913 sessions of the legislature. Last summer he ran for the democratic nomination for land commissioner.

Mr. Price is a defeated candidate at the same time for the congressional nomination in the First district. The appointment of a commissioner to succeed L. G. Brain, the present incumbent, is expected in the near future. Mr. Brain is a republican and has a democratic board to deal with. However, his friends are urging the record he has made as a reason for a non-partisan reappointment.

Reject Claim. A claim for \$20 for overtime put in during the month of April by C. E. Thornton, stenographic clerk employed in the state engineer's office, has been rejected by State Auditor Smith. While the claim is said to be a just one in the present instance, the auditor feels that to allow it would be to open up too wide an avenue into the state treasury for similar claims that might not be bona fide.

Officials to Hebron. Governor Morehead, Secretary C. S. Paine of the state historical society, Roy E. Wood, a farmer near Lincoln and state organizer for the Farmers' Union, spoke to a large audience at the opera house in Stella last evening. At the close of his address a Central Farmers' Union was organized, taking in five unions organized at country school houses within the last few months—Withee, Muddy Center, Porter Center, Bourke and Cloverdale. John Moody was elected president and Harper Winfrey secretary-treasurer and W. J. Vandeventer business manager. The board of managers is A. B. Davison.

Up-to-Date Signalling For National Guard

(From a Staff Correspondent.) LINCOLN, Neb., May 24.—(Special.)—Lamp-black signals "puffed" from an aeroplane in the Morse code will be a part of the war game as Adjutant General Hall proposes to play it for the instruction of his infantry officers in the Nebraska National Guard during the camp here June 20 to June 25.

The aviation corps and the signal corps will be practically joined for the occasion. The Fremont aeroplanes will be brought to Lincoln and Aviation Chief Shaffer, a professional flyer now residing in Nebraska, will have his Curtiss plane with a hydroplane attachment for use on the lake.

The signal corps will have a radio set, a heliograph and flashlights.

Five-Mill Campus Levy Held Valid

(From a Staff Correspondent.) LINCOLN, Neb., May 24.—(Special.)—The Lancaster county district court today held valid the levy of five mills laid by the Lincoln city council to aid in the purchase of land for the extension of the campus of the state university. The remonstrators will probably appeal to the supreme court.

STORM DOES EXTENSIVE DAMAGE AT LEXINGTON

LXINGTON, Neb., May 24.—(Special Telegram.)—A hurricane struck this city this morning about 7 o'clock, breaking trees and upsetting outbuildings. It tore the roof off of the east ward school house and wrecked the alfalfa mill. No one was hurt.

Notes from Alliance. ALLIANCE, Neb., May 24.—(Special.)—Anna (Morevak) Boyd, 28 years of age, committed suicide here last night by taking four ounces of carbolic acid. Worry over domestic troubles is thought to be the cause of her act.

Fears are being entertained by his relatives for the safety of Gilea Putnam, who left here May 13 to attend a trial in Omaha. He was to have been in Omaha May 14, but up till today nothing has been heard of him. His brother, Virgil Putnam of Alliance, is instituting search for him.

HOW TO JUDGE A WOMAN BY HER HAIR

There are always the well-known, semi-humorous methods such as saying brunettes are quick tempered or blondes are kinder in their mental activity. But there is common sense in just noting whether the hair is well kept and so judging a woman's neatness, or in looking at her style of arranging her hair to decide whether or not she has good taste. Remember that it is not advisable to wash the hair with any cleanser made for that purpose, but always use some good preparation made expressly for shampooing. You can get a package of the best, which is called Cantrox, from your druggist. Dissolve a teaspoonful in a cup of hot water and your shampoo is ready. After its use the hair dries rapidly with uniform color. Dandruff, excess oil and dirt are dissolved and entirely disappear. Your hair will be so fluffy that it will look much heavier than it is. Its luster and softness will also delight you, while the stimulated scalp gains the health which insures hair growth. Advertisement.

Violation of Game Law Troubles One Missouri Youth

(From a Staff Correspondent.) LINCOLN, Neb., May 24.—(Special.)—Down in Missouri is a boy whose conscience has been troubling him mightily ever since he shot a prairie chicken out of season in Boyd county, Nebraska, eight years ago. State Game Warden Jutenbeck is in receipt of a letter in which the boy confesses his sin as follows: "About eight years ago I and another boy were out with our guns, and we saw a flock of chickens. They were off a good piece, but I thoughtlessly shot into the bunch and killed one. My conscience has troubled me considerably for having done so, because I know the law forbids such at that season. So far as is known I have not done it again. I believe it my duty before God to make my wrong right. I know it is better to make such errors right now than to appear before God in that last great and final day of judgment with such held against me, and when it would then be too late to correct such, for today is the day of salvation.

Hoping this will not be out of place, I ask you to kindly answer at your earliest convenience what you want me to do in regard to the matter, for it is a matter of conscience with me.

Farmers' Central Union Organized

STELLA, Neb., May 24.—(Special.)—E. Wood, a farmer near Lincoln and state organizer for the Farmers' Union, spoke to a large audience at the opera house in Stella last evening. At the close of his address a Central Farmers' Union was organized, taking in five unions organized at country school houses within the last few months—Withee, Muddy Center, Porter Center, Bourke and Cloverdale. JUDGE WELCH DECIDES HURDY HAS OFFICE

MADISON, Neb., May 24.—(Special Telegram.)—District Judge A. A. Welch handed down this decision today in the case of the State ex rel Watson L. Hurdy against John W. Fitch. "The court holds that there was no election and that Hurdy is the county commissioner elected in the fall election of 1914." Fitch received 16 votes as commissioner from the First district, Madison county, out of a total vote cast of 2,621. No names had been printed in the ballot for election of commissioner and it had been held by the attorney general that no vacancy existed in Madison county. J. W. Fitch was seated and has been holding office since January, 1915. No supersedeas bond was granted as this case has been before the supreme court.

GOOD ROADS AUTO TRIP SOME TIME DURING JUNE

While the date has not been set for the good roads and good fellowship automobile booster trip out of Omaha, it has practically been decided the good roads committee of the Commercial club, subject to the approval of the executive committee, that a trip of this kind is to be made some time in June, and that the route will be somewhere in the North Platte country.

Three Weddings at Chadron. CHADRON, Neb., May 24.—(Special.)—Mr. Elmer Clauson and Miss Hazel B. Lawton were married by the Rev. P. M. Sturdevant, pastor of the First Baptist church. They will make their future home at Billings, Mont.

FREMONT MAN DROWNED NEAR NORTH BEND

FREMONT, Neb., May 24.—(Special Telegram.)—Otto Hansen, aged 27, was drowned in the Platte river near North Bend Sunday afternoon, while working for J. M. Maher of Fremont. Hansen, Mr. Maher and a force of workmen were installing system of rip-rapping when one of the cables became entangled. Hansen and Maher went out in a boat to unfasten the wire when the boat upset. Maher succeeded in reaching shore, but Hansen went down. The water was about eight feet deep. Hansen could swim, but is said to have made no apparent effort. The body has not been recovered. He was unmarried.

Loup City Commencement

LOUP CITY, Neb., May 24.—(Special Telegram.)—The commencement exercises for the Loup City High school will be held at the Larrow opera house tomorrow evening. Dr. Charles Fordyce of Lincoln will deliver the address. The baccalaureate sermon was preached yesterday evening by the local Methodist minister, Rev. L. V. Sloumb, and tonight the commencement exercises of the eighth grade took place, the address being delivered by Rev. E. M. Steen of the local Presbyterian church. There are twenty-six eighth grade graduates and twenty-seven high school graduates.

MAY LAND BE FARMED FOR RELIGIOUS PURPOSE?

(From a Staff Correspondent.) LINCOLN, Neb., May 24.—(Special.)—Does a church have to pay taxes on forty acres of land that it farms for the benefit of its pastor? Such is the question that County Attorney Fouts of Adams county has submitted to the attorney general's office.

Assistant Attorney General Roe in his opinion calls it a very close question, but leans to the conclusion that inasmuch as the production of the farm is sold on the open market the land is taxable. The church in question is a German Lutheran church near Heaton.

The land is farmed by members of the congregation. All the profits go to the support of the church. Only a small part of the land is used for the church building and the parsonage.

HEADACHES

Thousands of men and women suffer from headaches every day, other thousands have headaches every week or every month, and still others have headaches occasionally but not at regular intervals. The best Doctor knows unable to find the cause of many of these headaches, and in most other cases, knowing the cause, as does who know what will remove it, so as to give a permanent cure.
