Daniel Tipple was in fine fettle. He generally is about this time of the year. One Josie got to third base. He was George Watson and George got there through a punk leave by Freddie Thomas, who was greatly excited as he was trying to engineer a double play. George beat out an infield hit and scooted to third when Freddie threw the pill over Schleber's head trying to capture Britton, who knocked a slow roller. Big Watson got to second once, but the two other Josies who got on couldn't get past the initial station. Fine.
