Bohemians to Give Aid to Countrymen Who Are in Distress
At a mass meeting of Bohemians Sunday steps were taken looking to the raising of funds to aid the Bohemians who have sustained serious losses by reason of the war in Europe. At this meeting a committee, of which Joe Mik is chairman, was appointed to plan for a mass meeting to be held in Omaha September 13 at Turner hall, South Thirtieth street.

At the mass meeting to be held there will be a musical and athletic program, interspersed with speeches by prominent local Bohemians. Subscriptions will be received and the method of disposing of the funds will be determined. From now until the mass meeting the committee will meet daily, formulating the program and working on a campaign for money-raising.

The local Bohemians assert that their native country is being overrun by the warring armies; that the male citizens are being forced into ranks of the Austrians and that their property is being destroyed and the women and children subjected to great privation.

Kindel Would Have the Western Parcel Rate Equal Eastern
Congressman George J. Kindel of the First district of Colorado and sworn enemy to unfair freight, express and parcel post rates, is in Omaha on his way to Denver, where he goes to the bedside of his sick wife. Mr. Kindel spent the morning in the federal building, going over parcel post rates and territories with Postmaster Wharton. In the afternoon he spoke at the Commercial club.

'Why is it that shippers can unload and reload at great saving in St. Louis and Chicago and not in Denver and Omaha?' I'll tell you. It's because in making the 'zones' or territories the parcel post commission acted without studying the problem.

'One thing especially that I am kicking about is that the shippers in this part of the west are not afforded an opportunity to use the parcel post as cheaply as are the eastern shippers. I'm surprised that your Commercial club stands for it. I am going back to Denver and arouse our business men.'

Stores Will Open Same Hour, but Not Close Until 6 P. M.
Beginning today, September 1, the retail stores in Omaha will remain open until the evening until 6 o'clock. This closes for the season the practice of shutting the doors at 5 o'clock during hot weather. The practice this summer established of not opening the shops in the morning until 8:30 instead of 8 as of old, is to be continued. This practice of late opening in the morning has met with such general favor among the retailers that they have about decided to continue it indefinitely.

KEEPERS OF DISORDERLY HOUSES HEAVILY FINED
Several keepers of disorderly houses have been brought before the police court and heavily fined. Edith Case, 2012 Emmet street, received \$5 and costs and two inmates were fined \$5 and costs. L. A. MANY FAIL TO FILE EXPENSES

But One-Half of Candidates Comply with the Law.

MOORHEAD OUT OF THE CITY
Magney Says He Will Do Nothing Unless He is Requested to Do So by the Election Commission.

More than 300 candidates at the recent primary have violated the corrupt practices statute of Nebraska requiring them to deliver signed and sworn statements of their expenses to the county clerk's office within ten days after the election. This period expired Saturday and less than one-half of approximately 400 candidates have obeyed the law.

Election Commissioner Moorhead was absent from the recent meeting and there was no one at the court house who would speak for him regarding his probable policy. Although County Attorney Magney declared himself willing to file charges in the event such a request should be made by the election commissioner, it was understood at the court house that the offending candidates would not be punished. The law provides a punishment for its violation of \$50 fine or not to exceed six months in the county jail.

Candidates Who Filed.
The following are among the reports made by candidates to the county clerk: John Power, democrat, for sheriff, \$100; W. B. Howard, republican, for congress, \$271; N. P. Dodge, republican, for legislature, \$160; Frank Mahoney, republican, for sheriff, \$2; John O. Yeiser, republican, for governor, \$28; Willis Crosby, republican, for coroner, \$28; C. M. Wilhelm, Edw. E. O'Sullivan, \$17; Jonathan Edwards, \$5; John Morrissey, \$13; all four being candidates for the Water board; Michael Lee, republican, for legislature, \$4; Edward Simon, republican, for legislature, \$8; Macfarland, republican, for legislature, \$2; Henry McDonald, republican, for county board, \$14; George A. Magney, democrat, for county attorney, \$5; D. Hopkins, republican, for county clerk, \$14; W. G. Ure, republican, for treasurer, \$36; John Briggs, republican, for sheriff, \$50; Dan Whitney, republican, for treasurer, \$101; Fred Elsassner, democrat, for treasurer, \$5; James P. English, for district judge, \$1; Harry Pearce, republican, for register of deeds, \$2; Jerry Howard, democrat, for legislature, \$5; Tom O'Connor, democrat, for county board, \$29; Harry Foster, republican, for legislature, \$28; F. A. Showell, republican, for lieutenant governor, \$27; Henry P. Haze, republican, for sheriff, \$32; F. J. McShane, democrat, for sheriff, \$174; John H. Grossman, for district judge, \$40.

The county clerk has received a statement of the effect that John L. Keckley in addition to previous contribution of \$50, has given \$750 to the women suffrage campaign in Nebraska.

But Few Friends Attend Funeral of Old Time Citizen

Time was not many years ago, when Lew Herman had much money and spent it lavishly. His friends were legion and a beggar was turned from his door without alms. But Sunday Lew Herman was buried and only three men attended, so that it was necessary to get strangers to act as pallbearers. His funeral cortege consisted of the pallbearers and his sister, only surviving member of his family. He died in the county hospital.

Lew Herman was born in Omaha 54 years ago. He owned a saloon on lower Douglas street for several years, but after the bridge was built across the river his business was ruined because his saloon was near the river bank under the bridge. He had but one leg, although he was an excellent swimmer. Three lives are to his credit, for he saved them from drowning when death seemed certain. Denny Lynch, Tom Flynn and Walter Brandes were the three old friends of Herman who attended the funeral.

Exclusive Story in The Bee Brings Flag Desecrators to Time

An exclusive story published last week in The Bee concerning the complaints of two civil war veterans against two men who desecrated Old Glory by shooting at it during the fair, at Springfield, Neb., resulted in the guilty ones walking into the office of Justice of the Peace Thomas Nelson there and insisting upon being punished. Judge Nelson fined the two men—P. Coyne and Frank Zimmerman—\$5 and costs each, for shooting firearms within the city limits. Then, accompanied by M. G. Nicholson, a Yankee veteran who witnessed the affair, Coyne and Zimmerman came to square things with United States Attorney F. S. Howell in Omaha. 'Helney' Walstrom of Springfield was also concerned in the affair. The explanation given by the men is that they were 'just kiddin'' and that no insult was meant. The affair is now a closed incident.

'Y' SECRETARIES TO ENTER UPON NEW WORK

Four new secretaries have arrived and will take up their duties at the Young Men's Christian association. A fifth comes next week to join the staff of employed officers. They are: I. Raymond Linea, Van Wirt, O., religious work; Milo T. Gates, Genoa, Neb., assistant to Boy's Work Director R. S. Flower; Clyde B. Crum, Wichita, Kan., to assist State Secretary J. P. Bailey; Roy Swan of Council Bluffs, formerly of Omaha, and Ralph Leake of Keokuk, Ia., physical department.

Educational Secretary J. W. Miller has returned from a vacation trip with his family. Educational classes will open on September 14. Physical Director J. Truitt Maxwell has gone on an auto trip to his old home in Indiana and will return next week.

MISS MARIE MIK CABLES SHE CAN'T GET OUT OF PARIS

Joe Mik is becoming anxious about the safety of his daughter, Miss Marie, who is in Paris finishing her musical education. Saturday he sent her a cablegram, urging her to return to the United States. Yesterday he received an answer in which Miss Mik simply said: 'Can't get out of Paris.'

Nebraska TEST COUNTY HIGH SCHOOLS

New Law Will Be Brought Up in the State Courts.
ELLIOTT GOES TO NORTH PLATTE

Number of Outlying Districts Are Joining in Contesting Validity of Act that Places School in Logan.

(From a Staff Correspondent.)
LINCOLN, Aug. 31.—(Special.)—Deputy State Superintendent Robert L. Elliott will go to North Platte tomorrow to represent the state superintendent's office in a case brought by parties in Logan county to test the validity of the county high school law passed by the last legislature.

The bill calling for the levy of a tax for the support of a county high school was introduced by Representative Fred Hoffmeister of Chase county, section 11840, reading:
The trustees of each school district within the state of Nebraska, more prior to the annual school district meeting in each year, as provided by law, prepare an estimate showing the maintenance of schools during the coming school year, shall determine the amount of money to be levied for the maintenance of schools during the coming school year, which shall be an amount sufficient to maintain a school in the manner and for the time provided in section 5440 (11845) of the act and the amount of money so required shall be levied as a tax upon all of the taxable property of the school district, provided, that in districts having four children or less of school age the amount levied shall not exceed the sum of \$40 in any year, and in districts having more than four and less than twenty children of school age the levy shall not exceed the sum of \$50 per child in addition to the above. The amount of the tax levied shall be necessary for the maintenance of the school for the coming year shall be certified by the school clerk of the county in which said school district is located and said amount shall be levied by the county board on the assessed value of the school district and be collected as other taxes; provided that in any one year \$150 on the \$10 valuation as assessed and equalized.

Section 11845 referred to above provides as follows:
They shall also determine at each annual meeting the length of time a school shall be taught in the district the ensuing year, which shall not exceed one year, for county, by a legally qualified teacher in a district having less than twenty pupils of school age, nor less than twenty and more than twenty-five pupils inclusive, nor less than twenty-five pupils exclusive, in any one year. Provided, that school shall be taught in every such district for at least nine months in the year when the levy of fifteen mills on the dollar valuation in such school district, when supplemented by the state district, and for at least eight months in the year when the same can be supported by a similar levy of twenty mills, supplemented as above. They may also determine and instruct the district officers as to the different terms of the year in which the same shall be taught; and the district officers shall see that the school is actually taught therein by a licensed teacher, in conformity to such instructions and for the length of time herein required. No district shall receive any portion of the state funds unless school shall have been actually taught for the length of time required by this act.

Many Counties Affected.
The counties affected by the above law and which are interested in the suit being brought to prevent the collection of the tax for the maintenance of the school are: Blount, Banner, Kimball, Deuel, Arthur, Grant, Hooker, McPherson, Logan, Thurston, Blaine, Loup, Perkins, Chase, Hayes, Wheeler and Garden. Whether and Kimball already have the school in operation, but it is understood that Logan county has the school building already erected preparatory to beginning the school this fall, but certain parties are protesting the matter and an injunction has been brought to prevent the further work provided for in the act passed by the legislature.

Regulation for Lamm.
Governor Carey of Wyoming has asked Governor Morehead to issue extradition papers for the return to that state of Joseph Lamm, now being held by the police of South Omaha on instructions of the authorities of Wyoming for the utterance of fraudulent checks on the South Omaha Farmers National bank in the sums of \$5 and \$50 each, which were cashed in that state.

Hall Talks at Fair.
Railway Commissioner Thomas Hall will deliver an address at the state fair on Thursday September 3 at 2 o'clock, his subject being 'The Railway Commission and its Relation to the People and the Public Services Corporations.'

Two Counties Slow to Report.
All counties have reported on the election returns except Lancaster and Douglas. It is understood that the former finished the count Saturday but the returns have not yet been received at the office of the secretary of state and Douglas county is still counting.

GOOD ROADS MEET TO BE HELD AT ORD FRIDAY

ORD, Neb., Aug. 31.—A meeting of delegates from the Commercial clubs of various Nebraska towns will be held at Ord September 4 for the purpose of organizing new automobile routes from Nebraska cities to the Lincoln highway. Two new routes will be organized at this meeting. They are the Central Nebraska and Loup river route, running from North Platte to the South Loup country, Mira Creek valley, Fullerton and Genoa up to Columbus, and the North Loup and Calamus river route, running from Columbus to North Loup and through Bloody Creek valley to Long Pine. The recent improvements and the desire to establish these routes prompted Ord men to call the meeting and it is the intention to organize several other inland routes to the Lincoln highway. All towns are urged to send at least two delegates.

Alleged Forger is Locked Up.
TABLE ROCK, Neb., Aug. 31.—(Special.)—Roy Albert Ramsey, who was taken into custody here Thursday on a charge of forging a check on C. F. Harlow, the garage man here, and trying to pass it on F. W. Ault, landlord of the Marble hotel at this place, was arraigned here before Justice M. E. Marble Saturday. He waived preliminary examination and in default of bail was taken to the county jail at Pawnee City.

Curtis Hotel Burned.
CURTIS, Neb., Aug. 31.—(Special Telegram.)—Lakeview hotel caught fire at 3 o'clock this morning. A north wind fanned the flames and the building was completely wrecked by fire and water, and will not be repaired. The furniture was only badly damaged. Some insurance was carried on both the hotel and furniture.

Nebraska. Beet Growers Are Hampered by Lack of Seed for Fields

GRAND ISLAND, Neb., Aug. 31.—(Special.)—The effect of European war upon the sugar market might have been such as to preface a decidedly profitable beet sugar year in the United States had the approach of the trouble only been known sufficiently in advance to have vouchsafed the preserving of a sufficient number of "mother" beets over last winter. Because it was not, and owing to the fact that only in a few states has the production of beet seed been demonstrated in the past, the beet seed problem may not only prevent any material increase in a very profitable business but may largely reduce the acreage of beets to be grown next spring.

Beet sugar factories report but a small amount of the necessary seed on hand. The local factory has about 25 per cent of the amount needed for next year. In California, and more extensively in Washington, some beet seed had been raised in the past and is being raised this year from mother beets "wintered" in sound condition and replanted last spring for seed purposes only. But it is not believed that the amount of seed it is possible to secure, under the best of conditions, will meet the entire country's demand.

The fear of the beet sugar managers is that even if there is a cessation of war before the time limit on the importation of seed from Germany and France expires, that country's crops will either have been destroyed or at least so decimated as to leave no seed over for export. The war thus seems to favor the beet sugar industry only, however, again to cripple it.

Two Auto Accidents at Grand Island

GRAND ISLAND, Neb., Aug. 31.—(Special.)—While two accidents in succession, at identically the same place, have been decidedly fortunate as to casualties, automobilists will soon, it is felt, be shunning the south end of the south channel of the Platte river, on the mainly traveled line between this city and Doniphan.

Mr. and Mrs. Richard Kuester were taking Mr. and Mrs. Guelter, Miss Rebecca Schomper and Miss Detlefsen, sister of Mrs. Guelter on a ride to Hastings Sunday and stopped at the house of the Guenther car, three or four weeks ago, had gone over the bridge while four young men were returning from the south side. Mr. Kuester, at the wheel, in starting off the bridge, steered a bit too close to the edge of the approach. For a moment the car skidded then went down, completely overturned in the eight-foot slide to the bottom and rested in a completely overturned position. The two men in the front seat were able to jump. However, only a sprained wrist, for Miss Detlefsen, was the extent of the injury.

Mrs. Ryan had the misfortune to run into Mrs. Rice, on Saturday night, the mishap being occasioned by the fact that Mrs. Rice was watching a car coming from another direction. The injured woman was struck by the fender and one wheel ran over her. She is in the General hospital, and a ray examination will have to be made in order to ascertain with certainty whether or not her leg is fractured. The injury is not regarded as serious.

GEORGE MUCH MENTIONED FOR COMMITTEE CHAIRMAN

(From a Staff Correspondent.)
LINCOLN, Aug. 31.—(Special.)—Much interest is centered on the meeting of the republican state committee which will be held at the Lindell hotel in Lincoln tomorrow evening, according to notes sent out by Acting Chairman C. C. McNish of Wisner.

A few candidates are mentioned for the position of chairman but State Treasurer Walter A. George is doing pretty lively to get away from the job. The demand seems to be so universal that it is not probable that he will succeed in eluding the place.

The selection of a secretary and treasurer and possibly a vice chairman with the selection of a fether Lincoln or Omaha as headquarters will be other important matters to be taken up.

Notes from West Point.
WEST POINT, Neb., Aug. 30.—(Special.)—The schools of the city, both public and parochial, will open for the fall term on September 7. Prof. L. J. Knoll, late of Randolph, the newly elected superintendent, has arrived in the city and will take charge of the public schools for the coming year. The Catholic parochial school has been enlarged by the addition of another classroom and the employment of an additional teacher.

Extensive alterations and additions are being constructed at St. Joseph's Home for the Aged at West Point. The main building is being extended the full length of the block, and will add 42 feet to the structure, and will be four stories in height to correspond with the original structure.

License to wed has been issued during the week to Fred Horst and Miss Emma Steenken, residents of Blumark township.

Beatrice County Notes.
BEATRICE, Neb., Aug. 31.—(Special.)—Mrs. John Hawes, a mile east of DeWitt, died Saturday morning at 3 o'clock, aged 52 years. She is survived by her husband and eight children.

A telegram was received in Beatrice Saturday from Dr. and Mrs. L. D. Young stating that they had arrived in Chicago from their European trip and would arrive in Lincoln Tuesday, where the doctor has been elected pastor of the First Presbyterian church.

RUSSIANS REPORT ON VICTORY ON VIETULA

Word from St. Petersburg Tells of Defeat of Franz Josef's Army East of Lemberg.

ATTACK GERMAN GARRISONS
Thorn and Grandens Are Included in List of East Prussian Strongholds Under Assault from the Czar's Army.

(Copyright, 1914, by Press Publishing Co.)
LONDON, Aug. 31.—(Special Cablegram to New York World and Omaha Bee.)—The Exchange Telegraph company says:
The following official message was received here today from St. Petersburg:
'It is officially announced that in East Prussia the Russian troops have attacked the garrisons in the fortresses of Thorn and Grandens with a large number of siege guns. Russian offensive continues along the whole frontier.'

Fierce fighting on the Austrian front continues. The Austrian forces concentrated in Kieles are proceeding along the right bank of the Vitula in order to take part in the battle to the east of Lemberg, where the Russians took 3,000 prisoners. Near the town of Poderevsky the enemy lost 3,000 men, four cannon and a large number of caissons. In the region to the north of Tomachor 1,000 prisoners were taken. The Fifteenth Hungarian division was defeated and the entire regiment surrendered.

In other regions fierce fighting continues. In the direction of Lublin, where the enemy has concentrated its principal forces, a fierce battle has taken place. Newspapers announce that German railways are making preparations for the transport of troops from the western front to Russia.

Practically All Americans Are Out of Austria

MANCHESTER, Mass., Aug. 31.—Dr. K. T. Dumba, the Austro-Hungarian ambassador to the United States, today made public the following dispatch received by him from Count Berchtold, the Austro-Hungarian minister of foreign affairs at Vienna, which was transmitted by wireless telegraphy. The message is dated August 30 and says:
The last special train for Rotterdam with 300 American on board has left Vienna. Henry B. Brockbridge, assistant secretary of war, and several other American officials, were present when the train pulled out. Cordial speeches were exchanged and there was cheering for the American nation.

On its left western wing the Austrian army, following up the victory of Krassnik, defeated on August 27 Russian troops numbering about ten divisions. It took prisoner one general, one colonel, forty-three officers and 2,000 men and captured also large quantities of war material. This may be now advancing toward Lublin, in Russian Poland.

Several skirmishes have taken place in eastern Galicia on the Austrian center. The Austrian troops have taken a firm stand against hostile forces superior to this numerically, and the Austrian artillery has shown splendid marksmanship.

New Sharon, Iowa.—'Two or three years ago pimples began to come on my face and I had dandruff. The pimples made a very unsightly appearance.
