Idle Wealth

There is probably thousands of dollars' worth of personal property in the city of Omaha alone which is of little value to its present owners.

Nearly all of this would be of use and decided value to somebody else.

Why not exchange to mutual advantage? You must have something you don't need or want. Advertise it in the

Rebuilt Cadillac

IT'S A SAFE USED CAR TO BUY. SPECIAL VALUES NOW

A rebuilt Cadillac is superior to any new car at the same price They are the truest value on the street. By rebuilt we mean that the cars have been taken entirely apart, each part examined, and, if necessary, replaced by a new part made at the Cadillac factory; the entire car repainted and refinished like new; all equipment put in first-class condition -the whole car, in fact, carefully reconstructed until it is good as new in

We offer Cadillacs exclusively, as we do not accept other makes in trade. Consequently we are as interested in the performances of these rebuilt cars as we are in new Cadillacs. In actual service values these cars are worth a great deal more than we ask for them, and we usually have a variety of body styles to select from. See them before you buy.
