EVANS ARRESTED FOR THEFT OF BIBLES FROM Y. M. C. A.

George Evans was arrested Sunday by Sergeant Madsen for stealing three proceo bound bibles from the Young Men's Christian association. When caught he promptly asserted he was a wandering preacher and was about to conduct free ceremonies in Jefforson square. Sergeant Madsen having a fast hold on the man by means of his hip pocket felt a queer article in the pocket. Evans claimed it was the New Testament. It

proved to be a deck of cards. He was discharged from police court.

to be lower and provisions 7%2030c de-pressed. Wheat opened easy, bulged, reacted to the lowest of the day and then around Saturday's close. The September-Decem-ber difference narrowed to ic. Record clearances for North America, higher ca-bles and reports of large flour sales were builts factors, but realizing sales re-strained any material advance and the close was rather easy. The decline in corn was based on rains and favorable crop prospects. Cash houses bought September, while there was only scattered local demand for deferred fu-tures. Country offerings were small. Price fluctuations in eats were the re-sult of demand from exporters and the in-clination of some longs to take profits. Minneapoli sGrain Market.
