By MELLIFICIA. Thursday, June 3, 1915.

PROUD parents of Omaha's student youth are either just starting off or are miles on their way to the commencement exercises of the different eastern schools and colleges.

Mr. and Mrs. Robert Cowell are at Poughkeepsie, N. Y., where they will attend the graduation exercises of Yassar college today. Their daughter, Miss Mona, is the only graduate from Omaha in this year's class. Other Omaha girls attending Yassar are Miss Josephine Condon and Miss Gene Reed.

Smith college, at Northampton, Mass., has a larger crop of Omaha representatives. In the graduating class this year are the Misses Blanche Brotherton, Alice West, Nelle Ryan and Helen Robinson. Miss Brotherton and Miss West have been elected members of the Phi Beta Kappa sorority. The commencement at Smith college will be held Tuesday evening, June 16.

Miss Regina Connell and Miss Helen Ingwersen are completing their studies this June at eastern schools. Miss Connell graduates from Dana Hall and Miss Ingwersen from Loring.

Rutledge-Hanchett Wedding.

The wedding of Miss Hope Hanchett, daughter of Mrs. Ida Hanchett, and Mr. Thomas Rutledge was celebrated this afternoon at 4 o'clock at the residence of Rev. Titus Lowe, pastor of the First Methodist church.

It was a small wedding in the presence of the immediate family only. There were no attendants.

The bride wore her go-away gown of black and white check silk and black sailor hat. Her corsage bouquet was of lilies of the valley and sweetheart roses.

Immediately following the ceremony Mr. and Mrs. Rutledge left for an eastern wedding trip. They will be at home after July 1 at the Colonial.

Wilhelm-Clark Wedding.

The wedding of Miss Mabel Clark and Lieutenant Glenn P. Wilhelm of the Fourth infantry was celebrated last evening at 8 o'clock at the home of the bride's sister, Mrs. E. P. Ellis, and Mr. Ellis in the United apartments.

The rooms were ablaze with pink and white roses, pink sweetpeas and bride's roses. Miss Gretchen McConnell played the Lohengrin wedding march and Rev. Frederick Rouse of the First Congregational church read the marriage lines, in the presence of the family and a few close friends.

The bride was attractive in a simple gown of white silk made en traine. The bodice was trimmed with seed pearls and her tulle veil was caught with sprays of lilies of the valley. She carried a shower bouquet of bride's roses and lilies of the valley.

Miss Helen Smith was the maid of honor and was gowned in white embroidered net made round length. The bodice was of soft pink taffeta and she carried an old-fashioned bouquet of Cecil Brenner roses, lavender sweet peas and daisies.

Mr. Taylor Seicher was the best man. Mr. and Mrs. Wilhelm left last evening for Galveston, stopping en route at St. Louis and other points. They will be at home after July 1 at Galveston, where the lieutenant is stationed with his regiment.

Festival of Old Songs.

Complying with requests from many sources, the Walnut Hill Methodist Episcopal choir will on Friday evening repeat the larger part of their program of old songs, as rendered by them Thursday evening, May 7. The bad weather of that evening kept away many people who would otherwise have attended, and as Dr. Charles M. Shepherd of Lincoln is coming Friday night, under their auspices, to lecture on "The Genesis of an American," the singers have consented to repeat the program. The public is invited to attend. The admission is free, although an offering will be taken, the proceeds of which will be used by the choir, a volunteer organization, in the purchase of robes.

The following program will be sung: "Dixie Land," "We're Tenting To-

How Thin People Can Put on Flesh

A New Discovery

This new and wonderful discovery, filling dinner up at last night, is because of all the fat-producing nourishment it contains. You haven't gained weight one ounce, but feel as if you were from your body like an inflated balloon through an open grate. The material was there, but your food doesn't work and stick, and the plain truth is you haven't got enough nourishment from your meals to pay for the cost of cooking. This is true of thin folks the world over. Your nutritive organs, your functions of assimilation, are sadly out of gear and need reconstruction. Cut out the foolish foods and funny sawdust diets. Omit the flesh, avoid rub-ons. Cut out everything but the meals you are eating now and eat with every one of those single daisy labels. In two weeks note the difference. Five to eight good solid pounds of healthy, stay there! fat should be the result. Sargol charges your weak, stagnant blood with millions of fresh new red blood corpuscles—gives the blood the carrying power to deliver every ounce of fat-making material in your food to every part of your body. Sargol, too, mixes with your food and prepares it for the blood in easily assimilated form. Thin people gain all the way from 25 to 35 pounds a month while taking Sargol, and the new flesh stays put. Sargol tablets are a scientific combination of six of the best flesh-producing elements known to chemistry. They come in 40 tablets in a package, are pleasant to eat and inexpensive, and Sherman & McConnell Drug Stores and all other druggists in Omaha and vicinity sell them subject to an absolute guarantee of weight increase or money back.—Advertisement.
