REBUILT CADILLAC It's a Safe Used

Car to Buy SPECIAL VALUES NOW

A rebuilt Cadillac is superior to any new car at the same price. They are the truest values on the street. By rebuilt we mean that the cars have been entirely taken apart, each part examined and if necessary replaced by a new part made at the Cadillac factory; the entire car repainted and refinished like new; all equipment put in first class condition—the whole car, in fact, carefully reconstructed until it is as good as new in every detail.

We offer Cadillacs exclusively, as we do not accept other makes in trade. Consequently we are as interested in the performances of these rebuilt cars as we are in new Cadillacs. In actual service values, these cars are worth a great deal more than we ask for them, and we usually have a variety of body styles to select from. See them before you buy. One 1913 5 pass. Young Man The World of Business Needs You!

But, it does not need you in the untrained state in which you are now in-the state in which so many young men are content to remain.

It is time for you to wake up and prepare yourself for your share of the world's work—and the success that awaits the TRAINED man in the hustling busi-

world's work—and the success that awaits the TRAINED man in the hustling business world.

It is within your power to faise yourself above your fellows. And if you do not succeed you alone are responsible. The great industries of Omaha and all this remarkable prosperous section of this ocunitry are constantly watching for industrious, ateady young men—young men trained as Accountants or Stenographers. They do not ask who you are or who your grandparents were. They ask what you can do—and how well you can do it. They do not seek your money. They want your energies—and your trained ability.

There are literally thousands of positions open to the young man who will gain a training and an ability in Bookk ceping and the Science of Business, or Stenography at

BOYLES COLLEGE

This is absolutely true. We can prove it just as surely and just as easily as we can prove that 2 plus 2 equals 4-first, last and all the time.

Will you prepare and place yourself in a god position, where splendid salary and every chance on earth for rapid promotion awaits you? Or will you drift listlessly on towards failure and obscurity?

This is a question that you must decide and decide NOW. The business world will not wait for you.

For your own sake—for the sake of your future, why not at least come in and talk this over with us?

We will give YOU personally a whole day of our time if necessary just to prove that what we've said is not one particle exaggerated and to absolutely convince you that if you do get the right training there is no doubt but you will gain the right success out in the business world.

We want to talk to you about this matter NOW.
