DOC SEABAUGH PERFORMS

New Catcher Works Behind Bat and Illustrates Eligibility to Splinters' Fraternity—Vance to Work Today.

Buck Sterzer, red-headed and left-handed, and now the property, body and soul, of the Pittsburgh National league club, was atrociously cut, mangled, maltreated, battered, pummeled and knocked into a state of absolute incompetency yesterday afternoon by Pa Rourke's athletes, who have no use for Pirates since they played them that day last April when the mercury was hovering around the freezing point. While it is true that most of the athletes who performed that frozen day have long since departed for parts unknown, the one or two left put up a stiff kick when they found out Sterzer was to perform, and their mates, all members of the players' fraternity and in good standing, kicked too. Harmony is a wonderful thing. Anyway, Mr. Sterzer was battered so severely in the second and third rounds that Jack Holland, gradually forcing the wear corner of the visiting dugout into the ground with his weight, put the derrick in action, plucked Mr. Sterzer out from the box and hoisted him over into the club house. Thus the Rourke's copped, 7 to 2.

Ned Pettigrew, utility outfielder, was called to take up the burdens of battle. Ned pitched in a manner reminiscent of the halcyon days some fifteen years ago when Ned chucked the pill for a living. He didn't allow a run despite the fact that the Rourke's hit him. Our athletes made a hit in every inning and they had eleven gets stranded on the runway. Some pinch hitting.

Doc Seabaugh entered the fray for Omaha yesterday. Doc is a great athlete. He is also a great runner. He is eligible for the splinters' fraternity of which Bunk Congalton and Ralph Willis are charter members. Doc will be inflated some time during the week providing he fails to swipe any bases.

Joies Fall to Show.

Messrs. Willey, Purcell and Stolf, State leaguers who were booked to join the Joies yesterday, failed to appear. As a result, Bob filled the break in the infield made by the absence of Stolf. It is thought that Stolf is recruiting a regiment of Germans out in the state preparatory to going to Europe with Fritz Schiebner to capture Paris. The duo are scheduled to depart for the war zone after the Western league season is over, so Omaha fans can gamble their coin that Paris will fall about October 15.

Sterzer got himself into difficulties in the second by passing Bunk Congalton. Bunk, being a speed demon, it was only natural that he scored. Thomas Schiebner and Seabaugh beat out infield hits, scoring Bunk and choking the path. Ralph Willis then came up to bat and made his annual hit. One thing about Willis' annual hits, they are regular hits. This was a two-base swipe which cleared the sacks, Seabaugh demonstrating his worth as a runner by scoring from first. Willis then went to third on Patterson's punk chutz. Payne's single scored him. Krug forced Payne's single scored him. When Congalton singled after Bell had walked and Thomson whiffed.

In the following stanza the Rourke's Schiebner singled and was sacrificed to second by Seabaugh. Willis walked and Payne's drive sent Schiebner over. That ended it as Ned Pettigrew entered the fray at this point and was loathe to allow any more scores.

Travers of Upper Montclair, N. J., the 1913 title holder, by a score of 6 up and 5 to play. Travers had won the national amateur championship four times.

Cornhusker Gridiron is Resodded and in Readiness for Fall.

PRACTICE IN FORTNIGHT

Athletes Report September 20 Preparatory to Fall Training, and First Game Comes Two Weeks Later.

By JAMES E. LAWRENCE. LINCOLN, Neb., Sept. 5.—(Special Telegram)—If a carefully-kept gridiron can contribute in any way to the success of a foot ball team, the Nebraska team, of the University of Nebraska, feels there is no reason why the Cornhuskers should not repeat on an "all-victorious season" again this fall. The Cornhusker field was never in better shape than it is right now, and Reed spent the last week getting it into final shape before the arrival of the players in two weeks to begin practice. At an expense of nearly \$1,000 Reed resodded the athletic field early last summer, although the sod on the field was nearly as good as any grounds in the Missouri valley. The favorable weather conditions, with constant care by the athletic authorities, has made the foot ball field as green as a meadow, and Reed doesn't think it will be possible for any team to pull the same kind of an alibi that Minnesota had last fall of a "green field."

Schedule of Iowa For Gridiron Season

IOWA CITY, Ia., Sept. 5.—Jesse P. Hawley of Chicago, coach of the Iowa eleven, is expected to arrive here September 15 to begin the season's work. The Iowa schedule follows:
