Germs Rushed from Belgium Arrive Too Late to Save Surrounded Allies' Forces.

PETROGRAD THE SAME AS USUAL

All Schools Begin Their Terms and Business Throughout Interior of Empire Goes on Smoothly.

LONDON, Sept. 5.—The Rome correspondent of the Evening Star telegraphs a dispatch from Vienna, saying that the Russians have surrounded the Austrians at Lublin, Russian Poland. The Germans who were rushed from Belgium to reinforce the Austrians arrived too late.

Telegraphing from Petrograd, the correspondent of Reuter's Telegram company sets forth that after a month of war the general appearance of the Russian capital has undergone no change. The public life continues as usual.

Schools Open as Usual.

Yesterday all the Petrograd schools began their terms as usual, the correspondent continues, and commerce throughout the interior of the empire goes on just as smoothly as in normal times. There has been a considerable drop in the price of foodstuffs, of which there are enormous quantities for all requirements. No food products are being exported. The operations of savings banks have suffered no reduction; this is the best barometer of the state of the public mind.

Exceptionally Important.

ROME, Sept. 5.—(Via Paris.)—M. Krowpinski, the Russian ambassador to Italy, commenting today on the Russian advance into Galicia, said that the possession of Lemberg and Halicz was exceptionally important. It gave the Russians command of the whole of Galicia on the left bank of the Dniester river, he said, with the possibility of easily continuing their offensive operations to the south of the Carpathian mountains. The Russian objective was the complete defeat of the Austrian army, the ambassador declared. They would thus be enabled to center all their strength against Germany.

Meets Splendid Death.

PETROGRAD, Sept. 5.—(Via London.)—General Samsonoff met a splendid death after five days' fighting in East Prussia. Being warned that his position was being expanded, he replied: "My place is where my men are." The general and most of his staff were killed by an exploding shell.

Germany Advance So Rapid that Details Are Not Available

BERLIN, Sept. 5.—(Via Copenhagen and London, 12 p. m.)—Commenting today on the scantiness of war news at Berlin, an officer of the general staff explained that the leading military authorities originally had planned to give out much fuller reports and that they would have done so if the situation had been similar to that at Mukden during the Russo-Japanese war, when the lengthy combat in position to position with occasional intervals of rest made a summary of events possible.

GEORGE W. BERGE SAYS HE MAY HELP MOREHEAD

(From a Staff Correspondent.) LINCOLN, Neb., Sept. 5.—(Special.)—George W. Berge has spoken, in a statement delivered to the press he says that he will "devote as much time as he can spare to the campaign for the election of Governor Morehead. But he says: "Maybe when I am dead and prejudices and jealousies, too, are dead, perhaps some one will write a line and say that I had something to do with bringing out important reforms." However, he did not mention that he had written any line congratulating Governor Morehead on his nomination.

Grimes Declares Law Invalid.

In the opinion of Deputy State Superintendent Robert I. Elliott, who represented the state in a suit brought by Logan county people in the district court of Lincoln county to test the validity of the county high school law, the law will not stand. Judge Grimes hints that if the suit had been brought in the nature of quo warranto proceedings he would have had to hold the law invalid.

REPUBLICANS COVER STATE

Will Campaign Thoroughly, Making Most of Trips by Automobile.

HOWELL AND REAVIS TO START

Campaign Will Be Warm in the First District—Entire Republican List of Candidates Will Take Part.

(From a Staff Correspondent.) LINCOLN, Neb., Sept. 5.—(Special.)—Republican headquarters have not yet been opened officially, but permanent headquarters are being maintained at the Lindell hotel and Chairman Walter George and his staff are busy getting ready to annihilate the common enemy November 3.

The committee will start the campaign with a series of automobile trips, beginning September 14, when the First congressional district will be covered thoroughly. R. B. Howell, candidate for governor, and C. F. Reavis, candidate for congress, will be the principal speakers, traveling in automobiles and escorted by the state candidates and the county candidates throughout the district.

It is expected to make a thorough speaking trip. Mr. Howell and Mr. Reavis will travel in the lead and will deliver the first addresses upon reaching a town. When they have finished they will proceed to the next town, leaving the other candidates to conclude the meetings. In this way there will be continuous speaking all the time and everybody will have a chance to talk to the people just as long as there are any people to talk to.

Chairman George says this morning that he is more than pleased with the interest republicans are taking in the campaign. "The head of the ticket is exceptionally strong," said he, "and I have heard nothing but promises of loyal support from everywhere. I believe we will sweep the state with majorities ranging all the way from 15,000 to 30,000."
