SKINNER'S Macaroni Products

The Best Brand Sold in America

We thank the thous-
ands of housewives for
their loyal support of

SKINNER'S Products.

This support has
made possible the
erection in Omaha of
one of the largest and
most modern maca-
roni factories in the
country.

We thank the grocers for their
interest and splendid support of
the Skinner line.

Special Fancy Durum Patent Flour

Is the best that is possible to mill, and we sell the Skinner
Mfg. Co. thousands of barrels of this high grade brand, in fact
their orders call for the highest quality it is possible to mill,
and our Durum flour is the same high quality in its class as

GOLD MEDAL FLOUR

Washburn-Crosby Co., Minneapolis, Minn.

If It's Made in Omaha It's Made Right

"Skinner's products are made in Omaha; so are the labels." We originated Skinner's very beautiful labels,
which have proved so popular. If you are putting out a first-class article let us make a first-class label for it, and
the trick is done. The goods will sell. **Ask Skinner!** We make their labels.

HANCOCK-EPSTEN COMPANY—Makers of all kinds of first class lithographing—Letter Heads, Envelopes,
Cards, Checks, Invoices, Statements—all corresponding in appearance—in either black or colors.
We make Labels for Brewers, Candymakers, Canners, Soda Water Manufacturers, Wholesale Grocers—in
fact, we will make your labels to fit your needs. Ask us to make you a sketch.
