NEBRASKA WONDER TO WRESTLE CUTLER FOR CHAMPIONSHIP.

Gene Melady, South Omaha live stock man and sportsman wires from Chicago that he has secured the signature of Charles Cutler for his wrestling match with Joe Stecher of Dodge, Neb., for the championship of the world.

CUTLER SIGNS FOR STECHER MATCH

Contest for the Championship of the World Will Be at Rourke Park July 5.

ON EVENING OF BIG RACES Gene Melady, South Omaha live stock man and sportsman wires from Chicago that he has secured the signature of Charles Cutler for his wrestling match with Joe Stecher of Dodge, Neb., for the championship of the world.

Cutler at first held out for a \$25,000 guarantee, but when Melady was advised from Omaha to get Zyzako or some other top notcher in his place he came off his high horse and the match was secured on a percentage basis without any guarantee whatever.

Melady, however, gave the assurance that there would be over \$100,000 in the house. He bases this on the immense popularity of Stecher in this section of the country, since for the last two years he has been taking on all comers with equal ease. The match will be the evening of July 5 and as that is time date for the big \$100,000 automobile races at the new Speedway, it is figured there will be a world of people in Omaha on that day.

The contest will be staged at Rourke park where lights and special seating arrangements will be installed. The headquarters for the contest will be at the Merchants hotel, where the tickets will be placed on sale.

Dan Gaines had word from Melady yesterday that a large bunch of Chicago fans would be over to the match to see just how good Stecher is.

Ed Smith of the Chicago American is refuting the claim of the Chicago American that Melady would be over to the match to see just how good Stecher is.

Lincoln's Sunday Games Back to Beach

LINCOLN, May 29.—(Special.)—Owner Hugh Jones of the Lincoln club has transferred the Sunday games at Lincoln back to Capital beach, where they have been played for the last five years.

Opposition of the church people has resulted in the week-day games not being well patronized and as the Lincoln owner has given in to the wishes of the church people it is hoped that they will patronize the week-day games.

An arrangement has been made with the beach management so that the fans do not have to pay the 10-cent admission to the park, the base ball management paying a set sum each Sunday for the use of the base ball grounds.

Sunday play was voted in Lincoln by a close margin.
