Is When You Most Need the Insurance of the Name "Firestone" on Tires and Tubes

Even people who haven't tried Firestone Tires "know they are right."

You might call Firestone quality a National Tradition. There is one make of a number of commercial articles that stands out like this. Reputation built by word of mouth. Praise won by merit.

And now, with quality rubber scarce and high, and poor rubber plentiful and cheap, more and more car owners will stop experimenting. They will switch to the tires that they know are right.
