FOR RENT Apartments and Flats.

THAT MOVING QUESTION

It is not altogether a question of merely picking up your household goods from one place and dumping them off at another. Rather it is the careful conscientious work of EXPERIENCED men who can pack, load, haul and unload; who can be depended upon to satisfy the most exacting, and who have at their command every modern convenience and improvement,

You will appreciate the advantages of this sort of service if we may have the pride and pleasure of moving you to your new location.
