Two Negroes Are Hanged by Mob

MONTGOMERY, Als., Jan. 4.-Two negroes, Ed and Will Smith, were taken from the Wetumpka jail early today and lynched by a mob. They had been uccused of complicity in the murder of R. A. Stillwell, an Elmore county farmer. Soon after reports reached the governor's office that a mob had overpowered the jail attaches at Wetumpka and removed the negroes, Montgomery milttiamen hurried toward the scene in au-tomobiles. However, they were too late to prevent the lynching.

"On the night of January 2, we dis covered the passage of Germans across the Baura in the vicinity of Kozloff and Biskoupi. Having watched the concentration of the enemys forces, one of our glorious regiments surrounded the Germans. They attacked them with the bayonet without firing a shot and killed several hundred of them. The survivors saved their lives by surrendering.

"About 3 p. m. on January 2, a brigade of German infantry attacked our position near Borkimow, northeast of Bolimow, but the German assault was repulsed with enormous loss by the fire from several batteries and a counter attack with the bayonet.

"Desperate fighting occurred during the night of January 2; continuing until daybreak, southeast of Rawa, where we succeeded in dislodging the enemy from ome of the trenches which they had

"South of the Pilica river, fighting took place at Metairie and Gaschek, west of Inowleds and also southeast of Malagoszez, near Volmine, where we repulsed all attacks of the enemy.

"In Galicia, the fighting around Gorlice and Kakliczyn continues. "In the region of the Uzsok pass and Rostoki (south of Lisko) we maye made progress. We drove the enemy, who fled in great disorder.
