

BRIEF CITY NEWS

Fidelity Storage & Van Co. Doug. 208. W. L. Kelly & Sons, general insurance. Have Root Print Co.—New Insurance Press Burgess-Orchard Co. Lighting fixtures. Wanted—Choice real estate loans. W. E. Thomas, 228 State Bank Bldg. Mrs. B. Muskin announces that she is no longer connected with House of Menagh and has opened a millinery store at 204 North Sixteenth street. "Today's Complete Movie Program" classified section today, and appears in The Bee EXCLUSIVELY. Find out what the various moving picture theaters offer. Emma Manchester Grove to Meet—A special meeting of Emma V. Manchester grove No. 124 will be held at Myrtle hall, Fifteenth and Douglas streets, Friday evening. Goes to Expositions—C. F. McGrew, Omaha banker, with the Live Stock National bank, will soon make an extended trip to the Pacific coast with Mrs. McGrew. They will go to Los Angeles, San Diego and San Francisco, visiting both expositions. Prof. Knox to Give Entertainment—Prof. Eugene Knox, head of the school of expression and oratory, Nebraska Wesleyan university, impersonator, will give an entertainment at Dietz Memorial Methodist church, Tenth and Pierce streets, Friday evening. Rate Men Finish Work—After having been here nearly a month, the Oregon Short Line officials who have been in conference with Union Pacific men on rates and traffic, have about concluded their work and expect to leave for their homes in Salt Lake City the first of next week. The Triple Alliance in office service are location, ease of access and safety. Are you now located where the public can find you quickly, get to you easily and feel entirely safe while transacting their business? The Fireproof Bee Building, "the building that is always new," has all these requirements. Operate on George Haynes—George H. Haynes, former Omaha railroad man, and well known here, underwent an operation for stomach trouble last Friday at Chicago, where he now is general passenger agent of the Milwaukee road. Word received here by friends is to the effect that he is getting along all right. Improvers to Meet—Proposed affiliation with the United Improvement clubs will be discussed Friday evening by the Monmouth Park Improvers at their meeting in Monmouth Park school. A report will also be made on the recent city hall meeting of citizens regarding the electric light bill now pending in the legislature. Better Business to the West—Pacific coast expositions are having a stimulating effect on west bound passenger business. As a result of the increase in passenger traffic to the west, since the opening of the expositions, the Union Pacific has added sixteen cars and the Burlington twelve to the west bound equipment. Expect Big Importations—Heavy importations from Germany, France and Holland are expected through the port of Omaha this spring by Collector of Customs Cadet Taylor. He says his office has been receiving big batches of invoices from American consuls in those countries. The German shipments come by way of Rotterdam, Holland.

Martin Miller Sues the News for Libel

Martin B. Miller is plaintiff in a suit against the Omaha Daily News in which he asks \$50,000 damages for alleged libel filed in district court. The suit resulted from alleged untrue statements published last March when the Saunders-Westrand company brought suits against the Bartlett-Frazier company and Jamson Bros. & Co.

SCHOOL BOARD TO MEET ON RECREATION BOARD

A joint committee of the Board of Education will meet at 2 o'clock this afternoon to consider the proposition of school authorities co-operating in the matter of the new recreation board. The ordinance which became a law February 19 makes it optional with the school board whose membership is divided on the subject. In the event that the school board members decide at the regular meeting next Monday evening to not co-operate, then the city council will amend the ordinance. The opinion, however, is that the school board will elect to co-operate.

GRAIN RECEIPTS HERE CONTINUE TO BE LIGHT

At the Omaha Grain exchange there was hardly enough grain on sale to make a market. With seven cars of wheat, prices were steady to 1 cent lower, sales being made at \$1.48 to \$1.50. Corn was practically unchanged at 66 to 67 cents per bushel, with twenty carloads offered. There were eleven cars of oats and they sold at 50 to 53 cents, prices being unchanged from Wednesday.

LAD ENROUTE TO MEXICO LOSES HIS MONEY HERE

Enroute from Milwaukee to New Mexico to visit his brother, Ed Krawczyk, 17 years of age, is stopping in Omaha as the guest of the juvenile authorities, because he had his pocket picked on the train and lost his money, about \$18. Probation Officer A. W. Miller is trying to help the youth, who appeared for lodging and transportation. The money he lost was to help pay his way. He intended to earn the balance.

Don't Neglect Coughs or Colds. Dr. King's New Discovery should be in every home for coughs and colds. Children and aged like it. 3c.—Advertisement.

TWO TRAINS OF MEAT ARE DISPATCHED TO EUROPE

Fresh and cured meats from Omaha are still going abroad to feed the warring forces of Europe. Two special meat trains went out over the Great Western Wednesday night, both going to New York on rush orders, to catch a boat that leaves for England early next week.

A Specific Against Colds. "If there is such a thing as a specific against colds, it is to be found in the sleeping porch or the open bed room. Next to that comes the cold sponge bath in the morning," says the Youth's Companion. Be as careful as you can you will occasionally take cold, and when you do you will find Chamberlain's Cough Remedy a great help in enabling you to get rid of it. Try it. Obtainable everywhere.—Advertisement.

PROF. HANSON IS ASKING FOR PAY

Welfare Worker is Taking Up a Collection for His Services in Omaha.

BOB SMITH GOES WITH HIM

Prof. Theodore Hanson, said to be secretary of the Public Welfare League of America, is making the rounds of the business men, taking up a collection of \$1,100 for his services and expenses while in Omaha the last few months. Robert Smith, clerk of the district court, is accompanying the professor on his mercenary mission. While here Mr. Hanson made a number of talks and assisted in the drafting of the public welfare ordinance which was passed by the city council. Many believed that Mr. Hanson was under sal-

ary of the national organization and was sent here as a field worker. Colonel Charles Fanning has subscribed \$5. He was asked for \$5 and was told that Mr. Hanson had already collected \$500 of the required \$1,100. Several prominent citizens subscribed \$5 each. "I asked Mr. Hanson why his expenses were not paid out of the treasury of his national organization and I was told that he did not want to disturb the treasury. I was given to understand that Mr. Hanson had benefited Omaha to the extent of \$1,100 and even more than that amount. I gave \$5, but it looks rather strange to me," stated Colonel Fanning. Rabbi Frederick Colin states that this money will go to the national organization of which C. B. Hewitt of Kansas City, Kan., is treasurer. He explains that the \$1,100 is to cover the expenses of the campaign made here by the national board. The rabbi also stated that other workers besides Mr. Hanson were here.

DR. ISAAC WERNE TO SPEAK HERE THIS EVENING

Dr. Isaac Werne, rabbi of congregation "Ohave Zedek" of Chicago, will speak at the Friday evening services at Beth Hamedresh Hagadol synagogue, Nine-

teenth and Burt streets. His subject will be "Wherein Lies the Strength of Judaism?" Rabbi Werne, who bears the degree of doctor of philosophy from the University of Konigsberg, in Germany, will also speak at the Russian synagogue, Eighteenth and Chicago streets, Saturday morning and at the Bnai Jacob congregation, Twenty-fourth and Indiana streets, Saturday afternoon.

CALOMEL SALIVATES

Calomel makes you sick and you lose a day's work. Calomel is a nasty, dangerous chemical. To live on your stomach liver and bowels when constipated, headachy, bilious, just get a 10-cent box of harmless Cascarets. They work while you sleep. Don't gripe, sicken or salivate.—Advertisement.

Kansas City Life INSURANCE COMPANY

FRED W. FLEMING Vice-President and Secretary J. B. REYNOLDS President Summary of Annual Report, Dec. 31, 1914 Cash in Bank, all bearing interest \$ 351,652.37 Legal Reserve Fund 4,112,554.00 Guaranty Fund held by the State 3,510,530.50 Policyholder's Surplus 745,168.85 Resources 5,075,934.74

Table showing Ten Years' Growth from 1904 to 1914. Columns include Income, Paid Policyholders, Legal Reserve, New Business, Excess over Liabilities, and Increase percentages.

INSURANCE IN FORCE

A WESTERN COMPANY FOR WESTERN PEOPLE Whose Symmetrical Growth Makes Possible This Pyramid of Progress.

TO POLICYHOLDERS: NINETEEN-FOURTEEN was the biggest and best year in the entire history of the company, notwithstanding the world-wide disturbances. The foregoing figures emphasize its extraordinary growth, under its present management, during the past ten years. Its large percentages of increase in assets, surplus, outstanding insurance and in the confidence of discriminating patrons is best illustrated by the Pyramid of Progress.

GOVERNMENT DEPOSIT: Every policy is secured by Guaranty Fund deposited with the State of Missouri of over \$3,500,000.00—the largest of any Missouri company—and \$450,000.00 in excess of NET liability to policyholders. Our patrons thus enjoy absolute security.

Less than 2 1/2 per cent of income last year was paid for all home office salaries. The company has been repeatedly commended in official reports for prompt payment of death claims and economical management. There was a NET increase in premium and interest actually received last year of \$427,341.86 over 1913.

There is approximately 40,000 policies in force, insuring \$65,803,227.00. Insurance outstanding has doubled during the last three years.

There was paid to living policyholders last year \$492,499.74—one-fifth of total premium income—and to beneficiaries of those who died, \$266,572.96. Living policyholders received dividends, reducing cost of insurance, maturities, etc., \$136,500.00 more than the total death claims. These figures emphasize the liberality of this company to policyholders.

While the Nebraska Agency is one of the juniors in the Kansas City Life family, it submitted applications for new insurance to the company last year in the amount of \$1,063,500.00.

In the bread basket of the nation, comprising Nebraska, Iowa, Missouri, Kansas, Colorado, Oklahoma and Texas, the Kansas City Life obtained a larger volume of new business last year than any American company.

We have good openings in unoccupied territory for capable salesmen, and through our system of co-operation with field men previous experience is not necessary for success. We can afford to pay liberal commissions to honest and energetic underwriters, because we lose no money in making advances to men who fail to succeed.

Kansas City Life policies are liberal to the insured; so they are easy to sell. If you are ambitious to increase your income, you should get details of our liberal proposition to reliable agents.
